**SUFFER NOT, WHEN A PERMANENT CURE IS GUARANTEED IN ALL CASES OF SECRET DISEASES, SELF ABUSE, NERVOUS DEBILITY, STRICTURES, GLEETS, GRAVEL, MERCURIAL RHEUMATISM, SCROFULA, PAINS IN THE ANKLES AND BONES, DISEASES OF THE THROAT, NOSE AND EYES, ULCERS UPON THE BODY, FEMALE IRREGULARITIES, AND ALL OTHER IMPROPER DISCHARGES, NO MATTER HOW LONG STANDING, OR OBSTINATE THE CASE, RECOVERY IS CERTAIN, AND IN A SHORTER TIME THAN A PERMANENT CURE COULD BE EFFECTED BY ANY OTHER TREATMENT, EVEN AFTER THE SKILL OF THE MOST EMINENT PHYSICIANS HAD FAILED, AND THE DISEASE RESISTED ALL OTHER MEANS OF CURE. THE REMEDIES ARE FREE FROM OIL, CAUSING NEITHER SICKNESS NOR INCONVENIENCE, AND WITHOUT MERCURY OR BALSAEM.**

During twenty years' practice, I have restored to health over seventeen thousand patients, who were suffering under the worst forms of all the above mentioned diseases, which guarantees me in promising a perfect and most speedy cure. Secret diseases are the greatest enemies to health and happiness, as they are the first cause of consumption, scrofula, &c., and should be a terror to all mankind, for the disease is becoming so common, and treatment so little understood, that a permanent cure is scarcely ever effected, as a majority of the cases fall into the hands of incompetent persons, who not only fail to cure the malady, but ruin the constitution with corrosive substances. A permanent cure is dependent on mercury—which, with the remains of disease in the system, produces many of the above named affections, which finally terminate in consumption, and frequently a rapid one; but should it not cause death speedily, the victim to disease marries, the disease is then conveyed to the issue, and to the children, causing them to come into the world with scrofula, affections of the skin, eyes, throat, &c., and again terminates in consumption, and consigns his victim to an untimely grave, between the ages of six months and thirty-five years. Self-abuse is another formidable enemy to health; it depletes the nervous system, rapidly wasting away the energies of life, causing mental derangement, preventing a proper development of the system, and disqualifying its victim for marriage, society, business, and all earthly happiness. Female irregularities and other diseases of the system, in the most skillful and scientific manner. Medicines, with directions, sent to any part of the United States and Canada, by patients communicating their symptoms by letter.

**LOTTERIES.**

The well-known Maryland Consolidated Lotteries, of which R. FRANCE & Co. are the managers, are chartered by the State of Maryland, and a commissioner elected by the people, who is sworn to superintend and certify that everything connected with them is done in a strictly honorable manner, and that the interests of parties residing at a distance are as well protected as if they themselves were present at the drawing. Another fact which the managers call attention to, is that all persons have a legal right to send orders for tickets to Maryland, as lotteries are legalized by special law in that State. A lottery is drawn every day of the month. If no particular class is named, orders are filled in the first drawing to take place after the communication comes to hand. The prices of tickets vary from \$1 to \$20. No tickets are, however, sent unless the money for the same is received with the order. The drawings are upon the principle of one number on each ticket (after the Havana plan), and certain prizes are named. Prizes vary in amount from \$20 to \$100,000. All orders for tickets or packages will receive prompt attention, and the drawing mailed to all purchasers immediately after it is over. Address,
