

BOSTON MORALS—The Dalton divorce case is still before the Boston court, and a very dirty case it is. It is a little curious that Boston, the metropolis of the Puritans, should have so many indecent exposures in its courts. They have been the main staple of the newspapers for weeks past; even some of the most respectable think this kind of garbage is proper mental aliment for their readers. Tastes differ, but a filthy stream can hardly yield wholesome beverage.

HOLLOWAY'S OINTMENT AND PILLS—Dropsical swellings in the limbs are uniformly reduced by the application of this Ointment. It must be briskly rubbed in, and in these and all other cases of external disease or injury, it is advisable to foment the part affected with warm water before using the preparation. As a cure for sore breasts, its effects are wonderful. In ten minutes after lubricating the inflamed or ulcerated nipple, the pain and throbbing cease. Every species of sore, boil, tumor or eruption, yields readily to its soothing, healing, disinfecting influence, and, in fact, its sensitive effect on superficial maladies is only equalled by that of Holloway's Pills on all internal disorders.

WOODLAND CREAM—A Pomade for beautifying the Hair—highly perfumed, superior to any French article imported, and for half the price. For dressing Ladies Hair it has no equal, giving it a bright glossy appearance. It causes Gentlemen's Hair to curl in the most natural manner. It removes dandruff, always giving the hair the appearance of being fresh shampooed. Price only fifty cents. None genuine unless signed FETTRIDGE & CO., Proprietors of the "Balm of a thousand Flowers." For sale by all Druggists. New York.

A NEW DEMOCRATIC PAPER
AT WASHINGTON, D. C.
Daily, Tri-Weekly and Weekly.
THE undersigned will commence the publication of an independent, national, democratic paper, in the city of Washington, on the first of April, to be called
"The States."
It will represent the second constitutional principle which have ever been upheld by the national democracy, but it will not be so entirely political, that its columns will interest the politician exclusively, nor so subservient to party as to betray principle at the command of power, or disguise its convictions at the suggestion of expediency.
In addition to the discussion of important political questions, its columns will be devoted to the proceedings of Congress, the current transactions of the government, to general news, and matters of interest relating to literature, agriculture and commerce.

TERMS OF SUBSCRIPTION.—The daily will be mailed to subscribers at \$4.00 per annum, two copies will be forwarded for \$7.00. The Tri-weekly, embracing all the reading matter which appears in the Daily, will be furnished to subscribers at \$3.00 per annum; two copies will be mailed for \$5.00. The Weekly—The clearest paper in the South. The Weekly will be issued in large double sheet form, and printed on superior paper with handsome bold type at the following rates:
Single copies, \$2.00 per year.
Two copies, 3.00 "
Five copies, 7.00 "
Ten copies to one address, and any larger number at the rate of \$1 per year, \$10.
Ten copies to the address of each subscriber, and any larger number at \$1.20 each, \$12.
Postmaster, clerk, or other person, who may send five subscribers, with \$7 enclosed, shall receive an extra copy.
Payment in all cases is required invariably in advance, and no paper will be forwarded until the receipt of the money.
The undersigned was one of the original proprietors of the Washington Union, and his long newspaper experience before and since the establishment of that paper, justifies him in promising that the States will be worthy of their patronage. The States will not be the organ of any clique or faction, and with no partial purpose to serve, the paper will address itself to the honest judgment of the people, and for support will rely upon their appreciation.
Address J. P. HEISS, Washington, D. C.

