TO THE CITIZENS OF PENNSYLVANIA. SCHIEDAM AROMATIC SCHNAPPS.

Schitzban AltonATIC SCHARTS: I beg leave to call the attention of the citi-ns of Fennsylvania to the above article, manufactured by mysell exclusively, at my Factory in Schiedam, in Holland, expressly for medicinal purposes. It is made from the best Barley that can be selected in Europe and the essence of an ar-omatic Italian berry, of acknowledged and effraordinary medicinal properties; and it has long since acquired a higher reputation, noth in Europe and America, than any other digifu bervarage.

has long since sequired a higher reputation, noth in Europe and America, than any other diretic beverage. The Gravel, Gont, and Rheumatism; in Ob-structions of the Bladder and Kinkeys, and Debility of the Urinary Functions, its, ef-fects are prompt, decided, aud invariably re-liable. And it is not only a Remedy for these maladies, but, in all cases in which they are produced by Drinking Bad Water, which is, amost universally, the cause of them, it op-erates as a Sure Preventive. The distressing effect upon the Stomach, Bowels, and Bladder, to travelers, new resi-dents, and all persons unaccustomed to them produced by the waters of nearly all our great inland rivers like the Ohio, Mississippi, and Alabama, from the large quantity of decay-ed vegetable matter contained in them, in a state of solution, is well known, as is also that of the waters of limestone regions, in producing Gravel, Calculi, and Stome in the Bladder. The AROMATIC SCHIEDAM SCHNAPPS is a absolute corrective of all these injurios properties of bad water, and consequently prevents the disease which they occasion. It is also found to be a cure and preventive of Fever and Ague, a com-plaint caused by the conjoint effects of vege-table malaria in the atmosphere, and vegeta-ble purescenses in the waters of those dis-rites in which it principally prevails. The visual mich it principally prevails. The visual which it principally prevails. The visual consets which as by many in every community where it has become known on used the stines of the country especially; as well as by many in every community where it has become known on account of its various other remedial proper-tive.

ties. More than three thousand physicians More than three thousand physicians, among whom are numbered the greatest names belonging to the faculty of medicine in this country, have certified, over their own signatures, to the valuable medicinal proper-ties of such an aricle, as the soverest tests have proved the Schiedam Aromatic Schnapps to be, and have accepted it as a most desira-ble addition to the materia medica. Pat up in quart and pint bottles, enveloped in yellow paper with my name on the bot-tle, cork and seal. For sale by all respecta-ble Druggists and Gracers.
