Western Waters, in Forty-four Years.—From Lloyd's forthcoming Steamboat Directory we learn that since the application of steam on the Western Waters the have been thirty-nine thousand six hundred and seventy-two lives doubly steamboat disasters, three hundred and eighty-one boats and cargoes lost, and seventy boats seriously injured, amounting in the aggregate to the euormous sum of sixty-seven million of dollars. It is to be hoped that this forthcoming work will have the effect of a resting the attention of the Government to the importance of Western interests, so far as our great rivers and lakes are concenned.

IMPORTANT TO FEMALES—Dr. CHEESEMANS'
PILLS.—The combinations of ingredients in
these Pills, is the result of a long and extensive practice; they are mild in their operation, and certain in restoring nature to its
proper channel. In every instance have the
Pills proved successful. The Pills invariably open those obstructions to which females
are liable, and bring nature into its proper
channel, whereby boath is restored, and the
pale and deadly countenance changed to a
healthy one. No female can enjoy good
health entess she is egular; and whenever
an obstruction takes place, whether from exposure, cold, or any other cause, the general
health immediately begins to decline, and the
want of such a remedy has be er the cause of
so many consumptions amon gy oung female.
To ladies whose health will not permit an increase of their family, these Pills will prove
a valuable acquisition, as they will prevent
pregnancy. Headache, pain in the side, palpitation of the heart, loathing of food, and
disturbed sheen do move always arise from the
interruption of mature; and whenever that is
the case, the Pills will invariably remedy all
these evils. Nor are they less efficacious in
the cure of Leu corrhoea, commonly called the
"Whitea." These Pills should never be ta.
ken during pregnancy, as they would be sure
to cause a miscarrigue. Waranted to be purely
Vegetable, and free from anything injurious to
life or health. Full and explicit directions

These Pills are put up in square flat boxes.

As various not only ineffective but injurious compounds purporting to be "female Pills," under all kinds of names as "Iron Pills," under all kinds of names as "Iron Pills," "Silver Pills," "Golden Pills," Periodical Pills," &c. are attempted to be palmed off upon the credulous or unwary, it is only necessary for ladies to be on their goard against the attempted imposition, and in all cases where there is no authorized agent for the sale of Dr. Geissner's Menstrual Pills," to order direct from him by mail, by return of which a box will be sent.
