

WHITE TEETH, PERFUMED BREATH AND BEAUTIFUL COMPLEXION—can be acquired by using the "**Balm of a Thousand Flowers**." What lady or gentleman would remain under the curse of a disagreeable breath, when by using the "**Balm of a Thousand Flowers**" as a dentifrice, would not only render it sweet, but leave the teeth as white as alabaster? Many persons do not know their breath is bad, and the subject is so delicate that their friends will never mention it. Beware of counterfeits. Be sure each bottle is signed "**FETRIDGE & CO., N. Y.**" For sale by all Druggists.

BARLEY WITHOUT BEARDS!!
It is even so. A variety of barley has been discovered in the gulches of the Himalayan Mountains, entirely free from those annoying and poisonous beards, attached to all our common varieties. The undersigned obtained 7 grains of this new variety three years ago, and being much pleased with its general appearance and productiveness, has spared no means to produce this small quantity as fast as the Shagbush and other birds would allow.

Its merits for grading or malting have not been tested, and the quantity is now too small to squander in that way, when every titler of the soil who sees it, is anxious to have a valuable acquisition. I have sufficient however, to furnish all persons interested who will be likely to see this notice, with one head each, containing 30 to 60 grains. Send me your address, on a stamped envelope and I will enclose a head by return mail, with printed instructions for cultivating in a way to insure a large return from a small quantity of seed. Should this new variety be found to answer all the purposes of the common barley, a few years will suffice to drive the "Barley Beards" from the country. Should any person desire more than the one head, I will send a package of 700 to 800 grains, secured by express, by mail post paid for 25 cts. accompanied with a few heads to prove the fact of its being beardless.

"NO SUCH WORD AS FAIL." A RESISTLESS REMEDY.

HOLLOWAY'S OINTMENT.
Circular to the Sick.
THE first hospital surgeons and medical publishers in Europe, admit the unparalleled anti-inflammatory and healing properties of this Ointment; governments sanction its use in their naval and military services; and the masses in this country and throughout the world repose the most confidence in its curative properties. It penetrates the sources of inflammation and corruption which underline the external evidences of disease, and neutralize the fiery elements which feed and exacerbate the malady.

RHEUMATISM, SCROFULA, ERY-SIPELAS.
These are among the most terrible and agonizing diseases of the muscles, the fleshy fibre and the skin; yet in their worst form, and when seemingly incurable, they invariably disappear under a persevering application of this soothing, healing ointment to pain and inflammation.

SALT RHEUM, FEVER SORES, STIFF JOINTS.
In cases of Salt Rheum, where medical waters, lotions, and every recipe of the pharmacopoeia have proved useless, the Ointment will accomplish a thorough cure. Fever Sores heal quickly under its influence, and its relaxing effect upon contracted sinews is truly wonderful.

DISCHARGING ULCERS.
A most remarkable and happy change is produced in the appearance of discharging Ulcers after a few applications of this Ointment. The surrounding redness vanishes, and granules of healthy flesh begin to take the place of the discharged matter. This process goes on more or less rapidly, until the ulcer is filled up with sound material, and the ulcer entirely cured.

A WORD TO MOTHERS.
The young are the most frequent sufferers from external injuries, and therefore every mother should have this healing preparation constantly on hand. It is an absolute specific for sore breasts and quickly removes the encrusted scabs which sometimes disfigure the heads and faces of children.
