BRANDRETH'S PILLS PURIFY THE BLOOD.

PURIFY THE BLOOD.

Continued pain or uneasiness in any organ is generally cored by one or more doses of Brandreth's Pills. Thirty years' personal experience by the undersigned fully justily this assertion.

Dr. James Lull, of Potsdam, N. Y., says:

"I have cured the most deplorable costiveness of the bowels with Brandreth's pills, when every other remedy had failed, and the patient was given up to die. Skin diseases of an inveterate and painful character, such as erysipelar, salt rheum, tetter and summer heat, I have seen eradicated by their use. I have cured the rheumatic, the epileptic, the paralytic and the consumptive with these excellent pills alone."

excellent pills alone."
In joundice and all affections of the liver In joundice and all affections of the liver dyspepsia, dyseniery and diarrhoma, pleurisy, sudden pains and inflammations, female obstructions, scorbutic and scrofulous, even gonty and neuralgic affections, have given way to the use of this medicine, and now, after twenty years' experience, my estimation of Braudreth's Pills continue to increase. OBSTRUCTION.—A young lady, beautiful and healthy, took cold, which caused a serious obstruction for two years; her health was broken down and her beauty departed. At length Brandreth's Pills were triest; eleven doses, of from two to four, were taken in fifteen days preceding the usual period.—Regularity was restored, and her health and good looks recovered.

WORMS.—Brandreth's Pills are the best vermitings: they are infallible. A little child

WORMS.—Brandreth's Pills are the best vermitage: they are infallible. A little child six years old, for some weeks was drooping, its mother gave it one of Brandreth's sugar coated pills, the next day there came away a worm sixteen inches long, and as large as a child's finger. The chied was well.

PLEURISY.—A gentleman, away from horne, was taken with pleurisy, the inflammation was terrible, every breath made him writhe with agony. Eight Brandreth's Pills were swallowed, and warm oil anolted local. mation was terrible, every breath made him writhe with agony. Eight Brandreth's Pilis were swallowed, and warm oil applied locally; the pills operated, and the pain was relieved; plenty of gruel was taken, and six more pills, and the second day the patient was cured.

Dear Madam—The reput. MASS.

Dear Madam—The reput. To the Medical discovery, in curing all kind of humors, is so well established by the unanimous voice of all who have ever used it, that I need not say any thing on the subject, as the most skilful physicians and the most careful Druggist in the country are unanimous in its praise.

In presenting the Medical Discovery to your notice, I do it with a full knowledge of its curative power, in relieving all, and curing most of those diseases to which you are unfortunately so liable. The most excrue ating disease to an affectionate mother,

NURSING SORE MOUTH,

Is cared as if by a miracle; your own temper is restored to its natural sweetness, and your babe from short and dretful naps to calm and sweet slumbers; and the medical discovery becomes a fountain of blessing to your humband and houshold,

In the advanced stages of

then to the intestines and

Kidneys,
creating a sinking, gone feeling, and an indifference even to the cares of your family. Your stomach is

RAW AND INFLAMED,
your food distresses you, and you can only take certain kinds, and even of that your system does not get half the nourishment it contains as the aerimonous fluid of the canker eats it up; then your complexion loses its bloom and becomessailow and greenish, and your best day is gone. For want of nourishment your system becomes loose and flabby; and the fibres of your body becomes relaxed. Then follows a train of disease which the Medical Discovery is peculiarly adapted to CURE; Palpitation of the heart, pain in the side, weakness of the some and small of the back, pain of the hip joint when you retire, irregularity of the bowels, and also, that most excruciating of disease, the ease, the most excruciation

PILES. How many thousands of poor women are suffering from this disease and pining away a miserable life, and their next door neighbor does not know the cause, I wish to impress on your mind that good old proverb, an ounce of prevention is better than a pound of cire. In the Medical Discovery you have both the preventive and the cure, with this great and good quality, that it will never under any circumstances, to jou any injury.

THE MIGHTY HEALER!

HOLLOWY'S OINTMENT

The free admissions of all nations, as well as the verdict of the leading Hospitals of the Old as well as the New World, stamp this powerful remedial Agont as the greater thealing preparation ever made known to suffering man. Its penetrative qualitives are more than marvelocts, through the external oritices of the skin, invisible to the naked eye, it reaches the seat of the internal discase; and in all external affections its anti-inflammatory and healing virtues surpass anything else on record, and is Nature's great ally.

ERUPTIONS ON THE SKIN,
Arising from a bad state of the blood or chronic disease are eradicated, and a clear and transparent surface regained by the restorative action or this Oliment. It surpasses many of the cosmetics and other toilet appliances in its power to dispel rashes and other disfancements of the face.
