The spirocentric in the public. **REFERENCES**. I feel it a duty incumbent upon myself to declare publicly the great blessing Dr. Mar-chisi's Uterine Catholicon has proved to me. The pains, irritation, prostration, &c., rendered Ille a burden. In this miserable condution, Dr. F. P. Newland recommended Dr. Marchisi's Uterine Catholicon. I must say, from my own experience and personal observations in my practice, it has proved to be the best and safest remedy for the difficulties for which it is recommended, viz.: those of female weakness, such as Pro-layeus Ureir, Flour Albus, and all irregular and painful menstruation, and discases of ir-ritation of the female organs. D. FOOTE, M. D., Syracuse, N. Y.

Syracuse, N. Y. The claims of this medicine to the confi-dence of the public are strengthened by the fact of its having received the approbation and patronage of many prominent members of the Medical Faculty in the United States, some of whom have voluntarily given letters of commendation, see pamphlet, sustaining all that is claimed for it as a curative agent.
