**SUFFER NOT, WHEN A PER-**  
 manent cure is guaranteed in all stages  
 of SECRET DISEASES, Self-Abuse, Nervous  
 Debility, Stricture, Gleet, Gravel, Mercurial  
 Rheumatism, Scrofula, Pains in the Ankles  
 and Bones, Diseases of the Throat, Nose and  
 Eyes, Ulcers upon the Body, Female Irregu-  
 larities, and all other improper discharges,  
 no matter of how long standing, or obstinate  
 the case, recovery is certain, and a salutary  
 cure, which a permanent cure could be effected  
 by any other treatment, even after the  
 skill of the most eminent physicians had  
 failed, and the disease resisted all other  
 means of cure. The remedies are free from  
 color causing neither sickness nor inconve-  
 nience, and without musty, heathly odors.  
 During twenty years' practice, I have re-  
 stored to health over seventeen thousand pa-  
 tients, who were suffering under the worst  
 forms of all the above mentioned dis-  
 eases, which guarantees me in promising a  
 perfect and most speedy cure. Secret dis-  
 eases are the greatest cause of mental and  
 happiness, as they are the first cause of con-  
 sumption, scrofula, &c., and should be a ter-  
 ror to all nations on the earth; for the dis-  
 ease is becoming so common, and treatment  
 so little understood, that a permanent cure is  
 scarcely ever effected, as a majority of the  
 cases fall into the hands of incompetent per-  
 sons, who, by their cure of a master, but  
 ruin the constitution with corrosive sublim-  
 e—a dangerous poison, a preparation  
 of mercury—which, with the remains of dis-  
 ease in the system, produces many of the  
 above named affections, which finally termi-  
 nate in consumption, and frequently a rapid  
 one, but should not be cured in a hasty man-  
 ner, as the victim to disease marries, the disease  
 is then conveyed from the patient to the chil-  
 dren, causing them to come into the world  
 with scrofula, affections of the skin, eyes,  
 throat, &c., and again terminates in con-  
 sumption, and consigns his victim to an un-  
 happy and painful end. Self-abuse is another  
 formidable enemy to health; it destroys the  
 nervous system, rapidly wasting away the  
 energies of life, causing mental derange-  
 ment, preventing a proper development of  
 the system, and disqualifying its victim for  
 marriage, society, business, and all earthly  
 enjoyments. Family intemperance and other  
 diseases of females treated in the most skilful  
 and scientific manner. Medicines, with  
 directions, sent to any part of the United  
 States and Canada, by patients communicat-  
 ing their symptoms by letter.

J. SUMMERVILLE, M. D., Box 53, Post  
 Office; Filbert Street, below Tenth, Phila-  
 delphia, Pa.

**LOTTERIES.**  
 THE well-known Maryland Consolidated  
 Lotteries, of which R. FRANCE & Co. are  
 the managers, are chartered by the state of  
 Maryland, and a commissioner elected by  
 the people, who is sworn to superintend and  
 certify that everything connected with them  
 is done in a strictly honest and legal man-  
 ner, and that the interests of parties who reside at a  
 distance are as well protected as if they  
 themselves were present at the drawing.—  
 Another fact which the managers call atten-  
 tion to, is, that all persons have a legal right  
 to send orders for tickets to Maryland, as  
 lotteries are legalized by special law in that  
 state. A lottery is drawn every day of the  
 month. If no particular class is named, or  
 orders are filled in the first drawing to take  
 place after the communication comes to  
 hand. The prices of tickets vary from \$1  
 to \$20. No tickets are, however, sent unless  
 the money for the same is received with the  
 order. The drawings are upon the principle  
 of one number on each ticket (after the Hav-  
 ana plan). Authenticity of the drawings  
 vary in amount from \$20 to \$100,000. All  
 orders for tickets or packages will receive  
 prompt attention, and the drawing mailed to  
 all purchasers immediately after it is over.

**HOLLOWAY'S PILLS.**  
**The Exciting Cause of Sickness.**  
 The blood is the life sustaining agent. It  
 furnishes the components of flesh, tone,  
 muscle, nerve and integument. The stomach  
 is its manufactory, the veins its distributors,  
 and the arteries the channel through which  
 the waste matter rejected in its productions  
 is expelled. Upon the stomach, the circula-  
 tion and the bowels, these Pills act simulta-  
 neously, relieving indigestion, purifying the  
 fluids, and regulating the excretions.

**THE NATIONAL COMPLAINT.**  
 Dyspepsia is the most common disease  
 among all classes in this country. It assumes  
 a thousand shapes, and is the primary source  
 of innumerable dangerous maladies; but  
 whatever its type or symptoms, however ob-  
 stinate its resistance to ordinary preparations,  
 it yields readily and rapidly to this searching  
 and unerring remedy.

**BILIOUS AFFECTIONS.**  
 The quantity and quality of the bile are of  
 vital importance to health. Upon the liver,  
 the gland which secretes this fluid, these  
 Pills operate specifically, infallibly rectifying  
 its irregularities, and effectually curing Jaun-  
 dice, Bilious Hemorrhoids, and all the varieties  
 of disease generated by an unnatural condi-  
 tion of the organ.

**BOWEL COMPLAINTS.**  
 Unless the bowels perform their functions  
 properly, the whole body suffers. Tens of  
 thousands die annually of Dysentery, Diar-  
 rhea, Chronic constipation, and other dis-  
 eases of these waste pipes of the system.—  
 The effect of the Pills upon all intestinal dis-  
 orders, whether casual or epidemic, is a  
 phenomenon in the medicinal world. The cir-  
 culated directions, the most alarming cases  
 of bowel complaint are promptly controlled.

**A Word to Females.**  
 The local debility and irregularities which  
 are the especial annoyances of the weaker  
 sex, and which, when neglected, always  
 shorten life, are relieved for the time being,  
 and prevented for the time to come, by a  
 course of this mild but thorough alterative.

**HOLLOWAY'S PILLS**

 ing the leaf to the light. A handsome reward
