The recommendation of the recommendation of the rest o and the approbation of the put REFERENCES.

**REFERENCES.** I feel it a duty incumbent upon myself to declare publicly the great blessing Dr. Mar-chisi's Uterine Catholicon has proved to me. For two years my health was miserable; I was almost unable to walk. Physicians pro-nounced my case failing of the womb, exten-sive ulcerations, commencing with flour al-bus. The pains, irritation, prostration, &c., rendered life a burden. In this miserable condition, Dr. F. P. Newland recommended Dr. Marchisi's Uterine Catholicon. After ta-king four bottles I found myself in perfect health. Gratitude for my restoration makes me ardently desire that all my sex, a like unfortunate, may find sure relief from this in-estimable medicine.

stimable medicine. ELIZABETH A. NEWLAND, No. 19 West st., Utica, N. Y. The above statement 1 know to be true, F. P. NEWLAND, M. D., F. D. NEWLAND, M. D., Utica, New York.

I would be glad to have a further supply, as the medicine is becoming very popular, and I think will continue, as it has given re-lief in every instance where properly taken. THOMAS NEWMAN, M. D., Mt. Vernon, Ind.

Prevail on medical men to adopt it in their precice ; and I have no fears of the result, from what knowledge I have obtained per-sonally of its curative powers. I wish the medicine kept here. T. C. HAWKINS, M. D., Waynesburg, Pa.

I must say, from my own experience and personal observations in my practice, it has proved to be the best and safest remedy for the difficulties for which it is recommended, viz: those of female weakness, such as Pro-lapsus Uteri, Flour Albus, and all irregular and painful menstruation, and diseases of ir-ritation of the female organs. **OTTENDING:** THE undersigned, having just received the latest Paris and New York Fashions, would again beg leave to inform his numer-ous friends and all the world about Blooms-burg, that he is now better prepared than ev-er to accommodate any one w th the neatest, easiest and best fitting suits of Clothes that have been turned out lately; and not only that, but he will also do them up in the best order, upon the lowest terms. His shop is at the old stand, (too well known to need for there notice) where he may at all times be found, seated upon the *bench* of repentance, steadily drawing aut the *thread* of affliction, hopeing it may in the *end* prove advantageous to him and his customers. He would also advise his friends to bear in mind that poor, afflicted tailors must live, or they can't be expected to work. Therefore, Wheat, Rye, Corn, Oats, Potatoes, and with all now we'd them bitted tailors. Rye, Corn, Oats, Potatoes, and with all now and then a little CASH will come mighty handy from those who are back-standing of his book.

Remember, gentlemen, that in all cases "the laborer is worthy of his hire." BERNARD RUPERT. Bloomsburg, April 14th, 1853.

Messre, Evans & Watson, No. 26 south Foorth Street, Philadelphia,—Gentlemen:— We take pleasure in recommending your Salamander Sates to merchants and others in want of a secure means of preserving their books, papers, &c., from fire, as the one we purchased from you about seven months since has preserved our books, pa-pers, and eash in as good condition as they were when put into it, before the great fire of this morning, which destroyed the entire block of buildings corner of Chestnut and Fifth Streets. The above Safe was in use in our office, on the second floor of our build-ing, from which place it fell into the cellar, and remained there until the fire was out.— The safe was then removed, and oppened in the presence of at least 1000 persons, who wimessed the good condition of the contents. Will you please have the Safe and locks re-paired, as we intend to put it in use again, having perfect confidence in its fire proof qualities. Yours, respectfully. LACEY& PHILLIPS. Evans & Watson take pleasure in referring to the following, among the many hundreds, who have their Safes in use:—U.S. Mint, Philadelphia; Farmers & Mechanice' Bank, Philadelphia; Samorofi & Scellers, Machinist, corner of 5th and Minor street; Sharpleas Brov, No. 32 south Second iteet; James, Kett & Santee, No. 147 north Third street. I presume that the remedy they needed to escape Mking Quinine, contained the DRUG ITSELF! This remedy, (known as "Smith's Tonic,") would invariably BREAK an ague, but it did not CURE it, and it would often return with renewed vigor. The one circumstance I deemed in your favor, if I could institute a test comparison between it and your CURE. The following is the resolt: Three persons took your "Core," all of which were cases of "Quotidian Intermit-tent Fever," of many weeks standing. They had tried Quinine, and other remedies, occa-sionally missing a chill, but it was, (as in all such cases, slowly wearing them out, and laying the foundation of other and serverer malaties. I did succeed in effecting a radi-cal cure of all three of these cases with your remedy, and they have not had a chill since. In all three of these cases the "Smith's Ton-ic" had been used, and would, as before sta-ted, break the chill, but after a period or two had elapsed it would return. I think there will be no difficulty now in giving to your "Cure" the vantage ground of any other remedy now in use here, &c., &c. WILLIAM BUCKNER, M. D. RHODES' FEVER and AGUE CURE, or Antidote to Malaria, the only harmless reme-dy in existence, is equalty certain as a PRE-VENTIVE, as a "CURE." Take it when you feel the chill coming on, and you will never have a single one. JAMES A. RHODES, *Proprietor*. For sale by Druggists generally. June 18, 1856. **Trusses ! Trusses ! Trusses !**
