TO THE CITIZENS OF PENNSYLVANIA. SCHIEDAM AROMATIC SCHNAPPS.

l beg leave to call the attention of the citius of Feansylvania to the above article,
manufactured by myself exclusively, at my
factory in Schiedam, in Holland, expressly
for medicinal purposes.

It is made from the best Barley that can be
selected: in Europe and the essence of an aromatic Italian berry, of acknowledged and
extraordinary medicinal properties; and it
has long since acquired a higher reputation,
both in Europe and America, than any other
dietic beverage.

has long since acquired a higher reputation, outh in Europe and America, than any other dielic beverage.

In Gravel, Gout, and Rheumatism; in Obstructions of the Bladder and Kidneys, and Debility of the Urinary Functions, its, effects are prompt, decided, and invariably reliable. And it is not only a Remedy for these maladies, but, in all cases in which they are produced by Driaking Bad Wa'er, which is, almost universally, the cause of them, it operates as a Sure Preventive.

The distressing effect upon the Stomach, Bowels, and Bladder, to travelers, new residents, and all persons unaccustomed to them produced by the waters of nearly all our great inland rivers like the Ohio, Mississippi, and Alabama, from the large quantity of decayed vegetable matter contained in them, in a state of solution, is well known; as is also that of the waters of limestone regions, in producing Gravel, Calculi, and Stone in the Bladder. The AROMATIC SCHIEDAM SCHNAPPS is an absolute corrective of all these injurious properties of bad water, and consequently prevents the disease which they occasion. It is also found to be a cure and preventive of Fever and Ague, a complaint caused by the conjoint effects of vegetable malaria in the atmosphere, and vegetable with the trimeipally prevails. The Aromatic Schiedem Schnapps is consequently in great demand by persons travelling, or about to settle in those parts of the country especially; as well as by many in every community where it has become known on account of its various other remedial properties.

through your agent in this city, a notice of your Aromatic Schiedam Schnapps, and since that period has prescribed the same in corrain forms of urinary complaints, also in cases of debility in aged persons. So far, the Schnapps fine been of much benefit to those using it.

In conclusion, where a diuretic and stimulant is required, I should use the Aromatic Schiedam Schnapps. hanking you for your kindness, I am respectfully yours.

Aromatic Schnapps, and shows that it acts as a specific in a very painful disease—the Gravel:

"Mr. Worden:—Permit me to address you a few lines, which you are at liberty to use if you think proper, in respect to your medicine, called Schiedam Schnapps. I have had a very continuate case of gravel and stone, of some five years standing, causing very acute pain in every attempt to urinate, After using many remedies without much relief, I was induced to try a bottle of your medicine. In the course of three days it proved effectual, dislodging large pieces of stone, some of which were as large as a marrowfat pea. I continued the cordual, according to directions, and the patient continued to gain, and is fast recovering. I think a medicine of so much value in so districting a complaint, should be known to the public, and the world at large. And I, for one must give it my approbation and signature.

A rentleman of my own personal acquaintone I ving suffered greatly with an affection of the kidneys and bladder, took two bottles, and subsequently passed a stone of considerable size, and was greatly relieved. It will, no dowlt go into general, use."
