Cor. TATE is informed that Charles Clingerman has returned that Ink to the Democra
Office, which was borrowed some two weeks since, without our knowledge and certainly against our will, from that establishment.-The Col. keeps a poor article; we don't wish to exchange Good lak for that which is deficient in quality. So this squares us with the Col. in the Ink business nolens volens.

SERIOUS ACCIDENT .- A son of Mr. Enoch Cadman was very badly injured on last Monday, in one of the Irondale Company's mines. He was coming out of the mine when he was overtaken by one of the cars and the drift being too narrow for him to escape, he was injured. He endeavored to get upon the car, but failed in the attempt, and the car passed over one of his legs and foot, breaking the leg in a horrible manner immediately above the ankle. It was fear ed at first that amputation would be necessary, but it is thought since that the fracture can be healed, although he may be lame for

We notice a short editorial squib in the last Columbia Democrat of this place, in relation to running to the cities for printing done. That is all right in the Colonel; the public had ought to support home industry. But the public will go where they can get work done the best and cheapest. What do they care for your "cold shoulder; to some of them it should have been cold years ago. We think if the Colonel continues on doing job work for the public, they will get their eyes open presently; when they can get work done neater and cheaper than he is able to do it without "running away from home."

On LAST Wednesday a serious acciden occurred on the down train of the Lackawanna and Bloomsburg Railroad. The en gine run over a cow, damaging one of the cars, throwing it off the track, and breaking a leg for the baggage master, Mr. Tubbs.—
Dr. Harrison was taken up to the place of accident to set the broken limb. We understand that the young man is doing well ur

der the circumstances.

The cow, we learn, fared bad-died.

THOMAS E. Eves, of Millville, has receive ed the contract for building the fence around the ground of the Agricultural Society, he being the lowest bidder. He also furnishes the materials for fencing, and performs the contract at one dollar and fifty cents per This may seem to some a large price, but after the fashion the fence is re quired to be built, it is low enough; besides we may rest assured in having a good fence

KILLED .-- A cow, belonging to John Sterner, of this place, was, on last Wednesday morning, run over by the cars on the Lackawanna and Bloomsburg Railroad, near town. The cow since has died. More care should be taken by the negligent parties, whosover they are-owners of cattle or owners of railroads.

ACCIDENT .- On last Friday a valuable horse belonging to Mr. Harvey Brumbach, was drowned in the river, about three miles be-low this place. The horse and cart were used on the Lackawanna and Bloomsburg Railroad Extension. It seems that the driver was in the act of dumping the cart, when the horse backed over the bank, into the river, and drowned.

PHILADELPHIA.

From the Village Record,
Saturday, Feb. 5, 1859.
Robbery—The office of the old Railroad,
in West Chester, was broken into last
Thursday night, and robbed of a small amount of money. The thieves entered the
building in the year, broke the doors, and
looks off the desks, and attempted to get Inlocks off the desks, and attempted to get into the large iron safe, but did not succeed.

The Safe was manufactured by EVANS & WATSON, No. 26 South FOURTH Streets, Philadelphia.

STILL ANOTHER ATTEMPT. STILL ANOTHER ATTEMPT.

October 18th, 1858.—Three theives entered the flouring-mill of Messrs. Dorrace & Doron, Bristol, Pa., and tried all night to blow open their Sale, with powder, which had \$250 in cash, but did not succeed in getting it open. Their Salamander Sale was manufactured by

GREAT SAFE ROBBERY AT NORRIS-TOWN, DECEMBER 1st, 1858—Some time last night, the flouring-mill of Mr. Joseph Fazone, in Norristown, Pa., was entered and one of Farrel, Herring, & Co's best patent Powder proof Lock and Sale WAS BLOWN OPEN WITH POWDER,

and \$1,600 in cash taken out and carried
away. This Safe is now in Evans & Watson's store, No. 26 South Fourth Street,
where we most re-pectfully invite the public to call and examine it.

N. B.—We find in The Press, December
4th, the following: 'All our Safes are warranted to give perfect satisfaction, or the
money will be returned.

We, EVANS & WATSON, would ask
all parties having Farrel, Herring & Co's
Patent Champion Safes, to take advantage
of the above offer, and return them and get
their money, as they will find that, in a few
years, the Composition with which the
Safes are filled (a large portion being oil of
viviol) will eat out all the iron. A specimen of their Champion Safes may be seen
in front of our store, which is eaten full of
holes now. EVANS & WATSON,

Farrel, Herring & Co's Paient Champion Safes, the only Safes made in the city which have never been robbed by burglars, or had their contents destroyed by accidental fires. Evans & Watson's Philadelphia answer to a New York Humbug.

We, the undersigned citizens of St. Joseph, Mo., do hereby cerify that the iron Safe belonging to C. E. Baldwin, made by Farrel & Co., No. 34 Walnut Street, Philadelphia, which was in the fire that occurred here, is not fire-proof, and is useless as a fire-proof Safe; that the books, papers, jewelry, &c., which were in the Safe at the time, were much injured; also, that the building which it was in was of frame and only one story high, and that a fire so trifling as the one which burned over the said Safe was not sufficient to have injured any Safe purporting to be fire-proof.
