These are among the most terrible and agonizing diseases of the muscles, the fleshy fibre and the skin; yet in their worst form, and when seemingly incurable they invariably disappear under a persevering application of this soothing, healing anodyne to pain and inflammation.

THE young are the most frequent sufferers from external injuries, and therefore every mother should have this healing preparation constantly on hand. It is an absolute specific for sore breasts, and quickly removes the encrusted sores which sometimes disgrace the heads and faces of children.
