These famous Pills are expressly combined to operate on the stomach, the liver, the kidneys, the lungs, the skin, and the bowels, correcting any derangement in their functions, purifying the blood, the very focustion of life, and thus cu ring disease in all its forms.

Dyspepsia and Liver Complaints

Nearly helf the human race have taken these Pills. It has been proved in all parts of the world, that nothing has been found equal to them in cases of disorders of the liver, dyspep-sis, and stomach complaints generally. They soon give a healthy tone to these organs, how-ever much deranged, and when all other means have filled.
