DR. J. P. MARCHISI'S
CELEBRATED CATHOLICON
For the Relief and Cure of Suffering Females.

IT stands pre-eminent for curative powers in all the diseases for which it is recommended usually called

Female Complaints.

Of these are Prolapsus Uteri, or Falling of the Womb; Flour Albus, or Whites; Chronic Inflammation and Ulceration of the Womb; Incidental Hemorrhage, or Flooding; Painful Suppressed, and Irregular Menstruation, &c., with all their accompanying evils, (Cancer excepted,) no matter how severe or how long standing.

This medicine has never been introduced by empty puffs and misrepresentations, nor is it intended that its present popularity shall be sustained by any medium but its merits and the approbation of the public.

REFERENCES.

I feel it a duty incumbent upon myself to declare publicly the great blessing Dr. Marchisi's Uterine Catholicon has proved to me. For two years my health was miserable; I was almost unable to walk. Physicians pronounced my case falling of the womb, extensive ulcerations, commencing with flour albus. The pains, irritation, prostration, &c., rendered life a burden. In this miserable condition, Dr. F. P. Newland recommended Dr. Marchisi's Uterine Catholicon. After taking four bottles I found myself in perfect health. Gratitude for my restoration makes me ardently desire that all my sex, a like unfortunate, may find sure relief from this inestimable medicine.

ELIZABETH A. NEWLAND,
No. 19 West st., Utica, N. Y.

The above statement I know to be true,
F. P. NEWLAND, M. D.,
Utica, New York.

I would be glad to have a further supply, as the medicine is becoming very popular, and I think will continue, as it has given relief in every instance where properly taken.

THOMAS NEWMAN, M. D.,
Mt. Vernon, Ind.

Prevail on medical men to adopt it in their practice; and I have no fears of the result, from what knowledge I have obtained personally of its curative powers. I wish the medicine kept here.

T. C. HAWKINS, M. D.,
Waynesburg, Pa.

I must say, from my own experience and personal observations in my practice, it has proved to be the best and safest remedy for the difficulties for which it is recommended, viz.: those of female weakness, such as Prolapsus Uteri, Flour Albus, and all irregular and painful menstruation, and diseases of irritation of the female organs.

D. Y. FOOTE, M. D.,
Syracuse, N. Y.

The claims of this medicine to the confidence of the public are strengthened by the fact of its having received the approbation and patronage of many prominent members of the Medical Faculty in the United States, some of whom have voluntarily given letters of commendation, (see pamphlet,) sustaining all that is claimed for it as a curative agent.

Pamphlets containing much useful information touching the nature and symptoms of the above diseases, together with testimonials from ladies of the highest respectability, as certified by the most satisfactory authority, to all which the attention of ladies and practitioners is respectfully invited, can be had gratis at the store of

☞ A CALL ☜
TO THE FASHONABLE AND OTHERS.

THE undersigned, having just received the latest Paris and New York Fashions, would again beg leave to inform his numerous friends and all the world about Bloomsburg, that he is now better prepared than ever to accommodate any one with the neatest, easiest and best fitting suits of Clothes that have been turned out lately; and not only that, but he will also do them up in the best order, upon the lowest terms.

His shop is at the old stand, (too well known to need further notice) where he may at all times be found, seated upon the *bench* of repentance, steadily drawing out the *thread* of affliction, hopeing it may in the *end* prove advantageous to him and his customers. He would also advise his friends to bear in mind that poor, afflicted tailors must live, or they can't be expected to work. Therefore, Wheat, Rye, Corn, Oats, Potatoes, and with all now and then a little CASH will come mighty handy from those who are back-standing on hte book.

Remember, gentlemen, that in all cases "the laborer is worthy of his hire."

CAUTION! ASTROLOGY!!
LOOK OUT!
GOOD NEWS FOR ALL!!

THE never failing MRS. VANHORN is the very best; she is sure to succeed when all others have failed. All who are in trouble, all who have been unfortunate, deceived and trifled with; all whose fond hopes have been crushed and blasted by false promises, all who have had bad luck, fly to her for advice and satisfaction, from whatever cause, fly to her, for relief and comfort. In love affairs she was never known to fail.—She has the secret of winning the affections of the opposite sex. It is this fact which induces illiterate pretenders to try to imitate her. She shows you the likeness of your future wife, husband, or absent friend. It is well known to the public at large that she is the first, and only person in this country who can show their likeness in reality—which can be testified and proved by thousands, both married and single, who daily and eagerly visit her. Come one, come all, to No. 534 LOMBARD Street, between Juniper and Broad, PHILADELPHIA.

MONDAY MORNING, DECEMBER, 15th, 1854. EVANS & WATSON'S SALAMANDER SAFES TRIUMPHANT, as they always are when put to the test.

Philadelphia, Dec. 15th, 1854.

