"NO SURE WOUND"
A REMEDY FOR RHEUMATISM.

HOLLOWAY'S OINTMENT.
Circular to the Sick.
THE first hospital surgeons and medical practitioners of Europe, and the unparalleled anti-inflammatory and healing properties of this Ointment; governments sanction its use to their naval and military services; and the masses in this country and throughout the world express the most confident reliance in its curative properties. It purges the system of inflammation and corruption which underlie the external evidences of disease, and neutralize the fiery elements which feed and exasperate the malady.
RHEUMATISM. SCROFULA. PRY-SIPHELAS.

These are among the most terrible and agonizing diseases of the muscles, the fleshy fibre and the skin; yet in their worst form, and when seemingly incurable they invariably disappear under a persevering application of this soothing, healing ointment to pain and inflammation.
SALT RHEUM, FEVER SORES, STIFF JOINTS.
In cases of Salt Rheum, where medical waters, lotions, and every recipe of the pharmacopoeia have proved useless, the Ointment will accomplish a thorough cure. Fever Sores heal quickly under its influence, and its relaxing effect upon contracted sinews is truly wonderful.
DISCHARGING ULCERS.
A most remarkable and happy change is produced in the appearance of malignant ulcers after a few applications of this Ointment. The surrounding inflamed granulation, and granular healthy flesh begin to take the place of the discharged matter. This process goes on more or less rapidly, until the entire is filled up with sound material and the ulcer radically cured.

A WORD TO MOTHERS.
The young are the most frequent sufferers from external eruptions, and therefore every mother should have this healing preparation constantly on hand. It is an absolute specific for sore breasts, and quickly removes the encrusted sores which sometimes disfigure the heads and faces of children.
SIGNIFICANT FACTS.
This Ointment is universally used on board the Atlantic and Pacific whaling fleet as a cure for scrofulic affections and as the best possible remedy for wounds and bruises. Large supplies of it have recently been ordered by the Sultan of Turkey for hospital purposes.
Both the Ointment and Pills should be used in the following cases:
