I feel it a duty neumbent upon myself to declare publicly the great blessing Dr. Marchisi's Uterine Catholicon has proved to me. For two years my health was miserable; I was almost unable to walk. Physicians pronounced my case failing of the womb, extensive ulcerations, commencing with flour albus. The pains, irritation, prostration, &c., rendered life a burden. In this miserable condition, Dr. F. P. Newland recommended Dr. Marchisi's Uterine Catholicon. After taking four bottles I found myself in perfect health. Gratitude for my restoration makes me ardently desire that all my sex, a like unfortunate, may find sure relief from this inestimable medicine.

No. 19 West st., Jitica, N. Y. The above statement! know to be true, F. P. NEWLAND, M. D., Utica, New York.

I would be glad to have a further supply, as the medicine is becoming very popular, and I think will continue, as it has given relief in every instance where properly taken.

Prevail on medical men to adopt it in their practice; and I have no fears of the result, from what knowledge I have obtained personally of its curative powers. I wish the medicine kept here. of its cutative price kept here.

I must say, from my own experience and personal observations in my practice, it has proved to be the best and safest remedy for the difficulties for which it is recommended, viz.: those of female weakness, such as Prolapsus Uteri, Flour Albus, and all irregular and painful menstruation, and diseases of irritation of the female organs.

THE FASHONABLE AND THE CONTROL OF THE UNDERSES.

THE undersigned, having just received the latest Paris and New York Fashions, would again beg leave to inform his numerous friends and all the world about Bloomsburg, that he is now better prepared than ever to accommodate any one with the neatest, easiest and best fitting suits of Clothes that have been turned out lately; and not only that, but he will also do them up in the best order, upon the lowest terms.

His shop is at the old stand, (too well known to need further notice) where he may at all times be found, seated upon the bench of repentance, steadily drawing out the thread of affliction, hopeing it may in the end prove advantageous to him and his customers. He would also advise his friends to bear in mind that poor, afflicted tailors must live, or they can't be expected to work. Therefore, Wheat, Rye Corn, Oats, Potatoes, and with all now and then a little CASH will come mighty handy from those who are back-standing on hie book.

Remember, gentlemen, that in all cases "the laborer is worthy of his hire."

GOOD NEWS FOR ALL!!

THE never failing MRS. VANHORN is the very best; she is sure to succeed when all others have failed. All who are in trouble, all who have been unfortunate, deceived and trifled with; all whose fond hopes have been crushed and blasted by false promises, all who have had bad luck, fly to her for advice and satisfaction, from whatever cause, fly to her for relief and comfort. In love affairs she was never known to fail—She has the secret of winning the affections of the opposite sex. It is this fact which induces illiterate pretenders to try to imitate her. She shows you the likeness of your future wife, husband, or absent friend. It is well known to the public at large that she is the first, and only person in this country who can show their likeness in reality—which can be testified and proved by thousands, both married and single, who daily and eagerly visit her. Come one, come all, to No. 534 LOMBARD Street, between Juniper and Broad, Pfill ADELPHIA.

We take pleasure in recommending your
Salamander Safes to merchants and others
in want of a secure means of preserving
their books, papers, &c., from fire, as the
one we purchased from you about seven

were when put into it, before the great fire
of this morning, which destroyed the entire
block of buildings corner of Chestnut and
Fifth Streets. The above Safe was in use
in our office, on the second floor of our building, from which place it fell into the cellar,
and romained there until the fire was out.—
The safe was then removed, and oppened in
the presence of at least 1000 persons, who
winnessed the good condition of the contents.
Will you please have the Safe and locks repaired, as we intend to put it in use again,
having perfect confidence in its fire proof

It is a volume that has received the nancell. Rasing Heavy Crops, and greatly Improving the soil. The subscriber respectfully informs Farmers and Dealers that he is prepared to supply the Spring demand at the old price.

AGENTS WANTED—A liberal Jiscount structive scourges over visited upon mankind for the sins of sensuality and impurity of every ki d.

It is a volume that has received the unqualified recommendation of the first physicians in the land, while many clergymen, fathers, mothers, philanthropusts and humanitarians, have most freely extended its circulation in all quarters where its powerful teachings would be likely to be instrumental in the moral purification and physical hashing of multitudes of our people, among the young, volatile and indiscreet, otherwise the pride and flower of the nation.

The author argues particularly, most strongly against every species of self-defilement, and warns parents and gandians, in searching terms, to guard the young of both sexes from the terrible consequences concomitant of their ignorance of physiological laws and sexual impurities and irregularities, whether exhibited by precocious development or arising from the viscious and corrupting examples of their schoolmates or otherwise. To those who have been already ensanced to the "paths that take hold on hell," a clear and explicit way is shown by which they may secure a return of sound health and a regeneration of the evol from its terrible pollution.

which they may sective a return of sound health and a regeneration of the soul from its terrible pollution.

It is well known that thousands of victims are annually sacrificed at the shrine of Quack-ery—especially those suffering from Venereal or Syphilitic diseases—Strictures, Seminal Weakness, Nervous Debility, and the numerous maladies which spring directly or less remotely from the indulgence of carnal passions and secretivolations of Nature.

In view of these facts, and when it is also considered that about 100,000 persons die annually in the United States of Conoumption—a large majority being the victims of the voluputous indiscretion of their progenitors, agreeably to the Scriptural enunciation, that the sins of the parents are visited upon the children, even to the third and fourth generation. The Author, imbued with sentiments of enlarged philinthropy, will scarcely be censured for any effort to restrain the vices of the age, by the humble instrumentality of his Medical Manual,
