BLACKWOOD'S MAGAZINE AND THE BRITISH QUARTERLY REVIEWS. Great Inducements to Subscribe. COST REDUCED 50 TO 75 PER CENT.

L. SCOTT & CO., NEW YORK, continue to publish the following leading British Periodicals, viz:

The London Quarterly (Conservative)
The Edinburgh Review (Whig)
The North British Review (Free Trader)
The Westminster Review (Liberal)

Blackwood's Edinburgh Magazine (Tory)

These Periodicals ably represent the three great political parties of Great Britain—Whig, Tory and Radical,—but politics forms only one feature of their character. As Organs of the most profound wisdom, Science, Literature, Morality, and Religion, they are, wherever they ever have stood, universal in the world of letters, being considered indispensable to the scholar and the professional man, while to the intelligent reader of every class they furnish a most interesting and satisfactory record of the current literature of the day, throughout the world, than can be possibly obtained from any other source.

EARLY COPIES. The receipt of advance orders from the British publishers being an additional value to these Reprints, inasmuch as they can now be placed in the hands of subscribers as early as the original editions.

TERMS. (Regular Prices) per Annum.

For any one of the four Reviews	\$3 00
For any two of the four Reviews	5 00
For any three of the four Reviews	7 00

At above prices the Periodicals will be furnished for 1857.

SPLENDID OFFERS FOR 1850 AND 1857 TOGETHER. Unlike the more ephemeral Magazines of the day, these Periodicals lose little by age. Hence a full year of the Nos. (with no omissions) for 1856, may be regarded nearly as valuable as for 1857. We propose to purchase the new subscribers of the following rates, viz:

For Blackwood's Magazine,	\$4 50
For any one Review,	4 00
For any two Reviews,	6 00
For Blackwood and one Review,	7 00
For Blackwood and two Reviews,	9 00

N. B.—The price in Great Britain of the five Periodicals above named is about \$31 per annum.

As we shall never again be likely to offer such inducements as those here presented, Now is the time to subscribe! Remittances must, in all cases, be made direct to the Publishers, for at these prices no commission can be allowed to agents.

"NO SUCH WORD AS FAIL!" A RESISTLESS REMEDY.

HOLLOWAY'S OINTMENT. Circular to the Sick. THE first hospital surgeons and medical publicists of Europe, admit the unparalleled anti-inflammatory and healing properties of this Ointment; governments sanction its use in their naval and military services; and the masses in this country and throughout the world possess the utmost confidence in its curative properties. It penetrates the sources of inflammation and corruption which underlie the external evidences of disease, and neutralize the fiery elements which feed and exacerbate the malady. RHEUMATISM, SCROFULA, ERY-SIPLAS.

These are among the most terrible and agonizing diseases of the muscles, the fleshy globe and the skin; yet in their worst forms, and when seemingly incurable, they invariably disappear under a persevering application of this soothing, healing antidote to pain and inflammation. SALT RHEUM, FEVER SORES, STIFF JOINTS.

In cases of Salt Rheum, where medical waters, lotions, and every recipe of the pharmacopoeia have proved useless, the Ointment will accomplish a thorough cure. Fever Sores best quickly under its influence, and its relieving effect upon contracting sinews is truly wonderful.

DISCHARGING ULCERS. A most remarkable and happy change is produced in the appearance of malignant ulcers after a few applications of this Ointment. The surrounding redness vanishes, and granules of healthy flesh begin to take the place of the discharged matter. This process goes on more or less rapidly, until the surface is filled up with sound material, and the ulcer radically cured.

A WORD TO MOTHERS. The young are the most frequent sufferers from external injuries, and therefore every mother should have this healing preparation constantly on hand. It is an absolute specific for sore breasts, and quickly removes the encrusted sores which sometimes disfigure the heads and faces of children.

SIGNIFICANT FACTS. This Ointment is universally used on board the Atlantic and Pacific whaling fleets as a cure for scrofulic affections and as the best possible remedy for wounds and bruises. Large supplies of it have recently been ordered by the Sultan of Turkey for hospital purposes. Both the Ointment and Pills should be used in the following cases:

- Bunions, Skin Diseases,
- Burns, Swelled Glands,
- Chapped Hands, Sore Legs,
- Chilblains, Sore Breasts,
- Fistula, Sore Heads,
- Gout, Sore Throats,
- Lumbago, Sore of all kinds,
- Mercurial Eruptions, Sprains,
- Piles, Stiff Joints,
- Rheumatism, Tetter,
- Ringworm, Ulcers,
- Salt Rheum, Venereal Sores.
