Philadelphia, Sept. 13, 1855.—2m.

Philadelphia, Sept. 13, 1855.—2m.

Report of the Grand Jury at Sept. Session, 1855.

To the Honorable the Judges of the Court of Quarter Sessions, of the Peace in and for the County of Columbia.

The grand inquest of the Commonwealth of Pennsylvania enquiring for the body of the County of Columbia respectfully reports, that they have examined the public buildings belouging to said county, and find them in reasonable good repair, except the platform in from of the jail, with the hand railing around it; and steps require some repairing, new hand-rail from the entry up stairs, together with some plastering at the wall inside the jail yard. The belirey in front and cornish of the court house requires repairing.

The bad condition of some of the public sed.

The bad condition of some of the public sed.

The officers to be elected at the time and Franklin, Hemlock, Mountpleasant and Or ange townships as returned by the Constables of said districts, in our opinion, may be remedied by notices to the supervisors of said townships to attend to their duties.

All of which is respectfully, submitted this fifth day of September, A. D. 1855.

SOLOMON NEYHARD, Foreman.

A VOICE TO AMERICA

Religious Toleration. The Bible, the Charter of Liberty. The Principles and Perils of our Common Ed-

ucation.
What constitutes the right to vote. The right of the Majority to rule.
The effects of Romanism and Protes

The Common Cause.

This work, written in an earnest American spirit, by able and experienced writers selected for their eminent fitness for the task, will be found worthy the attentive perusal of the whole American people. It condenses a prodigious amount of most valuable information relating to our social and political economy, and the dangers to which our civit and national liberties are exposed, together with illustrations drawn from the history of the classic and modern republics.—This production must become the great text book for American citizens; since is so therough in its investigations, and of such deep, stirring interest, that it cannot fail in making its direct appeal to the hearts of the people.

100.000 COPIES !

Waters, and Steamboat Directory.

THE undersigned have now in course of a preparation a new Steamboat Directory, which will be issued in October next, the book will contain over two hundred pages, illustrated in the best style, and neatly bound in a durable manner. It will be one of the most interesting books ever published, and will be a book that will be interesting to all classes of people. The Steamboat Directory will contain a complete list and description of all the Steamboats now afloat in the Western and Southern waters. The length, močel, speed, power and tomas, of each boat, whele, speed, power and tomas, of each boat, whele, speed, power and tomas, of each boat, with the trade she has in. Also, the names of Captains and officers, her age, &c. The Directory will contain a History of Steamboats and Steamboating on the Western waters, since the application of steam; also, a sketch of the first beat built for the Ohio River, with the name of the builder, commander and owner.

of the first boat built for the Onio River, with the name of the builder, commander and owner.

The River Directory will contain a list and description of all the Steamboat Disasters that have occurred on the Western and Southern waters, beautifully ilius/rated, with a list of all those who have perished by their burning, sinking and exploding, on the western and southern waters. The Directory will contain Maps of the Ohio, Mississippi, Missouri, Illinois, Arkanasa, White, Red, Juachita, Yazoo, and other rivers, with the towns and cities laid down, with correct distances; also, many other River and Commercial items of interest to the people at large. The book will contain the cards of the various U. S. Mail Boats, with the trade they are in, &c. The Directory will also contain a complete list of all the responsible Steamboat Licensed Officers, their places of residence, &c. &c., the new steamboat law its requirements, with comments, showing wherein it benefits the incompetant officer, and injures the competent officer, &c. &c., and all the important U. S. Supreme Court steamboat decisions up to date; the Rates and important Commercial Privileges, Bills of Lading, important decisions of the various U. S. Courts in regard to Freights Lost and Damaged, &c. &c., with many other things of interest.

numerous steamboat disasters on 'he Western and Southern wasters, and now intends publishing them in book form. The price of the work will be put at the low sum of One Dollar. Ten thousand copies will be issued for the beatmet; all others desirous of subscribing, will have to do so at once, as none will be printed unless ordered in advance. This work is destined to have a circulation of over eight the usend copies, as the publishers are receiving large numbers of subscribers, per mail, from all parts of the country, daily. Some of the oldest boatmen, as well as most scientific men at the times, are contributors to the Steamboat Directory.

The Directory will be issued in October, and will be an ornament to the parlor as well as steamboat. By reautting One Dollar, post work.

All communications and letters should be suddressed to JAS. T. LLOYD 4 CO.

A standard work of established repitation, found classed in the Catalogues of the great Krade Sales in New York, Fluidaciphis, and other citiés, and sold by the principal booksellers in the United States. It was aret published in 1844, since which time

FIVE HUNDRED THOUSAND COPIES

ONE HUNDRED THOUSAND SENT BY MAIL

attesting the high estimation in which it is held as THE ONLY RELIABLE, popular medical BOOK FOR EVERY FEMALE,

the author having devoted, and still devotes, his exclu-sive attention to the treatment of compilate speculiar to themade, in respect to which he is wearly consulted by thousands, both in person and by letter. Here every woman can discover, by comparing her way rappions with those described, the nature, charac-teristic and the project remedies for her con-

ter, causes of, and the proper remedies for her com-plants.

The wife about decoming a mother has often need of instruction and advice of the utmost importance to her future leadth, will find such instruction and advice, and also explain many symptoms which otherwise would also explain many symptoms which otherwise would also explain many symptoms which otherwise would clean to her situation are described.

It is of course impressionable to convey fully the va-rious subjects treated of, as they are of a nature strictly intended for the married or those contemplating mar-riage. The revolutions contained in its pages have proved a blessing to thousands, as the inamerable let-ters received by the author (which he is permitted by the writers to publish) will attest.

THE NATIONAL HISTORY of the U.S.;
Comprising the Colonial, Revolutionary and
Constitutional Records of the Country; based upon, and including the Documents of
the Federal Government, &c. By Benson
J. Lossing and Edwin Williams.
In two volumes, royal Svo., profusely illustrated with fine engravings on steel and
wood, muslin gilt, Seven Dollars.
It is a work unique in its character and of
intrinsic value as a standard authority for the
statesman, historian and general reader; and
to less important as the exponant of the political ethics and progress of the Confederacy. It will be regarded as the National bisory of the country during its three great epochs
—Colonial, Revolutionary and Constitutional,
condensed from the national archives. The
work is splendidly illustrated by original views
of the national buildings, offices of state, &c.
Now Ready: The Statesman's Manual;

The American and Odd-FELLOWS' LITERARY MUSEUM; Containing Gems of Literature, prose and verse, by eminent writers: with over thirty engravings on steel.

2 volumes 8vc. muslin gitl, \$5.00.

A nobler compendium of choice literature could hardly be collected—an elegant book for the centre-table and for presentation—is equally fitted for the library.—N. Y. Mirror.

Active and responsible Agents for the above works, wanted in every State of the Union—who will please address EDWARD WALKER, Publisher, Aug. 30.

The Scientific American. The Scientific American.

The Eleventh Annual Volume of this useful publication commences on the 17th day of September next.

The Scientific American is an illustrated periodical, devoted chiefly to the promulgation of information relating to the various Mechanic and Chemic Arts, Industrial Manufactures, Agriculture, Patents, Inventions, Engineering, Millwork, and all interests which the light of Practical Science is calculated to advance.

Reports of U. S. Patents granted are also published every week, including Official copies of all the Patent Claims, together with news and information upon Thousands of other Subjects.

The Contributors to the Scientific American

other Subjects.

The Contributors to the Scientific American are among the most Eminent Scientific and practical men of the times. The Editorial Department is universally acknowledged to be conducted with great ability, and to be distinguished not only for the excellence and truthfulness of its discussions, but for the tearlessness with which error is combated and false theories are exploded.

Mechanics, Inventors, Engineers, Chemists, Manufacturers, Agriculturalists, and people of every profession in life, will find the Scientific American to be of great value in their respective callings. Its counsels and suggestions will save them hundreds of dollars annually, besides affording them a continual source of knowledge, the experience of which is beyond pecuniary estimate.

The Scientific American is published once a week; every number contains eight large quarto pages, forming annually a complete and splendid volume, illustrated with several hundred original engravings.

The Terms.—Single subscriptions, \$2 a year, or \$1 for six months. Five copies, for six months \$4; for a year, \$8.

For further Club rates and for statement of the fourteen large cash prizes, offered by the publishers, see Scientific American.

For further Club rates and for statement of the fourteen large cash prizes, offered by the publishers, see Scientific American.

Southern, Western and Canada money, or Post Office Stamps, taken at par for subscriptions. Letters should be directed (post paid) to MUNN & Co., 128 Fullon street, N. York.

Messrs. MUNN & Co. have been for many years extensively engaged in procuring patents for new inventions; and will advise inventors, without charge, in regard to the novelty of their improvements.

Stray Shoat!

CAME to the premises of the subscriber in Greenwood township about the 15th of July last, a stray spouled barrow, weighing about 80 pounds. The owner is requested to prove property, pay charges and take it away, or it will be sold according to law.

JAMES V. FERGUSON.

Greenwood, Sept. 6, 1855.—3t.

Steamboat Disasters on the Wester Waters, and Steamboat Directory.

many other things of interest.

The Directory will be illustrated in the best style, and printed in the best manner. The author has for six years been gathering together all the facts and items in regard to the numerous steamboat disasters on 'he Western and Southern waters, and now intends publishing them in book form. The price of the
