

EVANS & WATSON,
No. 26 South Fourth street, have on hand a large assortment of PATENT SALAMANDER FIRE AND TRIP PROOF SAFES, Bank Vaults and Iron Doors for Banks and Stores.
GREAT FIRE LIGHT SMOKE-EATING SAFES—SALAMANDER SAFES—EVANS & WATSON'S TRIUMPHANT—MESSRS. E. & T. FAIRBANKS & Co.
Gentlemen—We take much pleasure in recommending your FIRE PROOF SAFES in new-houses and stores, which may be desired to purchase, with a view to the preservation of their Books and other valuables. The Safe we purchased of you, and manufactured by Evans & Watson, of Philadelphia, Pa., remained in the fire at the burning of our store until the entire stock was consumed, the heat being intense, as you may suppose, as there were about seventy barrels of liquor in the store, besides some seventy thousand pounds of rags and ropes, and other articles of a highly combustible nature. We have the safe opened after the fire had raged and found our books and papers preserved in perfect order. No. 116 Light street wharf.
Please send us another of your best Safes, of the same size, for our future use, and oblige us, please, by sending us a copy of your Circulars.
No. 91 Light street wharf, Baltimore
Baltimore, Md., May 17, 1854.
Messrs. E. & T. FAIRBANKS & Co.—Gentlemen—It gives us much pleasure to bear testimony to the excellence of your Fire Proof Safes. The one I purchased of you, manufactured by Messrs. Evans & Watson, Philadelphia, Pa., saved my books and valuable papers, when everything else in the house was destroyed by fire, on the morning of the 14th inst., at the Light street wharf.

Locate your Land Warrants now!
1st. Because you can do so now without paying out any money till it is convenient, and get a good farm that pleases you or the pay for your warrant.
2nd. Because in a few months the chances will be all taken.
3rd. Because over thirty six millions of acres of warrants are to issue under the new law (See official estimate in Washington Union March 26th 1855.)
4th. Because there is not land enough to fill all these in the States and they must then be located in the West territories, beyond the Mississippi.
5th. Because then the price of warrants must fall to a mere trifle—ten or twelve cents an acre.
6th. Because nobody wants land in the wilderness among wild Indians, where taxes must be paid for years without benefit.
Information furnished and Locations made on most favorable terms (credit if desired) through a reliable agency in the West, an application to
