IMPORTANT TO FEALES—DT. CHERSEMANS'
PILLS.—The combinations of higheredients in
hese Fills, is the result of a long and extensive practice; they are mild in their oper,
ation, and certain in restoring nature to its
proper channel. In evary instance have the
Pills proved successful. The Pilis invaria
bly open those obstructions to which females
are lisble, and bring nature into its proper
channel, whereby heath is restored, and the
pale and deadly countenance changed to 8
heathly one. No female can enjoy good
heath unless sto is egulan; and whenever
an obstruction takes place, whether from exposure, cold, or any other cause, the general
heath unless sto is egulan; and whenever
an of such a remedy has been the cause of
so many consumptions among young female.
To ladies whose health will not permit an inrease of their family, these Pills will prove
a valuable acquisition, as they will prevent
pregnancy. Hendache, pain in the side palpitation of the heart, lostning of food, and
disturbed sleep do mose always srise from the
interruption of neture; and whenever that is
the case, the Pills will invariably remedy all
these evils. Ner are they less efficacious in
the cure of Leucotthoes, commonly called the
"Whitee," These Pills should never be taken during pregnancy, as they would be sure
to cause a miscarrigae. Waranted to be purely
Vegetable, and free from anything injusious to
life or health. Full
and explicit directions
accompany each box.

me or reatm. Yan and espect directions execompany each box.

These Pills are put up in square flat boxes. Perons residing where there are no agency established, by enclosing One Dollar in a letter postpaid to Dr. C. L. Cheeseman, No. 267 blecker steet, New York City, can have them sent to their respective addresses by return of mail.

Blecker street, New York City, can have them sent to their respective addresses by return of mail.

EFIMPORTANT TO THE LADIES Dr. Gerssner's Celebrated Menstrual Pills have been long and widely known as invariably certain in removing any stoppage, arregularity, or suppression of the menses.

In the lemule hospitals in Vienna, Paris, and Berlin, shey have entirely superseded the use of all other remedies; because, where a cure is attainable by medicinal agencies, they are certain of success. Their astonishing efficacy would be almost incredible, if not vouched for by indubitable testimony, in numerous instances producing returns of the monthly period after all hope had been abandoned.

In every case, from whatever cause the obstruction may arise, as also to prevent pregnancy where the health will not admit of increase of family, they are always efficient, for which reason they must not be used during pregnancy, though always mild, healthy, safe and certain in their effects.

Married ladies will find particular instructions in the directions, in which are stated the various symptoms by which the cause of the suppression may be determined.

Price, One Dollar per Box, containing explicit directions.

Each box will be signed by Dr R. G. Geissner.

Principal Office, 127½ Liberty Street, New York City, or to box 2456 N. Y. Post Office, and a box will be seen by return mail, as they are put up in sealed envelopes, and can be sent with the strictest privacy to any part of the United States.

As various not only ineffective but injurious compounds purporting to be "Fermale Pills," under all kinds of names as "Iron Pills," under all kinds of names as

ner.

Principal Office, 127½ Liberty Street, New York City.

Responsible agents will be appointed for ther tales as soon as practicable. In the mean time, all orders are to be addressed to Dr. R. G. Grissner, 127¾ Liberty Street, New York City, or to box 2456 N. Y. Post Office, and a box will be sent by return mail, as they are put up in sealed envelopes, and can be sent with the strictest privacy to any part of the United States.

As various not only ineffective but injurious compounds purporting to be "Fernale Pills," under all kinds of names as "Iron Pills," as a reattempted to be palmed off upon the credulous or unwary, it is only necessary for ladies to be on their guard against the altempted imposition, and in all cases where there is no authorized agent for the sale of Dr. Geissner's Menstrual Pills," to order dreet from him by mail, by return of which a box will be sent.

It gives you instructions for beautifying the person. How to have a handsome face and hands. How to remove tan and freekles. A lecture on love, or a Private Advice to Married Ladies and Gentlemen.

This is decidedly the most fascina ing, interesting and really useful and practical work on Courtehip, Matrimony, and the duties and delights of Married Life, that has ever been issued from the American press. The artificial social system, which in so many instances prevents a union of hearts, and sacrifice to conventionalism the happiness and even the lives of thousands of the young and hopeful of both sexes, is thoroughly analyzed and exposed.
