

TO THOSE WHO WANT FARMS.

A firm within the reach of every man. THE RIDGWAY FARM COMPANY has made arrangements by which all who desire to settle or purchase a home can do so.

The Farms consist of the best limestone soil of the most superior quality for farming, in a rapidly improving place, into which an extensive emigration is now pouring.

Considering the advantages of emigrating to this locality the following are the principal features:—The soil is a rich limestone, capable of raising the heaviest crops, owing to which this settlement has obtained its present great prosperity.

There are already good Turnpike Roads running through this property, various other roads have been opened to accommodate the emigration and settlement which has already taken place.

There is no opportunity equal to it now offered to the man who wants to provide himself a home in an easy way, and make a settlement where he can live in prosperity and independence in a climate perfectly healthy.

No case of fever having been known to occur in this settlement. It is not like going to the backwoods of the West, among perhaps intolerant people, where there is no society, churches, or schools, where the price of land is high, and where the emigrant, after being used to the healthiest climate in the world, has to endure sickness and pain, and perhaps ruin his health and that of his family.

Persons should make early application, apply or write to E. Jeffries, Secretary, No. 135 Walnut Street, below Fifth, Philadelphia.—Letters carefully answered giving full information.

Shares or tracts of land can be bought or secured by letter enclosing the first installment of five dollars, when the subscriber will be furnished with books, maps, &c. Warrant Deeds given. Persons can also purchase from our Agents.

Route from Philadelphia to Tyrone on the Pennsylvania Central Railroad, and thence by stage to the land. This is a delightful season to visit St. Mary's—the best hotel accommodation is afforded. Enquire for E. C. Shultz, Esq., the Agent for the property at St. Mary's.

HOUSE OF ENTERTAINMENT AT RUPERT STATION. C. W. & W. SHANNON WILL furnish boarding and lodging to all persons at the Brick house near the RAILROAD STATION AT RUPERT—Passengers by Railroad or Packet-boat, travelers and all others can be accommodated.—They also keep a RESTAURANT adjoining the Station, for the convenience of the public. May 26, 1857. C. W. & W. SHANNON.

COOPERING. THE subscriber announces that he will carry on the COOPERING BUSINESS at his brewery in Hopkinton, where he will make BARRELS, TUBS, KEGS, and everything in that line of business. He will also repair work of all kinds, and will do it skillfully and at fair prices. CHARLES W. HASSERT, Bloomsburg, June 2, 1857.

SUFFER NOT, WHEN A PERMANENT

cure cure is guaranteed in all stages of SECRET disease, Self-Abuse, Nervous Debility, Stricture, Gleet, Gravel, Mercurial Rheumatism, Scrofula, Pains in the Ankles and Bones, Diseases of the Throat, Nose and Eyes, Ulcers upon the Body, Female Irregularities, and all other ailments arising from the use of low food, standing, or obtaining the case, recovery is certain, and in a shorter time than a permanent cure could be effected by any other treatment, even after the skill of the most eminent physicians had failed, and the disease resisted all other means of cure. The remedy is free from odor, causing neither sickness nor inconvenience, and without mercury or balsam.—During twenty years' practice, I have restored to health over seven thousand patients, who were suffering under the worst forms of all the above mentioned diseases, which guarantees me in promising a perfect and speedy cure. These diseases are the greatest enemies to health and happiness, as they are the first cause of consumption, scrofula, &c., and should be a terror to all nations on the earth; for the disease is becoming so common, and treatment so little understood, that a permanent cure is scarcely ever effected, and the patient, in many cases, falls into the hands of incompetent persons, who not only fail to cure the malady, but ruin the constitution with corrosive sublimate—a dangerous poison, a preparation of mercury—which, with the remains of disease in the system, produces many of the above named ailments, and finally terminates in consumption, and a most rapid one; but should it not cease speedily, and the victim to disease marries, the disease is then conveyed from the parent to the children, causing them to come into the world with scrofula, affections of the skin, eyes, throat, &c., and again continuing in consumption, and causing the children to die, or to be afflicted, between the ages of six months and thirty-five years. Self-abuse is another formidable enemy to health; it destroys the nervous system, rapidly wasting away the energies of life, causing mental derangement, preventing a proper development of the system, and exposing the victim for marriage to society, business, and all earthly happiness. Female Irregularities and other diseases of females treated in the most skillful and scientific manner. Medicines, with directions, sent to any part of the United States and Canada, by patients communicating their symptoms by letter. J. S. DYE, No. 2, Box 53, Post Office, Fifth Street, below Tenth, Philadelphia, Pa.

The Medicine of the Mill

HOLLOWAY'S PILLS. The Exciting Cause of Sickness. The blood is the life sustaining agent. It furnishes the components of flesh, tone, muscle, nerve and integument. The stomach is its manufactory, the veins its distributors, and the intestines the channel through which the waste matter rejected in its production is expelled. Upon the stomach, the circulation and the bowels, these Pills act simultaneously, relieving indigestion, purifying the fluids, and regulating the excretions. THE NATIONAL COMPLAINT. Dyspepsia is the most common disease among all classes in this country. It assumes a thousand forms, and is the primary source of innumerable dangerous maladies; but whatever its type or symptoms, however obstinate its resistance to ordinary preparations, it yields readily and rapidly to this searching and unerring remedy. BILIOUS AFFECTIONS. The quantity and quality of the bile are of vital importance to health. Upon the liver, the gland which secretes this fluid, these Pills operate specifically, infallibly rectifying its irregularities, and effectually curing Jaundice, Bilious Hemorrhoids, and all the varieties of disease generated by an unnatural condition of the organ. BOWEL COMPLAINTS. Unless the bowels perform their functions properly, the whole body suffers. Tens of thousands annually of Dysentery, Diarrhoea, Chronic constipation, and other diseases of the bowels, and all the various disorders, whether casual or epidemic, in a phenomenon in medicine. By following the printed directions, the most alarming cases of bowel complaint are promptly controlled. A Word to Females. The local debility and irregularities which are the special annoyances of the weaker sex, and which, when neglected, always shorten life, are relieved for the time being, and prevented for the time to come, by a course of this mild but thorough alterative. HOLLOWAY'S PILLS Are the best remedy known in the world for the following diseases: Asthma, Diarrhoea, Bowel Complaints, Dropsy, Constipation, Fever and Ague, Cholera, Female Complaints, Chest Diseases, Headaches, Costiveness, Indigestion, Dyspepsia, Inflammation, Stone and Gravel, Inflammation, Secondary Symptoms, Inward weakness, Worms of all kinds, Liver complaints, Lowness of spirits, &c. Sold at the manufactory of Prof. Holloway, 80 Maiden Lane, New York, and 214 Strand London, by all respectable Druggists and dealers in medicine throughout the U. S. and the civilized world, in boxes at 25 cents, 62 1/2 cts. and \$1 each. There is a considerable saving by taking the larger size. N. B. Directions for the guidance of patients in every disorder are affixed to each box. [Aug. 13, 1856.] CAUTION!—None are genuine unless the name "Holloway, New York and London," are discernible as a water mark in every leaf of the book of directions around each pot or box. The same may be plainly seen by holding the leaf to the light. A handsome reward will be given to any one rendering such information as may lead to the detection of any party or parties counterfeiting the medicine or vending the same, knowing them to be spurious.
