

Holloway's Pills a certain Remedy for Indigestion and Liver Complaint. Maria Atwood, 17 Edgemoor, New Jersey, suffered more than most people from indigestion, accompanied by liver complaint, several very clever medical men told her she was in a consumption, and her friends despaired of her ever recovering, but she had tried everything they thought likely to benefit her, without success. At last she tried Holloway's Pills, which quickly assimilated with the blood, removed the obnoxious matter, and thoroughly cleansed and renovated the system. The result is, that she was perfectly cured, and now enjoys the best of health. These Pills are also a certain cure for all diseases of the stomach and bowels.

IMPORTANT TO FAMILIES—Dr. CHEESEMAN'S PILLS.—The combination of ingredients in these Pills is the result of a long and extensive practical study, they are mild in their operation, and certain in restoring nature to its proper channel. In every instance where the Pills proved successful. The Pills invariably open those obstructions to which females are liable, and thereby restore the regular channel, whereby health is restored, and the pale and deadly countenance changed to a healthy one. No female can enjoy good health unless the system is regular; and whenever an obstruction to the place, whether from cold, or any other cause, the general health immediately begins to decline, and the want of such a remedy has been the cause of so many consumptions among young females. To ladies whose health will not permit an increase of their family, these Pills will prevent a valuable acquisition, as they will prevent pregnancy. Headache, pain in the side, palpitation of the heart, loathing of food, and distended state of the bowels, are the first symptoms of nature; and whenever that is the case, the Pills will invariably remedy all these evils. Nor are they less efficacious in the cure of Leucorrhoea, commonly called the "Whites." They will also be found to be taken during pregnancy, as they would be sure to cause a miscarriage. Warmed to be purely vegetable, and free from anything injurious to life or health. Full and explicit directions accompany each box.

These Pills are put up in square flat boxes. Persons residing where there is no agency established, by enclosing One Dollar in a letter postpaid to Dr. C. L. Cheesman, No. 227 Bleecker street, New York City, can have them sent to their respective addresses by return of mail.

IMPORTANT TO THE LADIES.—Dr. CHEESEMAN'S Celebrated Menstrual Pills have been long and widely known as invariably certain in removing any stoppage, irregularity or oppression of the menses. In the female system, the menses, Paris, and Berlin, have been entirely superseded the use of all other remedies; because, where a cure is attainable by medicinal agencies, they are certain of success. Their astonishing efficacy would be almost incredible, if not attested by the indisputable testimony, in numerous instances producing returns of the monthly period after all hope had been abandoned.

In every case, from whatever cause the obstruction may arise, as soon as prevention is necessary where the health will not admit of increase of family, they are always efficient; for they reason they must not be used during pregnancy, though always mild, healthy, safe and certain in their effects.

Married ladies will find particular instructions in the directions, in which are stated the various symptoms by which the cause of the oppression may be determined. Price, One Dollar per Box, containing explicit directions.

Each box will be signed by Dr. G. Geissner. Principal Office, 127 1/2 Liberty Street, New York City. Responsible agents will be appointed for their sale as soon as practicable. In the mean time, all orders are to be addressed to Dr. G. Geissner, 127 1/2 Liberty Street, New York City, or to box 2456 N. Y. Post Office, where boxes will be sent by mail. Agents—Geo. Ross, Lebanon; E. T. Miller, York; S. Allexan, Harrisburg; D. R. Jones & Co., Harrisburg; C. Weigley, Millersburg.

FANNY FERN'S 1,000,000

THE ADDRESS OF A NEW BOOK COMING.

WE have the pleasure of announcing that we have in press, and shall publish about the first of December, a new work of fiction entitled

ROSE CLARK.—A ROMANCE—BY FANNY FERN. The last work, and first continuous tale of this brilliant and fascinating authoress, "Hush Hall," achieved a success unexampled in the annals of letters. In the language of a leading periodical, it "expressed a more profound sensation than any which has been issued during a quarter of a century." But it is unnecessary to allude to the merits of "Rose Clark." Judging from the number of copies of it we have sold, we judge that every body in the U. S. has read it. As respects the work we have now in press, "ROSE CLARK," we can only say that we regard it in every respect, a greater, better work; and we are confident it will not only sustain, but even increase the reputation of its distinguished authoress. We have reasons for thinking "Rose Clark" will make a greater sensation than did "Hush Hall."

It will form an elegant 12 mo. volume of over 400 pages. Price \$1.25, on receipt of which copies will be sent by mail, post-paid. It will be for sale by all booksellers. Any newspaper giving the advertisement three insertions, and sending us a copy of paper, with advertisement marked, will receive an advance copy of the work, by mail post-paid. PUBLISHED BY MASON BROTHERS, Nov. 22, '55. New York.

A MARVELLOUS REMEDY FOR A MARVELLOUS AGE

HOLLOWAY'S OINTMENT.

THE GRAND EXTERNAL REMEDY! BY the aid of a microscope, we see millions of little openings on the surface of the bodies. Through these this Ointment, when rubbed on the skin, is carried to any organ or inward part. Diseases of the Kidneys, disorders of the Liver, affections of the heart, inflammation on the Lungs, Asthma, coughs and colds, are by its means effectually cured. Every household knows that salt passes freely through bone or most of any thickness. This healing Ointment far more readily penetrates through any bone or fleshy part of the living body, curing the most dangerous inward complaints, that cannot be reached by other means. Erysipelas, Salt Rheum and Scorbute.

No remedy has ever done so much for the cure of disease of the Skin, whatever form they may assume, as this Ointment. No case of Salt Rheum, Scoury, sore heads, Scrofula, or Erysipelas, can long withstand its influence. The inventor has traveled over many parts of the globe, visiting the principal hospitals, dispensing this Ointment, and giving advice as to its application, and has thus been the means of restoring countless numbers of health.

Sore Legs, Sore Breasts, Wounds and Ulcers. Some of the most scientific surgeons now rely solely on the use of this wonderful Ointment, when having to cope with the worst cases of sores, wounds, ulcers, glandular swellings, and tumors. Prof. Holloway has by command of the Allied Governments, dispatched to the hospitals of the East, large shipments of this Ointment, to be used under the direction of the Medical Staff, in the worst cases of wounds. It will cure any ulcer, glandular swelling, stiffness or contraction of the joints, even of 20 years' standing.

Piles and Fistulas. These and other similar distressing complaints can be effectually cured if the Ointment be well rubbed in over the parts affected, and by otherwise following the printed directions around each part.

Both the Ointment and Pills should be used in the following cases: Blisters, Lumbago, Burns, Mercurial Eruptions, Chapped Hands, Piles, Chilblains, Rheumatism, Gout, Salt Rheum, Skin Diseases, Sore Legs, Sore Breasts, Swelled Glands, Sore Heads, Stiff Joints, Sore Throats, Scalds, Sprains, Ulcers, Wounds of all kinds, Venereal Sores, &c. Sold at the Manufactories of Prof. Holloway, 80 Maiden Lane, New York, and 244 Strand, London, and by all respectable Druggists and Dealers of Medicines throughout the United States, and the civilized world, in Paris, at 25 cents, 62 cents, and \$1 each.
