Report of the Grand Jury.

To the Honorable the Judges of the Court of Quarter Sessions of the Peace in and for the County of Columbia.

The grand inquest of the Commowealth of Pennsylvania inquiring for the body of the County of Columbia respectfully RE. PORT that they have examined the public buildings belonging to said county and find them in tolerable good condition—the repairs recommended in the last report having been attended to. We would direct attention to the painting about the Court-House, and recommend that it be painted anew. We would also direct attention to the painting about the Court-House, and recommend that the necessary repairs be done—We have found the walls in the half of the basement story of the court-kouse much defaced, to which we would direct attention and recommend that the necessary repairs be made. And we further report that the roads in Scott township have been represented to be in a very bad condition, especially that part leading from Robert Pursel's in Bloom township intersecting the road leading from Espy to Light Street—also the alleys and some of the streets in Bloomsburg have been represented as being obstructed, to which we would direct your attention—All of which is respectfully submitted the eixh day of May, 1856.

A RUMAN LIFE SAVED!

Bloomeburg, April 1, 1856. }

A RE UMAN LIFFE SAVED:

Dowaciac, Mich., March 11, 1856. J. A. RHODES, Eag. Dear Sir—As I took your medicine to sell on consignment, "no cure no pay," I take pleasure in stating its effects as reported to me by three brothers who live in this place, and their testimony is a fair specimen of all I have received.

W. S. CONKLIN told me—"I had taken nine bottles of Christie's Ague Balsam, and continually run down while using it until my lungs and liver were congested to that degree that blood discharged from my mouth and bowels, so that all thought it impossible for me to live through another chill. The doctors too did all they could for me, but thought I must die. Nothing did me any good until I got Rhodes' Fever and Ague Cure, which at once relieved me of the distress and nausea at my stomach and pain in my head and bowels, and produced a permanent cure in a short time."

H. M. CONKLIN says—"T had been taking medicine of as good a doctor as we have in our country, and taken any quantity of quinine and specifies without any good result, from 25th August to 17th December. But seeing how nicely it operated on my brother, I got a bottle of Rhode's Fyers and Ague Cure, which effected a permanent cure by using two thirds of a bottle."

S. M. CONKLIN was not here, but both the other brothers say his case was the same as H. M's. I sold the medicine to both the same day, and the cure was as speedy from the same small quantity, and I might so specify. Yours with respect.

The above speaks for itself. Good proof as it is, it is of no better tenor than the vast number of like certificates I have already published, and the still greater amount that is continually pouring in to me.

One thing more. Lastyear I had occasion to caution the public in these words:

"I notice one firm who have taken one of my generel circulars, substituted the name of their nostrum for my medicine, and then with brazen impudence end their pamphlet with the exclamation, 'Let the Proprietor of any other medicine say as m

Now I take pleasure in saying that the Caution referred to the same "Dr. Christie's Ague Balsam" that is mentioned in the above certificate. There are several other industrious people

There are several other industrious people who are applying to their poisonous trash all that I publish about my Fever and Ague Cure, or Antidote to Malaria, except the certificates of cures, and the certificate of the celebrated Chemist, Dr. James R. Chilton, of New York, in favor of its perfectly harmless character, which is attached to every bottle. These will always serve to distinguish my medicine from imitations.

JAS. A. RHODES, Proprietor.

A FARM WITHIN THE REACH OF

EVERY ONE.

27,000 ACRES OF GOOD FARM

AND COAL LAND in Elk

County, Benzinger Township, Pennsylvania
for sale, giving a Farm (23 acres for \$300,
psyable in Installments of \$1, per week, or at
the same monthly.

Farms of 50, 75, 160, or more acres adjoining in proportion. Each Farm frontaupon, a
road thirty feet in width.

The Soil is a rich limestone loam, and especially adsipted to cultivation, as it is heither
hilly nor stony, but gently rolling or fine table
land. Around and through this property there
are already some 20,000 series under cultivation,
a nd its fertility has been established from the
crops procueed. Upon this subject it is easy
to be fully satisfied. There is a ready cash
market for produce which is much better than
trade. It is the CHEAPEST, as land of a
similar quality is selling at much higher prices
adjoining, and especially such as contains cosl.

THE COAL—This in particular is the Coal
District, several veins underlayfing the whole
property, and the attention of miners, and
those acquainted with coal lands, is specially
called to it. It has the advantage of being the
nearest to the great lake market, with which
it will be connected by the Sunbury and Eric
Railroad now under contract and in course of
completion-from Eric to Ridgeway, with ceseending grade the whole way. The soil over
rituminous coal is the best, for instance England and other counties. The price per acre
is trifling for the coal alone, as it will certainity, in so favorable a location within a short
time pay largely. This is important as an
immense coal trade will soon open. Four coal
companies have already been started to work
mit es in the vicinity, and there are now fifteen
openings around St. Mary's.

THE TIMBER, Stockholders also received.
There is no reservation whatever elither of
timber or coal. It is very valuable, and will
pay for a great part of the lazd. On account
of the excellence of streams there are fine opportonities for mills.

FOR HEALTH, the location is much ro.

By writing to the omce directions will be given to those who wish to visit the land.—A system of excursions will shortly be adopted.

There is an excellent opening for various branches of mechanical business, especially tanners, wheelwrights, axe handle makers, shoemakers, carpenters and others.

Farma can be bought by enclosing the first instalment. Ladies can hold shares in their own right. Title unquestionably good, and warrantee deeds given. Address or apply to Samuel W. Cattell, Sec'y, 135 Wainut street between Fourth and Fifth Sts., Philadelphia REFERENCES.

Henry M. Watts, Esq., Wainut St., Philadelphia Gas Company, 7th St. above Chestnut, Philadelphia, Geo. Wiegand, Esq., President of Philadelphia, despinable, Inspector of Coal, Cit Gas Office, 7th St. above Chestnut, Philadelphia, has been over the land and examined the coal.

This is to certify that, having been over the tract owned by the Ridgeway Farm and Coal Company and given it a thorough examination, we find the representations of that Company to be correct. We find the soil to be the most fertile—the coal and iron ore to lie in inexhaustible quantities, through the whole district—the Farms in excellent order, and the intelligence and prosperity of the people to be of the most gratifying character. We know: that there is no healthier location in the State, and we consider it a most desirable place of settlement.

We make this declaration, as we believe there may be many persons who are unacquainted with these lands, and we are satisfied, from our knowledge of the subject, that information upon it will be a public benefit. Jacob F. Shafer, Elk Co. Sarveyor, St. Mary's.
