HOLLOWAY'S OINTMENT

Circular to the Sick.

THE first hospital surgeons and medical publicists of Europe, admit the unperalleled anti-inflammatory and healing properties of this Ointment; governments sanction its use in their naval and relitary services; and the masses in this country and throughout the world repose the utmost confidence in its curative propetties. It pentuates the sources of inflammation and corruption which underlie the external evidences of diease, and neutralize the fiery elements which feed and exasperate the malady.

RHEUMATISM, SCROFULIA, FRY-SIPELAS.

These are among the most terrible and ago-nizing diseases of the muscles the fleshy fibre and the skin; yet in their worst forms, and when seemingly incurable they invariably dis-appear under a persevering application of this sootting, healing antidote to pain and inflam-mation.

SALT RHEUM, FEVER SORES, SALT RHEUM, FEVER SORES,
STIFF JOINTS,
In cases of Salt Rheum, where medical waters, lottons, and every recipe of the pharmacopea have proved useless, the Ointment will accomplish a thorough cure. Fever Sores heai quickly under its influence, and its relaving effect upon contracted sinews is truly wonderful.

DISCHARGING ULCERS. A most remarkule at dappy change is produced in the appearance of malignant ulcers after a few applications of the Cintment. The surrounding redness vanishes, and granules of healthy, flesh begin to take the place of the discharged matter. This precess goes on more or less rapidly, until the oricles is filled up with sound material and the ulcer radically cured.

A WORD TO MOTHERS.

The young are the most frequent sufferers from external injuries, and therefore every mother should have this healing preparation constantly on hand. It is an absolute specific for sore breasts, and quickly removes the encrusted sores which sometimes disfigure the heads and faces of children. SIGNIFICANT FACTS.

This Ointment is universally used on board the Allat it and Pacific whaling fleet as a cure for scorbutic affections and as the best possible remedy for wounds and bruises. Large supplies of it have recently neen ordered by the Sultan of Turkey for hospital purposes. Both the Ointment and Pills should be used in the following cases:
Bunions, Skin Diseases, Skin Diseases, Swelled Glands, Sore Legs, Sore Breasts, Sore Heads,

Chapped Hands, Chilblains, Fistula, Sore Throats, Sores of all kinds, Lumbago, Mercurial Eruptions, Piles, Sprains, Stiff Joints, Tetter, Ulcers, Venereal Sores, Wounds of all kinds.

THE undersigned, having just received the latest Paris and New York Fashions, would begin be gleave to inform his numerous friends and all the world about Bloomsburg, that he is now better prepared than ever to accommodate any one with the neatest, easiest and best fitting antis of Clothes that have been turned out lately; and not only that, but he will also do them up in the best order, upon the lowest terms.

His shop is at the old stand, (too well known to need further notice) where he may at all times be found, scated upon the bench of repentance steadily drawing out the thread of affliction, hopeing it may in the end prove advantageous to him and his customers. He would also advise his friends to bear in mind that poor, afflicted tailors must live, or they can't be expected to work. Therefore, Wheat, Rye, Cern, Oats, Potatoes, and with all now and then a little CASH will come mighty handy from those who are back-standing on he book.

Remember, gentlemen, that in all cases "the laborer is worthy of his hire."

EERNARD RUPERT.
