BRIERGREEK,

of raising the heoviest crops, owing to which this continent has obtained its present great prosperty.

Srown—It is the centre of the great North West Coal Basin, and is destined soon to become one of the greatest business I laces in the State. It will supply the great Lake market, (according to the population and trivef the greatest in the Union.) It has five work, able veins of the best Bituminous coal, smounting in the eggregate to over 22 feet, which makes 22 QUO tens of coal under each seet, This will make the land of inestimable value. The empinent geologist Dr. Chas. T. Jackson of Boston, has made a geological survey of the land, and analysed the coal, the iron ore and limetone. This report together with maps will be furnished to inquirers.

Fourner—Three Railgands are laid out thro this property. The Sunburv and Eric Railroad gives us a market for our coal to the lakes—it running order. A heavy force is now working from Eric towards our land in the western direction, the means for the completion of which has been raised, it will soon be finished. The Alleghony Valley Railroad cannects us with New York, Boston and Pittsburg. The Venango Road connects us with the West.

There are already good Turnpike Roads numing through this property, various other roads have been opened to accommedate the emrgration and settlement which has already laken place.

There is no opportunity equal to it now of-Henry Traugh John G. Jacoby John Sharpless J. P. Fincher Casper Rahn Solomon Rein

Jesse Hicks G. H. Fowler Charles H. Hess & Co. Samuel Landback

seeds have been opened to accommedate the corresponding settlement which has aheady also in the competition and settlement which has a heady in the competition and settlement which has a settlement which has been live in property and independence of the man who wants to provide himself for the man who wants to make a them. It is not like going to be betwoods of the West, smoop perhaps statement people, where the price of land is statement people, where the price of land is statement people, where the price of land is the healthtest climate in the world, has to the healthtest climate in the world, has to the healthtest climate in the world, has to cold the healthtest climate in the world, has to the health health his family. But here is a thread that of his family. But here is a thread that of his family. But here is a thread that of his family. But here is a thread that of his family. But here is a thread that of his family. But here is a thread that of his family. But here is a thread that of his family desired. There has been sent that the cost it will be a search as the search as a true of lands. But here is a state of the read that he want time, ewing to the cost it will be a search who do not wish to go there, the payments have been also have the his they can easily buy a farm to have their tising families from want in the interior of which a competence by the rise which will take place in the value of lands. By an outlay schooley missed, a sobetantial provision can be trude.

THE NATIONAL COMPLAYNT. Dyspepsia is the most common disease immon all classes in this country. It assumes a thousand shapes, and is the primary source of innumerable dangerous maladies; but whatever its type or symptoms, however obtained its resistance to ordinary preparations, tyields readily and rapidly to this searching and unerring remedy.

BILIOUS AFFECTIONS.

The quantity and quality of the bile are of vital importance to health. Upon the liver, the gland which sceretes the fluid, these pile open the specifically, infallibly rectifying its irregularities, and effectually curing Jaunice, Bilious Remittants, and all the varieties of disease generated by an unontural condition of the organ.

BOWEL COMPLAINTS.

Unless the bowels perform their functions properly, the whole body suffers. Teas of thousands die annually of Dysentery, Diardea, Chronic consumption, and other discusses of these waste pipes of the system.—The effect of the Pills upon all intestinal discusses, whether casual or epidemic, is a phenomenon in medicine. By following the printed directions, the most alarming cases of bowel complaint are promptly controlled.

A Word to Fernales.

The local Jeblity and irregularities which are the especial aunoyances of the weaker sex, and which, when neglected, slways shorten life, are relieved for the time being, and pravented for the time to come, by a course of this mild but thorough alterative.
