# TO THE CITIZENS OF PENNSYLVANIA. SCHIEDAM AROMATIC SCHNAPPS.

SCHIEDAM AROMATIC SCHNAPPS.

1 beg leave to call the attention of the citims of Pennsylvania to the above article, manufactured by myself exclusively, at my Factory in Schiedam, in Holland, expressly for medicinal purposes.

It is made from the best Barley that can be selected in Europe and the essence of an aromatic Italian berry, of acknowledged and extraordinary medicinal properties; and it has long since acquired a higher reputation, both in Europe and America, than any other dictie beverage.

It Gravel, Gout, and Rheumatism; in Obstructions of the Bladder and Kidneys, and Debility of the Urinary Functions, its, effects are prompt, decided, and invariably reliable. And it is not only a Remedy for these maladies, but, in all cases in which they are produced by Drinking Bad Water, which is, almost universally, the cause of them, it operates as a Sure Preventive.

The distressing effect upon the Stomach, Bowels, and Bladder, to travelers, new residents, and all persons unaccustomed to them produced by the waters of nearly all our greating of the strength of the waters of immercial for the my odding Gavel, Calculi, and Stone in the Bladder. The AROMATIC SCHIEDAM SCHNAPPS is an absolute corrective of all these injurious properties of bad water, and consequently prevents the disease which they occasion. It is also found to be a cure and preventive of Fever and Ague, a complaint caused by the conjoint effects of vegetable malaria in the atmosphere, and vegetable malaria in the waters of those districts in which it principally prevails. The Aromatic Schiedam Schnapps is consequently to settle in those parts of the country especialty; as well as by many in every community where it has become known on account of its various other romedial properties.

especially; as well as by many in every community where it has become known on account of its various other remedial properties.

More than three thousand physicians, among whom are numbered the greatest names belonging to the faculty of medicine in this country, have certified, over their own signatures, to the valuable medicinal properties of such an article, as the severest tests shave proved the Schiedam Aromatic Schnapps to be, and have accepted it as a most desirable addition to the malera medica.

Put up in quest and pint bottles, enveloped in yellow paper with my name on the bottle, cork and seal. For sale by all respectable Droggists and Grocers.

I beg leave to call the attention of the public to the following letters from physicians:

\*\*Laboratory, N. Y., May 2, 1855.\*

\*\*Ma. Uppolythe Wolfe\*\*—Dear Sir: I cannot speak to highly of the purity of your Schiedam Schnapps. It is decidedly superior to anything of the kind in market. It is perfectly free from the admixture of fusil oil, or of any of those anylic compounds which produce such a mischievous and irreparable effect upon the constitution, and which very few samples of alcoholic distilled liquors are without—most of them being largely impregnated with it. I have personally inspected the various process of distillation practiced at Schiedam, and know that unusual care is taken to separate the noxious elements from the pure alcohol, and your Schnapps is a striking proof of its success. As a medicinal agent for chronic and renal affections, I have successfully prescribed it, and recommend it as an agreeable condial and harmless stimulant, and shall continue to do so; as well as to use it as a source of pure alcohol for chemical investigations and experiments. Yours obedient, Isahi Deck. Consulting Annlytical Chemist.\*

Dr. Charles A. Leas, Commissioner of Health, Baltimore, writes as follows in relation to the value of Schnapps as a remedy in chronic catarrhal compla

letter is dated July 27, 1853:

"I take great pleasure in bearing highly creditable testimony to its efficacy as a remedial agent in the diseases for which you recommend it. Having a natural tendency to the mocous surfaces, with a slight degree of stimulation, I regard it as one of the most important remedies in chronic catarrhal affections, particularly those of the genito urinary apparatus. With much repsect, your obedient servant,

Mr. Worrz:—Permit me to address you a few lines, which you are at liberty to use if you think proper, in respect to your medicine, called Schtedare Schnapps. I have had a very costinate case of gravel and stone, of some five years standing, causing very acute pain in every attempt to urinate, After using many remedies without much relief, I was induced to try a bottle of your medicine. In the course of threes days it proved effectual, dislodging large pieces of stone, some of which were as large as a marrowfat pea. I continued the correlation of the stone of t

No remedy has ever done so much for the cure of disease of the Skin, whatever form they may assume, as this Ointment. No case of Salt Rheum, Scurvy, see heads, Scorolis, or Erysipelas, can long withstand its influences. The inventor has traveled over many parts of the globe, visiting the principle hospitals, dispensing this Ointment, giving advice as to its application, and has thus been the means of restoring courtless numbers of health.

Sore Legs, Sore Breasts, Wounds and Ulcers.

Some of the most scientific surgeons now rely solely on the use of this wonderful Ointment, when having to cope with the worst cases of sores, wounds, theory glandurs swellings, and tumors. Prof. 18. Joway has by command of the Allied Governments, dispatched to the hospitals of the East, large shipments of this Ointment, to be used under the direction of the Medical Staff, in the worst cases of wounds. It will circe eny ulcer, glandular swelling, stiffness or contraction of the joints, even of 20 years' standing.

Piles and Fistulas.
