

**ROBBERY.**  
Our town was visited during Sunday night last, by a set of nocturnal visitors, the absence of whose company is much preferred.

The Clothing Store of P. Shively, on Penn Avenue was entered, and goods and Clothing extracted to the amount of Two Thousand Dollars. Mr. Shively had returned from the city a day or two previously, and his shelves in consequence of the large additions, presented a rare chance for an easy investment in the Clothing business, by an enterprising set of men.

The door was unlocked, and it being of a complicated pattern, it is evident that the robbery was premeditated about all things preparatory for the bold and successful attempt fully arranged. A glass lamp, hanging in the sale's room was broken, and blood remaining on the floor, probably from cuts made of stepping on the broken pieces of glass.

There was the impress of wagon wheels in front of the Store, thus indicating that the goods were conveyed out of town, or else a decoy to prevent a general and accurate search within the limits of Bloomsburg, until at such time when they might be with safety conveyed away.

Charles Payne lost near a hundred Shad on his Sial, which induces the belief that one, if not all engaged in the Robbery were well acquainted with the premises they visited.

The Alhambra Saloon, kept by P. Bloom was also visited on the same night, but the door was fastened in a manner to balk them.

Two hundred dollars reward has been offered for the detection of those engaged in the robbery. The whole matter is still shrouded in mystery, and it may take months to find out the guilty parties, and possibly they may never be detected.

**Special Notices.**  
**Holloway's Ointment and Pills.**—The idea that cancer is incurable cannot be entertained by persons who have witnessed the effect of these remedies on this terrible disease. The ointment penetrates to the seat of the cancer, and reaches its minutest ramifications in the flesh, checking its progress, and gradually restoring the parts affected to a sound condition, while the pills acting upon the blood as a powerful detergent, destroy the seeds of the malignity in the circulation. The testimony on this head is abundant and conclusive.

**WHITE TEETH, PERFUMED BREATH AND BEAUTIFUL COMPLEXION.**—can be acquired by using the "Balm of a Thousand Flowers." What lady or gentleman would remain under the curse of a disagreeable breath, when by using the "Balm of a Thousand Flowers" as a dentifrice, would not only render it sweet, but leave the teeth as white as alabaster? Many persons do not know their breath is bad, and the sufferer, when their friends will never mention it. Beware of counterfeits. Be sure each bottle is signed FETRIDGE & CO., N. Y.

**AYER'S PILLS.**  
ARE YOU SICK?  
THEN you can't be cured too soon. Don't delay until your complaint is incurable, and then mourn when it is too late. Four fifths of all the diseases which people the church yards, might be cured by Ayer's Cathartic Pills. If taken in season. Don't go dragging through the Spring, faint, sleepless and listless, because your blood is loaded with bile. Don't wear the headache, heart-burn, and their kindred disorders, because your stomach is foul. Don't parade yourself around the world, covered with pimples, blotches, ulcers, sores, and all or any of the unclean diseases of the skin, because your system wants cleansing. Don't show yourself about lean, haggard, and careworn, because your Soreach and Bowels need strengthening into healthy action. Ayer's Pills do these things right as surely as water quenches fire. They purify the body and blood, and restore their functions into healthy activity which you can feel as quick as they are taken. They are the one great medicinal wonder of the age, recognized by all who know their virtue, and many thousand know them. Take the Cherry Pectoral for a cough, and the Pills for all derangements requiring a purgative medicine.

Prepared by JAMES C. AYER, Practical and Analytical Chemist, Lowell, Mass.—and sold by E. P. Lutz and all Druggists in Bloomsburg, and by Dealers in Medicine everywhere.

The important fact that the many alarming complaints, originating in the imprudence and intemperance of youth, may be easily removed without Medicine, is in this small tract, clearly demonstrated, and the entirely new and highly successful treatment, as adopted by the Author, fully explained, by means of which every one is enabled to cure himself perfectly and at the least possible cost, thereby avoiding all the advertised nostrums of the day.

A RESISTLESS REMEDY.

**HOLLOWAY'S OINTMENT.**

**Circular to the Sick.**  
THE first hospital surgeons and medical publicists of Europe, admit the unparalleled anti-inflammatory and healing properties of this Ointment; governments sanction its use in their naval and military services; and the masses in this country and throughout the world repose the utmost confidence in its curative properties. It penetrates the sources of inflammation and corruption which underlie the external evidences of disease, and neutralizing the fiery elements which feed and exasperate the malady.

**RHEUMATISM, SCROFULA, ERY-SIPELAS.**

These are among the most terrible and agonizing diseases of the muscles, the fleshy skin and the skin; yet in their worst forms, and when seemingly incurable they invariably disappear under a persevering application of this soothing, healing antidote to pain and inflammation.

**SALT RHEUM, FEVER SORES, STIFF JOINTS,**  
In cases of Salt Rheum, where medical waters, lotions, and every recipe of the pharmacopoeia have proved useless, the Ointment will accomplish a thorough cure. It penetrates most quickly under its influence, and its relaxing effect upon contracted sinews is truly wonderful.

**DISCHARGING ULCERS.**  
A most remarkable and happy change is produced in the appearance of malignant ulcers after a few applications of this Ointment. The surrounding redness vanishes, and granules of healthy flesh begin to take the place of the discharged matter. This process goes on more or less rapidly, until the ulcer is filled up with sound material and the ulcer radically cured.

**A WORD TO MOTHERS.**  
The young are the most frequent sufferers from external injuries, and therefore every mother should have this healing preparation constantly on hand. It is an absolute specific for sore breasts, and quickly removes the encrusted sores which sometimes disfigure the heads of children.

**SIGNIFICANT FACTS.**  
This Ointment is universally used on board the Atlantic and Pacific whaling fleet as a cure for scrofulic affections and as the best possible remedy for wounds and bruises. Large supplies of it have recently been ordered by the Sultan of Turkey for hospital purposes. It is used in Both the Ointment and Pills should be used in the following cases:
