SUFFER NOT, WHEN A PERSON IS GUARANTEED IN ALL STAGES OF SECRET DISEASES.

Secret Diseases, Self-Abuse, Nervous Debility, Stricture, Gleet, Gravel, Mercerial Rheumatism, Scrofula, Pains in the Ankles and Bones, Diseases of the Throat, Nose and Eyes, Ulcers upon the Body, Female Irregularities, and all other impure discharges, no matter of how long standing, or obstinate the case, recovery is certain, and in a shorter time than a permanent cure could be effected by any other treatment, even after the skill of the most eminent physicians had failed, and the disease resisted all other means of cure. The remedies are first from above, causing neither sickness nor inconvenience, and without mercury or balsam.—During twenty years' practice, I have restored to health over seventeen thousand patients, who were suffering under the worst forms of all the above mentioned diseases, which guarantees me promising a perfect and permanent cure. Secret diseases are the greatest enemies to health and happiness, as they are the first cause of consumption, scrofula, &c., and should be a terror to all nations on the earth; for the disease is becoming so common, and treatment so little understood, that a proper course of steady and judicious treatment in consumption, and frequently a rapid one; but should it not cause death speedily, and the victim to disease marries, the disease is then conveyed from the patient to the children, causing them to come into the world above nursing, a profuse mucus from the throat, and terminating in consumption, and consigns his victim to an untimely grave, between the ages of six months and thirty-five years. Self-abuse is another formidable enemy to health; it destroys the nervous system, rapidly wasting away the energies of life, causing mental derangement, preventing a proper development of the system, and disqualifying its victim for marriage, society, business, and all earthly happiness. Female irregularities and other diseases of females treated in the most skillful and scientific manner. Medicines, with directions, sent to any part of the United States and Canada, and patients communicating by letter.

LOTTERIES. THE well-known Maryland Consolidated Lotteries, of which R. FRANCE & Co. are the managers, are chartered by the state of Maryland, and are now open for subscription, and certify that everything connected with them is done in a strictly honorable manner, and that the interests of parties who reside at a distance are as well protected as if they themselves were present at the drawing.—Another fact which the managers call attention to, is that all persons having a legal right to send orders for tickets to Maryland, as lotteries are legalized by special law in that state. A lottery is drawn every day of the month. If no particular class is named, orders are filled in the first drawing to take place after the communication comes to hand. The prices of tickets vary from \$1 to \$20. No tickets are, however, sent unless the money for the same is received with the order. The drawings are upon the principle of one number on each ticket (after the Havana plan), and Tertiary combination. Prizes vary in amount from \$20 to \$100,000. All orders for tickets or packages will receive prompt attention, and the drawing made to all purchasers immediately after it is over.
