California Mail—Congratulatory Messages.

WASHINGTON, Oct. 9.—The President received a telegraphic despatch from John Butterfield, President of the Overland Mail Company, dated St, Louis, October 9th, informing him that the great overland mail arrived there to day from San Francisco, in twenty three days and four hours. The stage brought through six passengers.

The President replied by telegraph as follows:—

WASHINGTON, October 9th, 1848.

John Butterfeld, Pdesident of the Overland Mai Company.

SIR:—Your despatch has been received. I cordially congratulate you upon the result. It is a glorious triumph for civilization and the Union. Settlements will soon follow the course of the road, and "the East and the West" will be bound together by a chain of living Americans, which can never be broken.

(Signed) JAMES BUCHANAN.

ST LOUIS, Oct 9.—The California Overland Mail by the Southern route, will reach here to night, twenty-four days out, bringing San Francisco dates to the 10th ult., two days later than have been received by the mail and steamship line via. Panama.

Holloway's Pills and Ointment—Villany at work.—As a precaution against being poisoned by vile counterfeits of those renowned preparations, see that on every leaf of the books of directions enclosing the boxes and pots, the words, "Holloway, New York and London," are impressed in the form of a water mark, distinguishable when the paper is held up to the light. The aggregate cures of indigestion, bowel complaint, fever and ague, remittent fever, eruptions, ulcers, contusions, rheumatism, etc. achieved by these preparations during 1857, exceeds by one hundred per. cent. that of any former year. The demand in this country has increased enormously during the same period.

BERWICK MARBLE YARD.

The undersigned having charge of the Marble Cutting establishment, formerly owned by John H. Young, feels competent and able to execute in a workmanlike manner Carving and Lettering Tomb Stones, Monuments, Mantles, &c., &c. He would most respectfully solicit the attention of all who desire to purchase. Since the change in money matters and in order to extend the business, he will sell marble as low as can be had elsewhere on a short credit with approved security.

Any body wishing work done in his line will do well to give him a call; as he flatters himself that his work can not be surpassed this side of Philadelphia. He keeps on hand at all times a lot of good stock; that which cannot fail to be satisfactorly to the purchasers. Country produce taken in exchange for work at market prices.

BRANDRETH'S PILLS PURIFY THE BLOOD.

Continued pain or uneasiness in any organ is generally cured by one or more doses of Brandreth's Pills. Thirty years' personal experience by the undersigned fully justify this assertion.

Dr. James Lull, of Potsdam, N. Y., says: —"I have cured the most deplorable costiveness of the bowels with Brandreth's pills, when every other remedy had failed, and the patient was given up to die. Skin diseases of an inveterate and painful character, such as erysipelas, salt rheum, tetter and summer heat, I have seen eradicated by their use. I have cured the rheumatic, the epileptic, the paralytic and the consumptive with these excellent pills alone."

In jaundice and all affections of the liver dyspepsia, dysentery and diarrhœa, pleurisy, sudden pains and inflammations, female obstructions, scorbutic and scrofulous, even gouty and neuralgic affections, have given way to the use of this medicine, and now, after twenty years' experience, my estimation of Brandreth's Pills continue to increase.

OBSTRUCTION.—A young lady, beautiful and healthy, took cold, which caused a serious obstruction for two years; her health was broken down and her beauty departed. At length Brandreth's Pills were tried; eleven doses, of from two to four, were taken in fifteen days preceding the usual period—Regularity was restored, and her health and good looks recovered.

WORMS.—Brandreth's Pills are the best vermituge: they are infallible. A little child six years old, for some weeks was drooping, its mother gave it one of Brandreth's sugar coated pills, the next day there came away a worm sixteen inches long, and as large as a child's finger. The child was well.

PLEURISY—A gentleman, away from home, was taken with pleurisy, the inflammation was terrible, every breath made him writhe with agony. Eight Brandreth's Pills were swallowed, and warm oil applied locally; the pills operated, and the pain was relieved; plenty of gruel was taken, and six more pills, and the second day the patient was cured.

These statements should have weight, and prevent the use of poisonous drugs, and stop the sad practice of bleeding

B BRANDRETH.

Brandreth's Pills are sold at the Principal Office, 294 Canal street, Brandreth Building, at 25 cents per box; and the same sugar coated, 13 cents, warranted to keep as well as the plain.

THE GREATEST MEDICAL DISCOVERY OF THE AGE.

