

The total number of emigrants sent to Liberia since the foundation of the American Colonization in 1820 is stated to be 9562, of whom 8676 were born free, and 5,500 emancipation with a view to emigration. This number does not include 1000 sent to "Maryland, in Liberia," by the American Colonization Society.

The receipts of the North Pennsylvania railroad for the four months ending the 1st inst. were \$56,398 74, against \$15,556 85 last year—an increase of \$40,841 89. The interest upon the bonds will be promptly paid.

More Emigrants.—There are now eleven ships on the way from Liverpool to Philadelphia, most of them having emigrants on board.

E. O. Perrin, Esq., announces that he goes to Kansas as a private citizen, and not as private Secretary of Gov. Walker, as has been stated.

Special Notices.

Holloway's Ointment and Pills.—Ulcers and sores drain the system of its vital energy. The diseased action is kept up by violent matter in the vessels of the glands and skin. This matter is neutralized by the disinfecting operation of the Ointment. The Pills cure indigestion in all its forms. Purchasers are hereby informed of a certain test as to the genuineness of these remedies: it is necessary to see that each leaf of the book of directions around each pot and box shows the words, "Holloway, New York and London," as a water-mark, in semi-transparent letters. All not thus authenticated are frauds.

AYER'S PILLS.

ARE YOU SICK?

THEN you can't be cured too soon. Don't delay until your complaint is incurable, and then mourn when it is too late. Four fifths of all the diseases which people the church yards, might be cured by Ayer's Cathartic Pills, if taken in season. Don't go dragging through the Spring, faint, sleepy and listless, because your blood is loaded with bile. Don't wear the headache, heart-burn, and their kindred disorders, because your stomach is foul. Don't parade yourself around the world, covered with pimples, blotches, ulcers, sores, and all or any of the mean diseases of the skin, because your system wants cleaning. Don't show yourself about lean, haggard, all caved in, because your Stomach and Bowels need strengthening into healthy action. Ayer's Pills set these things right as surely as water quenches fire. They purify the body and blood, and restore their functions into healthy activity which you can feel as quick as they are taken. They are the one great medical wonder of the age, recognized by all who know their virtues, and many thousand know them. Take the Cherry Pectoral for a cough, and the Pills for all derangements requiring a purgative medicine. Prepared by JAMES C. AYER, Practical and Analytical Chemist, Lowell, Mass.—and sold by E. P. Lutz and all Druggists in Bloomsburg, and by Dealers in Medicine everywhere. May 11, 1857-2m.

HERRING'S PATENT CHAMPION!

THE recent trials at Reading have endorsed the current opinion of the public, and confirmed the verdict of more than 200000 witnesses, proving conclusively that "Herring's" is the only safe that will not burn.

Extract from the Committee's Report on the Trial of Iron Safes at Reading: "On the 26th of February all the members of the Committee met to witness the Safes and locks and papers, (colored in theory) and were perfectly satisfied that all was right.—The day following, the burning took place, under the superintendence of the Committee. After a fair and impartial burning for five hours, the Safe of Messrs. Evans & Watson was first opened, the Safe being in fine condition, and the contents partially consumed, while the contents of the other Safes, Farrell's & Herring were in good condition, and no fire inside."

Reading, March 2, 1857. H. F. FELIX, P. N. COLEMAN, Com. A. H. PEACOCK. And endorsed by over 50 of the best men of the country.

The above Safes can be inspected at 34 Walnut Street, where the public can satisfy themselves of the great superiority of the "Herring's Patent Champion," over the defeated and used-up "inside Iron Door Salamander."

FARRELL'S & HERRING, 34 Walnut St., Philad'a.

Only makers in this State of Herring's Patent Champion Safes.

The attempt made by other parties to bolster up the reputation of a Safe which has failed signally in accidental fires in Philadelphia, (Ranstead Place,) by taking one out of an agent's store, (H. A. Lanz), made double thickness, (different from those they sell) to "burn up" one of Herring's, (half as thick) has met with its just reward. Herring's Safe could not be burnt, proving conclusively that the only reliable Safe now made is Herring's, of which over 15,000 are now in actual use, and more than 20,000 have been tried by fire without a single loss.

