Published Thursday, Nov. 20, 1856.

ENGLAND AND NO WAR.

Nervous people need not be shocked by the rumors of a war between the United States and England, for even sensible Englishmen are now assuming that any of their countrymen made judges of themselves by attempting to raise a "moss."

But it is now evident that if the Allies had crushed Russia with one blow, this republic would at least be annoyed by insolence and arrogance from John Bull.

The demoralizing effect of the present war will be felt by England as severely as the grip upon her treasury.

Will again assemble on Monday week, Dec. 31. Already a number of members have arrived at the Capital, and there will, without doubt, be a quorum present at the opening of the session.

CONGRESS. Will again assemble on Monday week, Dec. 31. Already a number of members have arrived at the Capital, and there will, without doubt, be a quorum present at the opening of the session.

We anticipate a protracted and stormy session, growing out of the slavery question, and the somewhat unsettled state of our foreign relations.

Pardon of Dr. Beale. Governor Pollock has extended his clemency to Dr. Beale, and remitted the remainder of his sentence of imprisonment, which was four years and six months, beginning on the 28th of November, 1854.

THE TRUTH ADMITTED. It will be remembered that immediately after the enactment of the bloody scenes which characterized the Louisville election, the Know Nothings everywhere attempted to fasten the responsibility of these sanguinary outrages upon the Democratic party and its friends.

THE CRIMEAN WAR. The sanguine expectations entertained by the public in England and France of the speedy evacuation of the Crimea by the Russians have proved altogether unfounded.

THE DEMOCRATIC STATE CONVENTION OF 1856. At a meeting of the Democratic State Central Committee, held Nov. 1st, 1856, at the Merchants' Hotel, Philadelphia, the following Resolutions were adopted.

THE SUNDAY LAW. At Huntington, lately, a furnace company was fined by a magistrate for working on Sunday, the furnace being in blast.

RE-ELECTION OF MR. ROSS. By an arrival from Galveston, dated the 23rd inst. have been received. The Hon. Thomas J. Rusk has been unanimously re-elected to the U. S. Senate for the term of six years.

RE-ELECTION. On Monday last, the Hon. Benjamin Fitzpatrick, Dem., was re-elected U. S. Senator from Alabama, for six years from the fourth of March inst.

BANK OF ENGLAND NOTES. It is stated that Bank of England post notes, payable sixty days after sight, have been sent to this country to a large amount.

THE GRAND COUNCIL OF THE KNOW NOTHING PARTY IN SOUTH CAROLINA recommends the subordinate lodges to disband and absolve their members from obligations.

A GOOD LOT OF THEM. Some two hundred and fifty liquor dealers have been arrested in the county of Lancaster, for violating the liquor law.

On Saturday last, James W. Wood, constable of Fox township, this county, brought to this place, and lodged in jail, Michael Kann and Anna Veitangruber—Germans—charged with the murder of John Veitangruber, husband of the woman above named.

As to the paper: manufactory, nearly every editor in this region has been regularly supplied from Cattawissa for years past, and even city publishers received their paper from that establishment.

THE MARIQUINO. It affords us pleasure to note the improvement in the quality of the paper, now made at the mill of Messrs. Wm. McKelvy & Co., at Cattawissa, Columbia Co., Pa.

As the time of the County Superintendent will now for some time to come be occupied in visiting the different schools of the county, those teachers who did not meet him at the times and places appointed in the several districts, can now meet him at his office in Bloomsburg on any Saturday afternoon for examination; but no examinations can take place at any other time, nor can teachers depend upon missing him at any other time.

THE TEACHERS' ASSOCIATION. The Teachers' Association of Columbia county, will meet at Millville, on Saturday, the 8th of December next, at 10 o'clock A. M.

THE THUNDERER ROBERTS. The Earl of Ellesmere, in a lecture which he delivered the other evening on the subject of the Russian war, to the persons in his own immediate neighborhood, made a remarkable statement—remarkable, certainly, when taken in connection with the inflated and bellicose spirit of the article in the Times, announcing that the British Government had largely reinforced the West India squadron, in order to check the filibustering expeditions of the worst portions of American society.