MR. KENNEDY of Roxbury has discovered in one of our common pasture weeds a remedy that cures

EVERY KIND OF HUMOR

FROM THE

worst scrofula down to a common pimple.

He has tried it in over eleven hundred cases, and never failed except in two cases, both thunder rumor. He has now in his possession over one hundred certificates of its value, all within twenty miles of Boston. Two bottles are warranted to cure a nursing sore mouth. One to three bottles will cure the worst kind of pimples on the face. Two or three bottles will clear the system of biles. Two bottles are warranted to cure the worst canker in the mouth or the stomach. Three to five bottles are warranted to cure the worst wind of Erysipelas. One or two bottles are warranted to cure all humor in the eyes. Two bottles are warranted to cure running of the ears and blotches in the hair. Four to six bottles are warranted to cure corrupt and running ulcers. One bottle will cure scaly eruption of the skin.—Two or three bottles are warranted to cure the worst kind of ringworm. Two or three bottles are warranted to cure the most desperate case of rheumatism. Three to four bottles are warranted to cure salt Rheum.—Five to eight bottles will cure the worst case of scrofula. A benefit is always experienced from the first bottle, and a perfect cure is warranted when the above quantity is taken.

ROXBURY, MASS.

Dear Madam—The reputation of the Medical discovery, in curing all kind of humors, is so well established by the unanimous voice of all who have ever used it, that I need not say any thing on the subject, as the most skilful physicians and the most careful Druggist in the country are unanimous in its praise.

In presenting the Medical Discovery to your notice, I do it with a full knowledge of its curative power, in relieving all, and curing most of those diseases to which you are unfortunately so liable. The most excruciating disease to an affectionate mother,

NURSING SORE MOUTH,

Is cured as if by a miracle; your own temper is restored to its natural sweetness, and your babe from short and fretful naps to calm and sweet slumbers; and the medical discovery becomes a fountain of blessing to your husband and houshold,

In the advanced stages of

CANKER

it extends to the stomach, causing

DYSPEPSIA,

which is nothing but canker on the stomach; then to the intestines and

Kidneys,

creating a sinking, gone feeling, and an indifference even to the cares of your family. Your stomach is

RAW AND INFLAMED,

your food distresses you, and you can only take certain kinds, and even of that your system does not get half the nourishment it contains as the acrimonous fluid of the canker eats it up; then your complexion loses its bloom and becomes sallow and greenish, and your best day is gone. For want of nourishment your system becomes loose and flabby, and the fibres of your body becomes relaxed. Then follows a train of disease which the Medical Discovery is peculiarly adapted to CURE; Palpitation of the heart, pain in the side, weakness of the spine and small of the back, pain of the hip joint when you retire, irregularity of the bowels, and also, that most excruciating of disease, the

PILES.

How many thousands of poor women are suffering from this disease and pining away a miserable life, and their next door neighbor does not know the cause, I wish to impress on your mind that good old proverb, "An ounce of prevention is better than a pound of cure." In the

Medical Discovery

you have both the preventive and the cure, with this great and good quality, that it will never under any circumstances, do you any injury.

No change of diet ever necessary—eat the best you can get and enough of it.

Directions for use.—Adults one table spoonful per day. Children over ten years dessert spoonful. Children from five to eight years, tea spoonful. As no directions can be applicable to all constitutions, take sufficient to operate on the bowels twice a day.

Yours truly,

DONALD KENNEDY

Price $1.00 per bottle. For sale by J. R. Moyer, E. P. Lutz, Agents for Bloomsburg. Sold by all the Druggists throughout the country, in general. Ja. 28, '58.

BERWICK MARBLE YARD.

JOHN H. YOUNG,

HAVING become the proprietor of the Marble Cutting Establishment, formerly owned and carried on by C. Pearce, he feels competent and able to execute in a workmanlike manner Carving and Lettering Tomb Stones, Monuments, Mantles, &c., &c. He would most respectfully solicit the attention of all who desire to purchase. Since the change in money matters and in order to extend the business, he will sell marble as low as can be had elsewhere on a short credit with approved security.

Any body wishing work done in his line will do well to give him a call; as he flatters himself that his work can not be surpassed this side of Philadelphia. He keeps on hand at all times a lot of good stock; that which cannot fail to be satisfactorly to the purchasers. Country produce taken in exchange for work at market prices.
