PRICE TWENTY-FIVE CENTS.

The Author of the above volume is a graduste of one or the first medical schools in the United States, and having devoted a quarter of a century to the study and treatment of Nyphilis and kindred disorders as a speciality, he has become possessed of most invaluable information in regard to the same, and is able to compass into vade mecum compass the very quintessence of medical science on this important subject; as the result of the experience of the most eminent physician in Europe and America is thoroughly demonstrated in his own highly successful practice in the treatment of secret diseases in many thousands of cares in the City of Philadelphia alone.

The tractice of Dr. Hunter has long boen, and still is literally unbounded, but at the earnest solicitation of numerous persons, he has been induced to extend the sphere of his professional usefulness to the community at large, through the medium of his "Medi al Manual Hand-Book for the Affliced."
