DR. J. B. MARCHISI'S
CELEBRATED CATHOLICON
For the Relief and Cure of Suffering Females.

IT stands pre-eminent for curative powers in all the diseases for which it is recommended usually called

Female Complaints.

Of these are Prolapsus Uteri, or Falling of the Womb; Flour Albus, or Whites; Chronic Inflammation and Ulceration of the Womb; Incidental Hemorrhage, or Flooding; Painful Suppressed, and Irregular Menstruation, &c., with all their accompanying evils, (Cancer excepted,) no matter how severe or how long standing.

This medicine has never been introduced by empty puffs and misrepresentations, nor is it intended that its present popularity shall be sustained by any medium but its merits and the approbation of the public.

REFERENCES.

I feel it a duty incumbent upon myself to declare publicly the great blessing Dr. Marchisi's Uterine Catholicon has proved to me. For two years my health was miserable; I was almost unable to walk. Physicians pronounced my case falling of the womb, extensive ulcerations, commencing with flour albus. The pains, irritation, prostration, &c., rendered life a burden. In this miserable condition, Dr. F. P. Newland recommended Dr. Marchisi's Uterine Catholicon. After taking four bottles I found myself in perfect health. Gratitude for my restoration makes me ardently desire that all my sex, alike unfortunate, may find sure relief from this inestimable medicine.

ELIZABETH A. NEWLAND,
No. 19 West st., Utica, N. Y.

The above statement I know to be true,
F. P. NEWLAND, M. D.,
Utica, New York.

I would be glad to have a further supply, as the medicine is becoming very popular, and I think will continue, as it has given relief in every instance where properly taken.
THOMAS NEWMAN, M. D.,
Mt. Vernon, Ind.

Prevail on medical men to adopt it in their practice; and I have no fears of the result, from what knowledge I have obtained personally of its curative powers. I wish the medicine kept here.
T. C. HAWKINS, M. D.,
Waynesburg, Pa.

I must say, from my own experience and personal observations in my practice, it has proved to be the best and safest remedy for the difficulties for which it is recommended, viz.: those of female weakness, such as Prolapsus Uteri, Flour Albus, and all irregular and painful menstruation, and diseases of irritation of the female organs.
D. Y. FOOTE, M. D.,
Syracuse, N. Y.

The claims of this medicine to the confidence of the public are strengthened by the fact of its having received the approbation and patronage of many prominent members of the Medical Faculty in the United States, some of whom have voluntarily given letters of commendation, (see pamphlet,) sustaining all that is claimed for it as a curative agent.

Pamphlets containing much useful information touching the nature and symptoms of the above diseases, together with testimonials from ladies of the highest respectability, as certified by the most satisfactory authority, to all which the attention of ladies and practitioners is respectfully invited, can be had gratis at the store of

STARTLING, BUT TRUE!
WARNING TO EVERY SENSIBLE WOMAN.
WHY FEMALES SUFFER IN HEALTH.

No woman of delicacy is willing to disclose the peculiar ailments incident to her sex, even to a most intimate family physician.

This modesty and delicacy is implanted by nature, and neither should nor need be subjected to the rude shocks inevitable in making known to the other sex those ailments belonging exclusively to the female.

Except in extreme cases, her sensitiveness will sacrifice her health rather than her delicacy.

The consequences are serious, lamentable, and lifelong.

Thus what at first could have been easily remedied, or perhaps better still, not incurred, becomes a complication of diseases, not only ruining the health of the mother, and embittering her days by sickness and suffering, but entailing broken constitutions upon her children, and embarrassing, if not distressing, the business and pecuniary prospects of the husband. Let every sensible woman

TAKE WARNING IN TIME,

(as thousands have done) by the bitter experience and sufferings of others, of the dreadful consequences she entails upon herself and those endeared to her, by her ignorance of the simplest and plainest rules of health as connected with the marriage state, the violation of which entails disease, suffering, and misery.

How many are suffering from obstructions or irregularities peculiar to the female system, which undermine the health, the effects of which they are ignorant, and for which their delicacy forbids seeking medical advice! How many suffer from *prolapsus uteri* (falling of the womb), or from *flour albus* (weakness, debility, &c.)! How many are in constant agony for many months preceding confinement! How many have difficult, if not dangerous deliveries, and slow and uncertain recoveries!

