Mr. Gibbons was followed by Mr. McCalmont, who appeared in behalf of Judge Black, who could not leave Washington, and asked permission to read the written argument of the learned Judge to the Court, which was granted.

The Judge's argument was a spicy, well written document, interspersed with sareasms, quotations and oddities, lacking somewhat in dignity and also in respect to the co-ordinate branches of the government so much so that Chief Justice Lowrie took occasion to say, when Judge Knox replied, that he would not have permitted it to be read, had he known its contents. The Judge stated, among other things, that many mem-bers of the Legislature were, no doubt, ignorant of the character of the bill, others, he was constrained to say, were dishonest.

Wm. L. Hirst, Esq , followed on the same side. His speech was able and ingenious. The point on which he principally relied, was the subscription of \$500,000 to the stock of the Allegheny Valley road, which he contended was a worthless corporation, and was a clog in the sale of the works.

Judge Knox concluded the argument on J. George Lesler, of Philadelphia, Pa .- the part of the commonwealth, contending sale. His argument was able and convincing. He met, as he thought, most success-EFIE COUNTY—The Observer gives the following account of the Congressional and

The Hose and Engine com nies soon reached the spot and the fire in a most masterly manner. Indeed we have never observed in Pottsville any instance where firemen worked with so perfect and immediate success. The fire was confined to the stable, although a vast number of frame buildings surrounded it on all sides. There was a good supply of water, a fact which we are happy red and two cows perished in the flames. The principal sufferer by the fire was Wm. Morimer, Jr., who owned the building. He also lost a sled worth \$40; Harness &c. worth \$50; a car-riage worth \$140; Hay worth \$100; two cows worth \$40 and a horse, whose real value would be hard to ascertain, but would at any time have sold for \$400, making a total loss to this gentleman, of \$1250. Mr. Michael Mortimer lost one carriage worth \$175; and a sleigh worth \$60. A sleigh valued at \$80 MIRACULOUS E-CAPE.—One of the narrow. the property of W. F.
