

DR. J. B. MARCHESI'S
CELEBRATED CATHOLICON
 For the Relief and Cure of Suffering Females.

It stands pre-eminent for curative powers in all the diseases for which it is recommended usually called.

Female Complaints.
 Of these are Prolapsus Uteri, or Falling of the Womb; Flour Abuse, or Whites; Chronic Inflammation and Ulceration of the Womb; Incidental Hemorrhage, or Flooding; Painful Suppression, and Irregular Menstruation, &c., with all their accompanying evils, (Cancer excepted), no matter how recent, or how long standing.

This medicine has never been introduced by empty puffs and misrepresentations, nor is it intended that its present popularity shall be sustained by any means but its merits and the approbation of the public.

REFERENCES.
 I feel it a duty incumbent upon myself to declare publicly the great blessing Dr. Marchesi's Uterine Catholicon has been to me. For two years my health was miserable; I was almost unable to walk. Physicians pronounced my case falling of the womb, extensive ulcerations, commencing with flour abuse. The pains, irritation, prostration, &c., rendered life a torture. In this miserable condition, Dr. F. P. Newland recommended Dr. Marchesi's Uterine Catholicon. After taking four bottles I found myself in perfect health. Gratitude for my restoration makes me ardently desire that all my next-door neighbors, and all who are afflicted with this estimable medicine.

ELIZABETH A. NEWLAND,
 No. 19 West St., Utica, N. Y.
 The above statement I know to be true.
F. P. NEWLAND,
 Utica, New York.

I would be glad to have a further supply, as the medicine is becoming very popular, and I think will continue, as it has given relief in every instance which I have taken.

THOMAS NEWMAN, M. D.,
 Mt. Vernon, Ind.

Prevail on medical men to adopt it in their practice; and I have no fears of the result, from what knowledge I have obtained personally of its curative powers. I wish the medicine kept here.

J. C. HAWKINS, M. D.,
 Waynesburg, Pa.

I must say, from my own experience and personal observations in my practice, it has proved to be the best and most certain remedy for the difficulties for which it is recommended, viz: those of female weakness, such as Prolapsus Uteri, Flour Abuse, and all irregular and painful menstruation, and diseases of irritation of the female organs.

SALAMANDER SAFES;
EVANS & WATSON,
 No. 26 South Fourth St., PHILADELPHIA.

Great Fire, Chestnut & Fifth Streets,
 MONDAY MORNING, DECEMBER 15th, 1854. EVANS & WATSON'S SALAMANDER SAFES TRULY PROVED, as they always are when put to the test.

Philadelphia, Dec. 15th, 1854.
 Messrs. Evans & Watson, No. 26 South Fourth Street, Philadelphia—Gentlemen:—We take pleasure in recommending your Salamander Safes to merchants and others in want of a secure means of preserving their books, papers, &c., from fire, as the one we purchased from you about seven months since has preserved our books, papers, and cash in as good condition as they were when put into it, before the great fire of this morning, which destroyed the entire block of buildings corner of Chestnut and Fifth Streets. The above safe was in use in our office, on the second floor of our building, from which place it fell into the cellar, and remained there until the fire was out. The safe was then removed, and opened in the presence of at least 1000 persons, who witnessed the good condition of the contents. Will you please have the safe and locks repaired, as we intend to put it in use again, having perfect confidence in its fire proof qualities. Yours respectfully,
LACEY & PHILLIPS.

Evans & Watson take pleasure in referring to the following, among the many hundreds, who have their Safes in use—U. S. Mint, Philadelphia; Farmers' & Merchants' Bank, Philadelphia; Samuel Allen, Esq., High Street, Philadelphia; John N. Henderson, City Controller; Caleb Cope & Co., No. 183 Market Street; Richard Norris & Son, Locomotive Builders, Philadelphia; Bancroft & Sellers, Architects, corner 16th and James Streets; Franklin Fire Insurance Co., Philadelphia; Pennsylvania Railroad Co., Philadelphia; Lacey & Phillips, corner of 6th and Minor Street; Sharpless Bro., No. 32 South Second Street; James, Kent & Santee, No. 147 North Third Street.

