**TO THOSE WHO WANT FARMS.**  
**A Farm within the reach of every Man.**  
**THE RIDGWAY FARM COMPANY** has made arrangements by which all who desire to settle or purchase a home can do so.

The Farms consist of the best limestone soil of the most superior quality for farming in a rapidly improving place, into which an extensive irrigation is being poured. The property is located in Elk County, Pennsylvania, in the midst of a thriving population of some 10,000. The climate is perfectly healthy, and the fertile plough of the west is unknown. It also has an abundance of the best quality of coal and iron. The price to buy out is from \$50 to \$200 per acre, payable by installments, to be located at the time of purchasing, or a share of twenty-five acres entitling to locate the same for \$300, payable \$6 per month or 12½ acres payable \$100 per month. Discount for every sum of \$100 and under, paid in advance, and for over \$100 a discount of 10 per cent.

In considering the advantages of emigrating to this locality the following are presented:

First—The soil is a rich limestone, capable of raising the heaviest crops, owing to which this settlement has obtained its present great prosperity.

Second—It is the centre of the great North West Coal Basin, and is destined soon to become one of the greatest business places in the State. It will supply the large Lake market, (according to the population and travel the greatest in the Union). It has five working mines of the best quality of coal, which in the aggregate to over 22 feet, which makes 22,000 tons of coal under each acre. This will make the land of inestimable value. The eminent geologist Dr. Chas. T. Jackson of Boston, has made a geological survey of the land, and has analyzed the coal, the iron ore and limestone. This report together with maps will be furnished to inquirers.

Third—Three Railroads are laid out thro' this property. The Sunbury and Erie Railroad gives us a market for our coal to the lakes—its runs from Erie to Philadelphia. A large part of the Road has been finished, and is now running round. A heavy force is now working from Erie towards our land in the western direction, the means for the completion of which has been raised, it will soon be finished. The Allegheny Valley Railroad connects us with New York, Boston and Pittsburgh. The Venango Road connects us with the West.

There are already good Turnpike Roads running through this property, various other roads have been opened to accommodate the emigration and settlement which has already taken place.

There is no opportunity equal to it now offered to the man who wants to provide himself a home in an easy way, and make a settlement where he can live in prosperity and independence in a climate perfectly healthy.

No case of fever ever having been known to occur in this settlement, it is as safe as going back to the States, among people of a different race, where there is no society, churches, or schools, where the price of land is high, and where the emigrant, after being used to the healthiest climate in the world, has to endure sickness and pain, and perhaps miss his health and the value of his lands. But here a thriving settlement having three towns, containing churches, schools, hotels, stores, saw-mills, grist mills, and everything desired. There is a cash market at hand. The lumber trade last year amounted to over two hundred million feet of lumber. In a short time, owing to the coal, it will become still more valuable as a number of iron works and manufacturing will soon be started; they are at present starting there extensively at Warren. Even for those who do not wish to go there, the payments are such that they can easily buy a farm to save their rising families from want in the future, or to gain a competency by the rise in the value of the lands. By an outlay scarcely missed, a substantial provision can be made.

Persons should make early application, apply or write to E. Jeffries, Secretary, No. 135 Walnut Street, below Fifth, Philadelphia.—Letters carefully answered giving full information.

Shares or tracts of land can be bought or secured by letter enclosing the first installment of five dollars, when the subscriber will be furnished with books, maps, &c. Warrantee Deeds given. Persons can also purchase from our Agents.

Routings from Philadelphia to Tyrone on the Pennsylvania Central Railroad, and thence by stage to the land. This is a delightful season to visit St. Mary's—the best hotel accommodation is afforded. Enquire for E. C. Shultz, Esq., the Agent for the property at St. Mary's.

**HOLLOWAY'S PILLS.**  
The Exciting Cause of Sickness.

The blood is the life sustaining agent. It furnishes the components of flesh, bone, muscle, nerves, and integument. The stomach is its manufactory, the veins its distributors, and the intestines the channel through which the waste matter rejected in its productions is expelled. Upon the stomach, the circulation and the bowels, these Pills act simultaneously, relieving indigestion, purifying the fluids, and regulating the excretions.

**THE NATIONAL COMPLAINT.**  
Dyspepsia is the most common disease among all classes in this country. It assumes a thousand shapes, and is the primary source of innumerable dangerous maladies; but whatever its type or symptoms, however obstinate its resistance to ordinary preparations, it yields readily and rapidly to this searching and purifying remedy.

**BILIOUS AFFECTIONS.**  
The quantity and quality of the bile are of vital importance to health. Upon the liver, the gland which secretes the fluid, the Pills operate specifically, infusing rectifying its irregularities, and effectually curing Jaundice, Bilious Remittants, and all the varieties of disease generated by an unnatural condition of the organ.

**BOWEL COMPLAINTS.**  
Unless the bowels perform their functions properly, the whole body suffers. Tens of thousands die annually of Dysentery, Diarrhea, Chronic Constipation, and other diseases of these waste pipes of the system.—The effect of the Pills upon all intestinal disorders, whether casual or epidemic, is a phenomenon in medicine. By following the printed directions, the most alarming cases of bowel complaint are rapidly cured.

**A Word to Females.**  
The local debility and irregularities which are the special annoyances of the weaker sex, and which, when neglected, always shorten life, are relieved for the time being, and prevented for the time to come, by a course of this mild but thorough alterative.

**HOLLOWAY'S PILLS**  
Are the best remedy known in the world for the following diseases:

Asthma, Diarrhea, Bowel Complaints, Dropsy, Coughs, Debility, Cold, Fever and Ague, Chest Diseases, Female Complaints, Constipation, Headaches, Dyspepsia, Indigestion, Stone and Gravel, Influenza, Secondary Symptoms, Inflammation, Venereal Affections, Juward weakness, Worms of all kinds, Liver complaints, Lossness of spirits, Piles.

A handsome reward will be given to any one rendering such information as may lead to the detection of any party or parties counterfeiting the medicine or vending the same, knowing them to be spurious.
