REFERENCES.

I feel it a duly menumbeut upon myself to declare publicly the great blessing Dr. Marchisi's Uterine Catholicon has proved to me. For two years my health was miserable; I was almost unable to walk. Physicians pronounced my case failing of the womb, extensive ulcerations, commencing with flour albus. The pains, irritation, prostration, &c., rendered life a burden. In this miserable condition, Dr. F. P. Newland recommended Dr. Marchisi's Uterine Catholicon. After taking four boules I found myself in perfect health. Graitfuel for my restoration makes me ardently desire that all my sex, a like unfortunate, may find sure relief from this inestimable medicine.

TO THE FASHONABLE AND OPPEREDED.

THE undersigned, having just received the latest Paris and New York Fashions, would again beg leave to inform his numerous friends and all the world about Bloomsburg, that he is now better prepared frian ever to accommodate any one with the neatest, easiest and best fitting suits of Clothes that have been turned ont lately; and not only that, but he will also do them up in the best order, upon the lowest terms.

His shop is at the old stand, (too well known to need further notice) where he may at all times be found, seated upon the bench of repentance, steadily drawing out the thread of affliction, hopeing it may in the end prove advantageous to him and his customers. He would also advise his friends to bear in mind that poor, afflicted tailors must live, or they can't be expected to work. Therefore, Wheat, Rye, Corn, Oats, Potatoes, and with all now and then a little CASH will come mighty handy from those who are back standing on his book.

Remember, gentlemen, that in all cases "the laborer is worthy of his hire."