A large assortment of the above Safes always on hand [warranted to stand at least 100 per cent. more fire than any Herring's safe now in use.] Evans & Watson also manufacture and keep for sale, Iron Shutters, Iron Doors, and Iron Bars, for making fire proof vaults, for Bank stores, private and public buildings; Seal and Letter Copying Presses; Patent Slate Lined Refrigerators, &c.

Please give us a call at No. 26 South 4th Street Philadelphia.

TERRIBLE DISCLOSURES
 Secrets for the Million!
 A most Wonderful and Invaluable Publication.
Dr. Hunter's Medical Manual;
 BEING AN ORIGINAL and popular Treatise on MAN and WOMAN: their Physiology, Functions and Sexual Disorders of every kind, with novel and falling Remedies for the speedy cure of all diseases of a private and delicate character, incident to the violation of the Laws of Nature and of Modesty.

PRICE TWENTY-FIVE CENTS.
 The Author of the above volume is a graduate of one of the first medical schools in the United States, and having devoted a quarter of a century to the study and treatment of Syphilis and kindred disorders as a specialty, he has become possessed of most valuable information in regard to the same, and is able to compass into vade mecum compass the very quintessence of medical science on this important subject; as the result of the experience of the most eminent physician in Europe and America is thoroughly demonstrated in his own highly successful practice in the treatment of such diseases in many thousands of cases in the City of Philadelphia.

The practice of Dr. Hunter has long been, and still is literally unbroken, and the earnest solicitation of numerous persons, he has been induced to extend the sphere of his professional usefulness to the community at large, through the medium of his "Medical Manual." It is a volume that should be in the hand of every family in the land, whether used as a preventive of secret vice, or as a guide for the alleviation of one of the most awful and destructive scourges ever visited upon mankind from the sins of sensuality and impurity of every kind.

It is a volume that has received the unqualified recommendation of the first physicians in the land, while many clergymen, fathers, mothers, and friends of the afflicted, have more freely extended its circulation, and its terms where its powerful teachings would be likely to be instrumental in the moral purification and physical healing of multitudes of our people, among the young, volatile and indiscreet, otherwise the price of Nature, and the nation's tears where its powerful teachings would be likely to be instrumental in the moral purification and physical healing of multitudes of our people, among the young, volatile and indiscreet, otherwise the price of Nature, and the nation's tears.

The author argues particularly, most strongly against every species of self-defilement, and warns parents and guardians, in searching terms, to guard the young of both sexes from the consequences of their want of discretion and ignorance of physiological laws, and the impurities and irregularities, which exhibited in precocious development or arising from the vicious and corrupting examples of their schoolmates or otherwise. To those who have been already ensnared by the "vice of the flesh," he holds out a clear and explicit way is shown by which they may secure a return of sound health and a regeneration of the soul from its terrible pollution.

It is well known that thousands of victims are annually sacrificed at the altar of Quackery—especially those suffering from Venereal Syphilitic diseases—Strictures, Seminal Weakness, Nervous Debility, and the numerous maladies which spring directly or less remotely from the indulgence of carnal passions and accumulation of Nature.

In view of these facts, and when it is also considered that about 100,000 persons die annually in the United States of Consumption—a large majority being the victims of the voluptuous and dissipated habits of their parents, and the scriptural injunction, "Let the young man forsake his parents and be united to his wife, and they shall be one," it is not to be wondered at that the parents are visited upon the children, even to the third and fourth generation. The Author, imbued with sentiments of enlarged philanthropy, will scarcely be censured for any effort to restrain the victims of this extensive and instrumental of his Medical Manual.

One copy, securely enveloped, will be forwarded free of postage any part of the United States for 25 cents, or 6 copies for \$1, Address, post paid, **COSBEN & CO., Publishers,** 121 North Second Street, Philadelphia, supplied on the most liberal terms.
