—EVANS & WATSON'S  
TRIUMPHANT—  
MESSRS. E. & T.  
FAIRBANKS & Co.—  
Gentlemen—We take much pleasure in recommending your FIRE PROOF SAFES to merchants and others, who may desire to purchase, with a view to the preservation of their Books and other valuables. The Safe we purchased of you, and manufactured by Evans & Watson, of Philadelphia, Pa., remained in the fire at the burning of our store until the entire stock was consumed, the heat being intense, as you may suppose as there were about seventy barrels of liquor in the store, besides some seventy thousand pounds of rags and rags, and other articles of a highly combustible nature. We had the safe opened after the fire had ceased and found our books and papers preserved in perfect order. No. 116 Light Street wharf. Please send another of your best Safes, of the same size, for our future use, and oblige.

**THE FASHIONABLE AND OPERABLE**  
THE undersigned, having just received the latest Paris and New York Fashions, would again beg leave to inform his numerous friends and all the world about Bloomsburg, that he is now better prepared than ever to accommodate any one with the newest, easiest and best fitting suits of Clothes that have been turned out lately; and not only that, but he will also do them up in the best order, upon the lowest terms.  
His shop is at the old stand, (too well known to need further notice) where he may at all times be found, seated upon the bench of repentance, steadily drawing out the thread of affliction, hoping it may in the end prove advantageous to him and his customers. He would also advise his friends to bear in mind that poor, afflicted tailor must live, or they can't be expected to work. Therefore, Wheat Rye, Corn, Oats, Potatoes, and with all now and then a little CASH will come mighty handy from those who are back-standing on his benevolent intentions.  
Remember, gentlemen, that in all cases "the laborer is worthy of his hire."
