SUFFER NOT, WHEN A PERMANENT cure is guaranteed in all stages of SECRET diseases, Self Abuse, Nervous Debility, Strictures, Gleets, Gravel, Mercurial Rheumatism, Scrofula, Pains in the Ankles and Bones, Diseases of the Throat, Nose and Eyes, Ulcers upon the Body, Female Irregularities, and all other improper discharges, no matter of how long standing, or obstinate the case, recovery is certain, and in a shorter time than a permanent cure could be effected by any other treatment, even after the skill of the most eminent physicians had failed, and the disease resisted all other means of cure. The remedies are free from odor, causing neither sickness nor inconvenience, and without mercury or balsam.—During twenty years' practice, I have restored to health over seventeen thousand patients, who were suffering under the worst forms of all of the above mentioned diseases, which guarantees me in promising a perfect and most speedy cure. Secret diseases are the greatest enemies to health and happiness, as they are the first cause of consumption, scrofula, &c., and should be a terror to all nations on the earth; for the disease is becoming so common, and treatment so little understood, that a permanent cure is scarcely ever effected, as a majority of the cases fall into the hands of incompetent persons, who not only fail to cure the malady, but ruin the constitution with corrosive sublimate—a dangerous poison, a preparation of mercury—which, with the remains of disease in the system, produces many of the above named affections, which finally terminate in consumption, and frequently a rapid one; but should it not cause death speedily, and the victim to disease marries, the disease is then conveyed from the patient to the children, causing them to come into the world with scrofula, affections of the skin, eyes, throat, &c., and again terminates in consumption, and consigns his victim to an untimely grave, between the ages of six months and thirty-five years. Self-abuse is another formidable enemy to health; it destroys the nervous system, rapidly wasting away the energies of life, causing mental derangement, preventing a proper development of the system, and disqualifying its victim for marriage, society, business, and all earthly happiness. Female Irregularities and other diseases of females treated in the most skillful and scientific manner. Medicines, with directions, sent to any part of the United States and Canadas, by patients communicating their symptoms by letter.

LOTTERIES.

THE well-known Maryland Consolidated Lotteries, of which R. FRANCE & Co. are the managers, are chartered by the state of Maryland, and a commissioner elected by the people, who is sworn to superintend and certify that everything connected with them is done in a strictly honorable manner, and that the interests of parties who reside at a distance are as well protected as if they themselves were present at the drawing.—Another fact which the managers call attention to, is, that all persons have a legal right to send orders for tickets to Maryland, as lotteries are legalized by special law in that state. A lottery is drawn every day of the month. If no particular class is named, orders are filled in the first drawing to take place after the communication comes to hand. The prices of tickets vary from $1 to $20. No tickets are, however, sent unless the money for the same is received with the order. The drawings are upon the principle of one number on each ticket (after the Havana plan,) and Ternary combination. Prizes vary in amount from $20 to $100,000. All orders for tickets or packages will receive prompt attention, and the drawing mailed to all purchasers immediately after it is over.

NO SUCH WORD AS FAIL.

A RESISTLESS REMEDY.

HOLLOWAY'S OINTMENT.

Circular to the Sick.

THE first hospital surgeons and medical publicists of Europe, admit the unparalleled anti-inflammatory and healing properties of this Ointment; governments sanction its use in their naval and military services; and the masses in this country and throughout the world repose the utmost confidence in its curative properties. It penetrates the sources of inflammation and corruption which underlie the external evidences of disease, and neutralize the fiery elements which feed and exasperate the malady.

RHEUMATISM, SCROFULA, ERYSIPELAS.

These are among the most terrible and agonizing diseases of the muscles, the fleshy fibre and the skin; yet in their worst forms, and when seemingly incurable they invariably disappear under a persevering application of this soothing, healing antidote to pain and inflammation.

SALT RHEUM, FEVER SORES, STIFF JOINTS.

In cases of Salt Rheum, where medical waters, lotions, and every recipe of the pharmacopœa have proved useless, the Ointment will accomplish a thorough cure. Fever Sores heal quickly under its influence, and its relaxing effect upon contracted sinews is truly wonderful.

DISCHARGING ULCERS.

A most remarkable and happy change is produced in the appearance of malignant ulcers after a few applications of this Ointment. The surrounding redness vanishes, and granules of healthy flesh begin to take the place of the discharged matter. This process goes on more or less rapidly, until the orifice is filled up with sound material and the ulcer radically cured.

A WORD TO MOTHERS.

The young are the most frequent sufferers from external injuries, and therefore every mother should have this healing preparation constantly on hand. It is an absolute specific for sore breasts, and quickly removes the encrusted sores which sometimes disfigure the heads and faces of children.

SIGNIFICANT FACTS,

This Ointment is universally used on board the Atlantic and Pacific whaling fleet as a cure for scorbutic affections, and as the best possible remedy for wounds and bruises. Large supplies of it have recently been ordered by the Sultan of Turkey for hospital purposes.

Both the Ointment and Pills should be used in the following cases:

Bunions,	Skin Diseases,
Burns,	Swelled Glands,
Chapped Hands,	Sore Legs,