Messrs. Evans & Watson, No. 26 south Fourth Street, Philadelphia.—Gentlemen:—We take pleasure in recommending your Salamander Safes to merchants and others in want of a secure means of preserving their books, papers, &c., from fire, as the one we purchased from you about seven months since has preserved our books, papers, and cash in as good condition as they were when put into it, before the great fire of this morning, which destroyed the entire block of buildings corner of Chestnut and Fifth Streets. The above Safe was in use in our office, on the second floor of our building, from which place it fell into the cellar, and remained there until the fire was out.—The safe was then removed, and oppened in the presence of at least 1000 persons, who witnessed the good condition of the contents. Will you please have the Safe and locks repaired, as we intend to put it in use again, having perfect confidence in its fire proof qualities. Yours, respectfully,

LACEY & PHILLIPS.

Evans & Watson take pleasure in referring to the following, among the many hundreds, who have their Safes in use:—U. S. Mint, Philadelphia; Farmers & Mechanics' Bank, Philadelphia; Samuel Allen, Esq. High Sheriff, Philadelphia; John N. Henderson, City Controller; Caleb Cope & Co., No. 183 Market street; Richard Norris & Son, Locomotive builders, Philadelphia; Bancroft & Sellers, Machinists, corner 16th and James streets; Franklin Fire Insurance Co., Philadelphia; Pennsylvania Railroad Co., Philadelphia; Lacey & Phillips, corner of 5th and Minor street; Sharpless Bro., No. 32 south Second street; James, Kent & Santee, No. 147 north Third street.

A large assortment of the above Safes always on hand [warranted to stand at least 10 per cent. more fire than any Herring's Safe now in use.] Evans & Watson also manufacture and keep for sale, Iron Shutters, Iron Doors, and Iron Sash, for making fire proof Vaults, for Banks, stores, private and public buildings; Seal and Letter Copying Presses; Patent Slate Lined Refrigerators, &c.

TERRIBLE DISCLOSURES
Secrets for the Million!
A most Wonderful and Invaluable Publication.
Dr. Hunter's Medical Manual;

BEING AN ORIGINAL and popular Treatise on MAN and WOMAN: their Physiology, Functions and Sexual Disorders of every kind, with never failing Remedies for the speedy cure of all diseases of a private and delicate character, incident to the violation of the Laws of Nature and of Natures God.

PRICE TWENTY-FIVE CENTS.

THE Author of the above volume is a graduate of one or the first medical schools in the United States, and having devoted a quarter of a century to the study and treatment of Syphilis and kindred disorders as a speciality, he has become possessed of most invaluable information in regard to the same, and is able to compass into vade mecum compass the very quintessence of medical science on this important subject; as the result of the experience of the most eminent physician in Europe and America is thoroughly demonstrated in his own highly successful practice in the treatment of secret diseases in many thousands of cases in the City of Philadelphia alone.

The practice of Dr. Hunter has long been, and still is literally unbounded, but at the earnest solicitation of numerous persons, he has been induced to extend the sphere of his professional usefulness to the community at large, through the medium of his "Medical Manual Hand-Book for the Afflicted."

It is a volume that should be in the hand of every family in the land, whether used as a preventive of secret vice, or as a guide for the alleviation of one of the most awful and destructive scourges ever visited upon mankind for the sins of sensuality and impurity of every kind.

It is a volume that has received the unqualified recommendation of the first physicians in the land, while many clergymen, fathers, mothers, philanthropists and humanitarians, have most freely extended its circulation in all quarters where its powerful teachings would be likely to be instrumental in the moral purification and physical healing of multitudes of our people, among the young, volatile and indiscreet, otherwise the pride and flower of the nation.

The author argues particularly, most strongly against every species of self-defilement, and warns parents and guardians, in seaching terms, to guard the young of both sexes from the terrible consequences concomitant of their ignorance of phyiological laws and sexual impurities and irregularities, whether exhibited by precocious development or arising from the viscious and corrupting examples of their schoolmates or otherwise. To those who have been already ensnared to the "paths that take hold on hell," a clear and explicit way is shown by which they may secure a return of sound health and a regeneration of the soul from its terrible pollution.

It is well known that thousands of victims are annually sacrificed at the shrine of Quackery—especially those suffering from Venereal or Syphilitic diseases—Strictures, Seminal Weakness, Nervous Debility, and the numerous maladies which spring directly or less remotely from the indulgence of carnal passions and secret violations of Nature.

In view of these facts, and when it is also considered that about 100,000 persons die annually in the United States of Conoumption—a large majority being the victims of the voluptuous indiscretion of their progenitors, agreeably to the Scriptural enunciation, that the sins of the parents are visited upon the children, even to the third and fourth generation. The Author, imbued with sentiments of enlarged philnthropy, will scarcely be censured for any effort to restrain the vices of the age, by the humble instrumentality of his Medical Manual.

One copy, securely enveloped, will be forwarded free of postage to any part of the United States for 25 cents, or 6 copies for $1, Address, post paid, COSDEN & CO., PUBLISHERS, Box 197, Philadelphia.