**SUFFER NOT, WHEN A PERMANENT CURE IS GUARANTEED IN ALL STAGES OF SECRET DISEASES, Self Abuse, Nervous Debility, Stricture, Gleet, Gravel, Mercurial Rheumatism, Scrofula, Pains in the Ankles, Bone Diseases, Catarrh of the Throat, Nose and Eyes, Ulcers upon the Body, Female Irregularities, and all other impure discharges, no matter of how long standing, or obstinate the case, recovery is certain, and in a shorter time than a permanent cure could be effected by any other treatment, even after the skill of the most eminent physicians, and the failure of all the disease remedial all other means of cure. The remedies are free from odor, causing neither sickness nor inconvenience, and without mercury or balsam.—During twenty years' practice, I have restored to health over seventeen thousand patients, who were suffering under the worst forms of the above mentioned diseases, which guarantees me in promising a perfect and most speedy cure. Secret diseases are the greatest enemies to health and happiness, as they are the first cause of consumption, scrofula, &c., and should be a terror to all nations on the earth; for the disease, if not cured, becomes a permanent one, so little understood, that a permanent cure is scarcely ever effected, as a majority of the cases fall into the hands of incompetent persons, who not only fail to cure the malady, but ruin the constitution with corrosive and limy medicines, and a mercurial preparation of mercury—which, with the remains of disease in the system, produces many of the above named affections, which finally terminate in consumption, and frequently a rapid one; but should it not cause death speedily, and the victim to disease marries, the disease is then conveyed from the patient to the child, and causes them to come into the world with scrofula, affections of the skin, eyes, throat, &c., and again terminates in consumption, and consigns his victim to an untimely grave, between the ages of six months and thirty-five years. Self-abuse is another formidable enemy to health; it destroys the vitality of the system, and deprives the energies of life, causing mental derangement, preventing a proper development of the system, and disqualifying its victim for marriage, society, business, and all earthly happiness. Female irregularities and other diseases of females treated in the most skillful and scientific manner, and with the best directions, sent to any part of the United States and Canada, by patients communicating their symptoms by letter.
J. SUMMERVILLE, M. D., Box 53, Post Office; Filbert Street, below Tenth, Philadelphia, Pa.**

LOTTERIES.
THE well-known Maryland Consolidated Lotteries, of which R. FRANCE & Co. are the managers, are chartered by the state of Maryland, and a commissioner elected by the people, who is sworn to superintend and certify that everything connected with them is done in a strictly honorable manner, and that the interests of parties who reside at a distance are as well protected as if they themselves were present at the drawing.—Another fact which the managers call attention to, is that all persons have a legal right to send orders for tickets to Maryland, as lotteries are legal in that state, and in that state. A lottery is drawn every day of the month. If no particular class is named, orders are filled in the first drawing to take place after the communication comes to hand. The prices of tickets vary from \$1 to \$20. No tickets are, however, sent unless the money for the same is received with the order. The drawings are upon the principle of one number on each ticket (after the Havana plan), and Tertiary combination. Prizes vary in amount from \$20 to \$100,000. All orders for tickets or packages will receive prompt attention, and the drawing mailed to all purchasers immediately after it is over.

The Medicine of the Million.
PHILOSOPHY AND FACT.

HOLLOWAY'S PILLS.
The Exciting Cause of Sickness.
The blood is the life sustaining agent. It furnishes the components of flesh, bone, muscle, nerve and integument. The stomach is its manufactory, the veins its distributors, and the intestines the channel through which the waste matter rejected in its productions is expelled. Upon the stomach, the circulation and the bowels, these Pills set simultaneously, relieving indigestion, purifying the fluids, and regulating the excretions.
THE NATIONAL COMPLAINT.
Dyspepsia is the most common disease among all classes in this country. It assumes a thousand shapes, and is the primary source of innumerable dangerous maladies; but whatever its type or symptoms, however obdurate its resistance to ordinary preparations, it yields readily and rapidly to this searching and unerring remedy.
BILIOUS AFFECTIONS.
The quantity and quality of the bile are of vital importance to health. Upon the liver the gland which secretes this fluid, these Pills operate specifically, infallibly rectifying its irregularities, and effectually curing Jaundice, Bilious Remittent, &c. The varieties of disease generated by an unnatural condition of the organ.

BOWEL COMPLAINTS.
Unless the bowels perform their functions properly, the whole body suffers. Tens of thousands are annually afflicted with Dysentery, Diarrhoea, Chronic Constipation, and other diseases of these waste pipes of the system. The effect of the Pills upon all intestinal disorders, whether casual or epidemic, is a phenomenon in medicine.