A NEW DEMOCRATIC PAPER AT WASHINGTON, D. C.

Daily, Tri-Weekly and Weekly. THE undersigned will commence the publication of an independent, national, democratic paper, in the city of Washington, on the first of April, to be called "The States."

It will represent the second constitutional principles which have ever been upheld by the national democracy, but it will not be so entirely political, that its columns will interest the politician exclusively, nor so subservient to party as to betray principle at the command of power, or disguise its convictions at the suggestions of expediency.

In addition to the discussion of important political questions, its columns will be devoted to the proceedings of Congress, the current transactions of the government, to general news, and matters of interest appertaining to literature, agriculture and commerce.

TERMS OF SUBSCRIPTION—The daily will be mailed to subscribers at \$1.00 per annum, two copies will be forwarded for \$7.00. The Tri-weekly, embracing all the reading matter which appears in the Daily, will be furnished to subscribers at \$3.00 per annum; two copies will be mailed for \$5.00. The Weekly, the cheapest paper in the South, will be issued in large double sheet form, and printed on superior paper with handsome bold type at the following rates: Single copies, \$2.00 per year. Two copies, 3.00 " Five copies, 7.00 " Ten copies to one address, and any larger number at the rate of \$1 per year, \$10.

Ten copies to the address of each subscriber, and any larger number at \$1.20 each, \$12. Any Postmaster, clerk, or other person, who may send five or more papers, with \$7 enclosed, shall receive an extra copy.

Payment in all cases is required invariably in advance, and no paper will be forwarded until the receipt of the money. The Weekly will contain all the important matter published during the week in the daily.

The undersigned was one of the original proprietors of the Washington Union, and his long newspaper experience before and since the establishment of that paper, justifies him in promising the public a paper well worthy of their patronage. The States will not be the organ of any clique or faction, and with special reference to serve the public, will address itself to the honest judgment of the people, and for support will rely upon their appreciation.

Address J. P. HEISS, Washington, D. C.

SUFFER NOT, WHEN A PERMANENT cure is guaranteed in all stages of SECRET diseases, Self Abuse, Nervous Debility, Stricture, Gleet, Gravel, Mercantile Rheumatism, Sciatica, Pain in the Ankles and Bones, Diseases of the Throat, Nose and Eyes, Ulcers upon the Body, Female Irregularities, and all other impure discharges, no matter of how long standing, or obstinate the case, recovery is certain, and in a shorter time than a permanent cure could be effected by any other method, even after the skill of the most eminent physicians has failed, and the disease rested all other means of cure. The remedies are free from odor, causing neither sickness nor inconvenience, and without mercury or balsam.—During twenty years' practice, I have restored to health over seventeen thousand patients, who were suffering under the worst forms of all the above mentioned diseases, which guarantees me in promising a perfect and most speedy cure. Secret diseases are the greatest enemies to health and happiness, as they are the first cause of consumption, scrofula, &c., and should be the terror to all nations on the earth; for the disease, if not cured, soon becomes chronic, and so little understood, that a permanent cure is scarcely ever effected, as a majority of the cases fall into the hands of incompetent persons, who not only fail to cure the malady, but ruin the constitution with corrosive sublimate, a dangerous poison, a preparation of mercury, which, in the treatment of disease in the system, produces many of the above named affections, which finally terminate in consumption, and frequently a rapid one; but should it not cause death speedily, it is then conveyed from the patient to the children, causing them to come into the world with scrofula, which is the skin, eyes, throat, &c., and again terminates in consumption, and consigns his victim to an untimely grave, between the ages of six months and thirty-five years. Self-abuse is another formidable enemy to health; it destroys the nervous system, rapidly wasting away the energies of life, causing mental derangement, preventing a proper development of the system, and disqualifying the patient for marriage, society, business, and all earthly happiness. Female Irregularities and other diseases of females treated in the most skillful and scientific manner. Medicines, with directions, sent to any part of the United States and Canada, by patients communicating to SUMMERVILLE, M. D., Box 53, Post Office, Filbert Street, below Tenth, Philadelphia, Pa.
