"NO SUCH WORD AS FAIL."

A HESITANT REMEDY.

HOLLOWAY'S OINTMENT.

Circular to the Sick.

THE first hospital surgeons and medical practitioners of Europe, admit the unparalleled anti-inflammatory and healing properties of this Ointment; governments sanction its use in their naval and military services; and the masses in this country and throughout the world repose the utmost confidence in its curative properties.

It penetrates the sources of inflammation and corruption which underlie the external evidences of disease, and neutralizes the fiery elements which feed and exacerbate the malady.

RHEUMATISM. SCROFULA. ERY. SIPELAS.

These are among the most terrible and agonizing diseases of the muscles, the fleshy fibre and the skin; yet in their worst forms, and when seemingly incurable they invariably disappear under a persevering application of this soothing, healing antiseptic to pain and inflammation.

SALT RHEUM. FEVER SORES, STIFF JOINTS.

In cases of Salt Rheum, where the medical waters, lotions, and every species of the pharmacopoeia have proved useless, the Ointment will accomplish a thorough cure. Fever Sores heal quickly under its influence, and its relaxing effect upon contracted sinuses is truly wonderful.

DISCHARGING ULCERS.

A most remarkable and happy change is produced in the appearance of malignant ulcers, after a few applications of this Ointment. The surrounding redness vanishes, and granules of healthy flesh begin to take the place of the discharged matter. This process goes on more or less rapidly, until the ulcer is filled up with sound material and the ulcer radically cured.

A WORD TO MOTHERS.

The young are the most frequent sufferers from external injuries, and therefore every mother should have this healing preparation constantly on hand. It is an absolute specific for sore breasts, and quickly removes the encrusted sores which sometimes disfigure the heads and faces of children.

SIGNIFICANT FACTS,

This Ointment is universally used on board the Atlantic and Pacific whaling fleets as a cure for scrofulic affections and is the best preparation for wounds and bruises. Large supplies of it have recently been ordered by the Sultan of Turkey for hospital purposes.
