

IMPORTANT TO FEMALES—DR. CHESBROUGH'S PILLS.—The combinations of ingredients in these Pills, is the result of a long and extensive practice; they are mild in their operation, and certain in restoring nature to its proper channel. In every instance have the Pills proved successful. The Pills increase the blood, and bring nature into its proper channel, whereby health is restored, and the pale and drably countenance changed to a healthy one. No female can enjoy good health unless she is equal; and whenever an obstruction takes place, whether from exposure, cold, or any other cause, the general health immediately begins to decline, and the want of such a remedy has been the cause of so many consumptions among young female. To ladies whose health will not permit an increase of their family, these Pills will prove a valuable acquisition, as they will prevent pregnancy. Headache, pain in the side, palpitation of the heart, loathing of food, and disturbed sleep do not always arise from the obstruction of nature; and whenever that is the case, the Pills will invariably remedy all these evils. Nor are they less efficacious in the cure of Leucorrhoea, commonly called the "Whites." These Pills should never be taken during pregnancy, as they would be sure to cause a miscarriage. Warranted to be purely Vegetable, and free from anything injurious to life or health. Full and explicit directions accompany each box.

These Pills are put up in square flat boxes. Persons residing where there are no agencies established, by enclosing One Dollar in a letter postpaid to Dr. C. L. Chesbrough, No. 267 Broadway, New York City, can have them sent to their respective addresses by return of mail.

THE HOME JOURNAL FOR 1856.
NEW AND BRILLIANT SERIES.
On the 5th of January next, the first number of the NEW SERIES FOR 1856, of this well-known FAMILY NEWSPAPER will be issued, with new and interesting features; the principal one of the kind which has been proved, by both American and European periodicals, to be the most acceptable and popular, viz:—A Novel in Serial Numbers. The title is—
"PAUL FANE; OR, PARTS OF A LIFE ELSE UNTOID. A NOVEL."
BY N. P. WILLIS.

In addition to this new feature, a series of original sketches, songs and ballads by G. F. Morris, and as original novella, in verse, founded upon fact, called "The Spectator and Sar," by J. M. Field, are among the inducements for new subscribers to commence with the first number of the year.

Besides the contributions and labor of the Editors, the Home Journal will contain the Foreign and Domestic Correspondence of a large list of contributors—the spirit of the European Magazine—the selections of the most interesting publications of the day—the brief novel—the piquant stories—the sparkling wit and amusing anecdotes—the news and gossip of the Parisian papers—the personal sketches of the celebrities—the stirring scenes of the world we live in—the chronicle of the news for ladies—the fashions—the facts and outlines of the week—the pick of English information—the wit, humor and pathos of the times—the essays on life, literature, society and morals, and the usual variety of careful choicings from the wilderness of English periodical literature, criticism, poetry, etc. We need not remind our readers that we have also one or two unassisted correspondents in the fashionable society of New York, who will give us early news of every new feature and style of elegance among the leaders of the gay world.

TERMS.—For one copy, \$2; for three copies, \$5—or one copy for three years, \$5—always in advance.

A MARVELLOUS REMEDY!
FOR A MARVELLOUS AGE.

HOLLOWAY'S OINTMENT.
THE GRAND EXTERNAL REMEDY!

BY the aid of a microscope, we see million of little openings on the surface of our bodies. Through these this Ointment, when rubbed on the skin, is carried to any organ or inward part. Diseases of the Kidneys, disorders of the Liver, affections of the heart, Inflammation on the Lungs, Asthma, coughs and colds, are by its means effectually cured. Every part is so affected that salt passes freely through bone or meat of any thickness. This healing Ointment far more readily penetrates through any bone or fleshy part of the living body, curing the most dangerous inward complaints, that cannot be reached by other means.

Erysipelas, Salt Rheum and Scorbutic Humors.

No remedy has ever done so much for the cure of disease of the Skin, whatever form they may assume, as this Ointment. No case of Salt Rheum, Scurvy, sore heads, Scrofula, or Erysipelas, can long withstand its influence. The inventor has traveled over many parts of the globe, visiting the principle hospitals, dispensing this Ointment, giving advice as to its application, and has thus been the means of restoring countless numbers of health.

Sore Legs, Sore Breasts, Wounds and Ulcers.

Some of the most scientific surgeons now rely solely on the use of this wonderful Ointment, when having to cope with the worst cases of sores, wounds, ulcers, glandular swellings and tumors, of any thickness, by command of the Allied Government, dispatched to the hospitals of the East, large shipments of this Ointment, to be used under the direction of the Medical Staff, in the worst cases of wounds. It will cure any ulcer, glandular swelling, stiffness or contraction of the joints, even of 20 years standing.

Piles and Fistulas.

These and other similar distressing complaints can be effectually cured if the Ointment be well rubbed in over the affected part, and by otherwise following the printed directions around each part.

Both the Ointment and Pills should be used in the following cases:

Blisters, Lumbago,
Chapped Hands, Mercurial Eruptions,
Clittrains, Piles,
Fistulas, Rheumatism,
