IMPORTANT TO FEMALES—DI-CHERSEMANS'
PILLS.—The combinations of ingredients in
hese Fills, is the result of a long and extensive practice; they are mild in their oper,
ation, and certain in restoring nature to its
proper channel. In evary instance have the
Pills proved successful. The Pills invaria
bly of the the they had his restored, and the
pale and deadly countenance changed to a
healthy one. No female can enjoy good
health unless she is egulan; and whenever
an obstruction takes pace, whether from exposure, cold, or any other cause, the general
health immediately begins to decline, and the
want of such a remedy has been the cause of
so many consumptions among young female.
To ladies whose health will not permit an increase of their family, these Pills will prove
a valuable acquisition, as they will preven
tregnancy. Headacine, pain in the side, palpitation of the heart, loathing of food, and
disturbed sleen do mose glavars arise from the
interruption of mature; and whenever that is
the case, the Pills will invariably remedy all
these evils. Nor are they less efficacious in
the cure of Leucorthoen, commonly called the
"Whites." These Pills should never be ta.
ken during pregnancy, as they would be sure
to cause a miscarrigae. Warauted to be purely
Vegetable, and free from anything injurious to
life or health. Full and explicit directions
alcompany each box.
These Pills are put up in square flat boxes.
Perons residing where there are no agency
established, by enclosing One Dollar in a letter postpaid to Dr. C. L. Cheeseman, No. 267
Blecker street, New York City, can have then
sent to their respective addresses by return of
mail.

IMPORTANT TO THE LADIES L. GRISSER'S Celebrated Menstrual Pills have been long and widely known as invariably certain in removing any stoppage, irregularity, or suppression of the menses. In the female hospitals in Vienna, Paris, and Berlin, they have entirely superseded the use of all other remedies; because, where a unre is attainable by medicinal agencies, they are certain of success. Their astonishing efficacy would be almost incredible, if not vouched for by indubtable testimony, in numerous instances producing returns of the monthly period after all hope had been abandoned.

In every case, from whatever cause the ob

tions in the directions, in which are stated the various symptoms by which the cause of the suppression may be determined. Price, One Bollar per Box, containing ex-

plicit directions.

CONTENTS:

It teaches how to make ladies or gentlemen with the devoted affections of as many of the opposite sex as their hearts may desire.

And the plan is simple, yet so captivating that all may be matried irrespective of age, appearance or position; and it can be arranged with such ease and delicacy, that detection is impossible.

person.

How to have a handsome face and hands.

How to remove tan and freeckles.

A lecture on love, or a Private Advice to Married Ladies and Gentlemen.

This is decidedly the most fascina ing, interesting and really useful and practical work on Courtship, Matrimony, and the duties and delights of Married Life, that has ever been issued from the American press. The artificial social system, which in so many instances prevents a union of hearts, and sacrifice to conventionalism the happiness and even the lives of thousands of the young and hopeful of both sexes, is thoroughly analyzed and exposed. Every one who contemplates marriage, and wishes for an infallible guide in the selection of a partner for life, should purchase this great text bock of connubial felicity.
