IMPORTANT TO FEMALES.—DR. GESSNER'S PILLS.

The combinations of ingredients in these Pills, is the result of a long and extensive practice; they are mild in their operation, and certain in restoring nature to its proper channel. In every instance where the Pills proved successful, the Pills invariably open those obstructions as they will prevent pregnancy. Headache, pain in the side, palpitation of the heart, loathing of food, and disturbed sleep do not arise from the interruption of nature; and whenever that is the case, the Pills will invariably remedy all these evils. Nor are they less efficacious in the cure of Leucorrhoea, commonly called the "Whites." These Pills should never be taken during pregnancy, as they would be sure to cause a miscarriage. It is to be purely vegetable, and free from anything injurious to life or health. Full and explicit directions accompany each box.

These Pills are put up in square flat boxes. Persons residing where there are no agents established, by enclosing One Dollar in a letter postpaid to Dr. C. L. Gessner, No. 267 Bleeker street, New York City, can have them sent to their respective addresses, by return of mail.

IMPORTANT TO THE LADIES.

Dr. Gessner's Celebrated Menstrual Pills have been long and widely known as invariably certain in removing any stoppage, irregularity, or suppression of the menses. In the female hospitals in Vienna, Paris, and Berlin, they have entirely superseded the use of all other remedies; because, where a cure is attainable by medicinal agencies, they are certain of success. Their soothing efficiency would be almost incredible, if it were not touched by indubitable testimony, in numerous instances producing returns of the monthly period after all hope had been abandoned. In every case, from whatever cause the obstruction may arise, as also to prevent pregnancy where the husband is infertile, or for which reason they must be used during pregnancy, though always mild, healthy, safe and certain in their effects.

Married ladies will find particular instructions in the directions, in which are stated the various symptoms by which the cause of the suppression may be determined. Price, One Dollar per Box, containing explicit directions. Each box will be signed by Dr. R. G. Geissner. Principal Office, 127 1/2 Liberty Street, New York City.

Responsible agents will be appointed for their sale as soon as practicable. In the mean time, all orders are to be addressed to Dr. R. G. Geissner, 127 1/2 Liberty Street, New York City, or to box 2456 N. Y. Post Office, and a box will be sent by return mail, as they are put up in sealed envelopes, and can be sent with the strictest privacy to any part of the United States.

CAUTION TO LADIES.

As various not only ineffective but injurious compounds purporting to be "Female Pills" under all kinds of names as "Iron Pills," "Silver Pills," "Golden Pills," &c. Periodical Pills, &c. are attempted to be palmed off upon the credulous, it is necessary for ladies to be on their guard against the attempted imposition, and in all cases where there is no authorized agent for the sale of Dr. Geissner's Menstrual Pills, to order direct from him by mail, by return of which a box will be sent. (29-ly) Agents—Geo. Allen, Lebanon; E. J. Miller, York; J. Allen, Harrisburg; D. R. Jones & Co., Harrisburg; C. Weigley, Millbach.

FANNY FERN'S 1,000,000 READERS!

A NEW BOOK COMING.

WE have the pleasure of announcing that we have in press, and shall publish about the first of December, a new work of fiction entitled

ROSE CLARE,

A ROMANCE—BY FANNY FERN.

The last work, and first continuous tale of this brilliant and fascinating authoress, "Ruth Hall," achieved a success unexampled in the annals of letters, in the language of a leading periodical, it "created more profound sensation than any which has been issued during a quarter of a century." But it is unnecessary to allude to the merits of "Ruth Hall." Judging from the number of copies of it we have sold, we judge that every body in the U. States has read it. As respects the work we have now in press, ROSE CLARE, we can only say that we regard it, in every respect, a greater, better work; and are confident it will not only sustain, but even increase the reputation of its distinguished authoress. We have reasons for thinking "Rose Clark" will make a greater sensation than did "Ruth Hall." It will form an elegant 12 mo. volume of over 400 pages. Price \$1.25, on receipt of which copies will be sent by mail, post-paid. It will be for sale by all booksellers. Any newspaper giving the advertisement three insertions, and sending us a copy of paper, with advertisement, will receive an advance copy of the work, by mail post-paid. Published by MASON BROTHERS, Nov. 22, '55. New York.