To the question, how are these to be prevented? what shall be done? the answer is simple.

Let every woman ascertain for herself, without violence to her delicacy, the nature and character of the ailment (to which she as a female is subject), the causes from which it may arise, and the proper remedies for its cure and future prevention.

This she can do by possessing a little volume (already possessed by thousands), *WHICH TELLS EVERY WOMAN WHAT IS THE MATTER, AND TELLS HER WHAT TO DO FOR IT*, in simple but chaste words, and such as she can understand.

This little volume is entitled

THE MARRIED WOMAN'S
PRIVATE MEDICAL COMPANION,
BY DR. A. M. MAURICEAU,
PROFESSOR OF DISEASES OF WOMEN.
One Hundredth Edition (500,000) 18mo., *pp.* 250.
[ON FINE PAPER, EXTRA BINDING, $1.00.]

A standard work of established reputation, found classed in the Catalogues of the great Trade Sales in New York, Philadelphia, and other cities, and sold by the principal booksellers in the United States. It was first published in 1847, since which time

FIVE HUNDRED THOUSAND COPIES

have been sold, of which there were upwards of

ONE HUNDRED THOUSAND SENT BY MAIL

attesting the high estimation in which it is held as *THE ONLY RELIABLE*, popular medical

BOOK FOR EVERY FEMALE,

the author having devoted, and still devotes, his exclusive attention to the treatment of complaints peculiar to females, in respect to which he is yearly consulted by thousands, both in person and by letter.

Here every woman can discover, by comparing her own symptoms with those described, the nature, character, cause of, and the proper remedies for her complaints.

The wife about becoming a mother has often need of instruction and advice of the utmost importance to her future health, will find such instruction and advice, and also explain many symptoms which otherwise would occasion anxiety or alarm, as all the peculiarities incident to her situation are described.

It is of course impracticable to convey fully the various subjects treated of, as they are of a nature strictly intended for the married or those contemplating marriage. The revelations contained in its pages have proved a blessing to thousands, as the innumerable letters received by the author (which he is permitted by the writers to publish) will attest.

Extract of a letter from a gentleman in Dayton, Ohio.
DAYTON, May 1, 1847.

Dr. A. M. Mauriceau:

"My wife has been perceptibly sinking for some three years or more, in consequence of her great anguish and suffering some months before and during confinement; every successive one more and more debilitated and prostrated her, putting her life in imminent danger, and which was on the last occasion despaired of. I supposed that this state of things was inevitable, and resigned myself to meet the worst. At this time (now about two months), I heard your book highly spoken of, as containing some matters revealing my case. On its receipt and perusal, I cannot express to you the relief it afforded my distressed mind, and the joy its pages imparted to my wife, on learning that the great discovery of M. M. Desomeaux provided a remedy. It opened a prospect to me which I little conceived was possible. No pecuniary consideration can ever repay the obligations I am under to you, for having been the means of imparting to us the matters contained in "The Married Woman's Private Medical Companion." But for this, are another year would have passed over my head, in all human probability my wife would have been in her grave and my children left motherless."

In consequence of the universal popularity of the work, as evidenced by its extraordinary sale, various impositions have been attempted, as well on booksellers as on the public, by imitations of title page, spurious editions, and surreptitious infringements of copyright, and other devices and deceptions, it has been found necessary therefore

TO CAUTION THE PUBLIC

to buy no book unless the words "Dr. A. M. Mauriceau, 129 Liberty Street, N. Y.," is on (and the entry in the Clerk's Office on the back of) the title page; and buy only of respectable and honorable dealers, or send by mail, and address to Dr. A. M. Mauriceau.

☞ Upon receipt of One Dollar "THE MARRIED WOMAN'S PRIVATE MEDICAL COMPANION" is sent (*mailed free*) to any part of the United States, the Canadas, and British Provinces. All Letters must be post-paid, and addressed to Dr. A. M. MAURICEAU, box 1224, New-York City. Publishing Office, No. 129 Liberty Street, New-York.
