Melloway's Ointment and Pills, a certain cure by Scald Heads—Henry, 12, Maris, 10, and John Ames, B, of Apalachicola, Florida, were all three affected with this disagreeable malady; Maria in particular was in a wretched plight with it, and although there were many remedies tried, yet the malady did not seem to decrease, indeed the disease spread itself all over the surface of the head, to the great annoyance of the parents and discomfiture of the child. These remedies are also wonderfully efficacious in all diseases of the skin.

IMPORTANT TO FEMALES——Dr. CHEESEMANS PILLS.——The combinations of ingredients in these Pills, is the result of a long and extensive practice; they are mild in their oper, ation, and certain in restoring nature to its proper channel. In every instance have the Pills proved successful. The Pills invariably open those obstructions to which females are liable, and bring nature into its proper channel, whereby hash is restored, and the pale and deadly countenance changed to a healthy one. No female can enjoy good health unless she is egulan; and whenever an obstruction takes place, whether from exposure, cold, or any other carge, the general health immediately begins to decline, and the want of such a remedy has been the cause of so many consumptions among young female. To ladies whose health will not permit an increase of their family, these Pills will prove a valuable acquisition, as they will prevent pregnancy. Headache, pain in the side, palpitation of the heart, loathing of food, and titured sleep do mose: always arise from the interruption of anture; and whenever that is the case, the Pills will invariably remedy all these evils. DIMPORTANT TO THE LADIES

Ur. Geisaner's Celebrated Menstrual Pills
have been long and widely known as invariably certain in removing any stoppage, tregularity, or suppression of the menses.

In the female hospitals in Vienna, Paris,
and Berlin, they have entirely superseded the
use of all other remedies; because, where a
cure is attainable by medicinal agencies
they are certain of success. Their astonisting efficacy would be almost incredible, if
not vouched for by indubitable testimony, in
numerous instances producing returns of the
monthly period after all hope had been abandoned.

In every case, from whatever cause the obstruction may arise, as also to prevent pregnancy where the health will not admit of increase of family, they are always efficient;
for which reason they must not be used during pregnancy, though always mild, healthy,
safe and certain in their effects.

Married ladies will find particular instructions in the directions, in which are stated
the various symptoms by which the cause of
the suppression may be determined.

Price, One Dollar per Box, containing explicit directions.

Each box will be signed by Dr R. G. Geiss-Principal Office, 1271 Liberty Street, New

Principal Office, 127½ Liberty Street, New York City.
Responsible agents will be appointed for their sale as soon as practicable. In the mean time, all orders are to be addressed to Dr. R. G. Geissner, 127½ Liberty Street, New York City, or to box 2456 N. Y. Post Office, and a box will be sent by return mail, as they are put up in sealed envelopes, and can be sent with the structest privacy to any part of the United States.
