

**STAR OF THE NORTH.**  
WEDNESDAY, MARCH 16, 1859.

It is feared that the grass and clover crops in many parts of this county, have been slightly injured by the successive freezing and thawing of the past winter.

We have been requested to announce that there will be preaching in the Court House of this place by Rev. J. R. SHARPLEY on next Sabbath at 3 o'clock.

For the last few days we have had the pleasure of adding quite a respectable number of new names to our subscription list. This is encouraging to our publisher—the adding of new names to his list. We still can find room for a few more, and signs indicate that we are going to have them.

We notice that our Merchants, Mechanics and business men generally, are preparing to do a more extensive business, than the coming year, than at any previous time heretofore. We will notice a few next week.

THE MOVING season will soon be in vogue, when many changes will take place. A lover of reading very seldom fails to notify the printer, of whom he takes a paper, that he has or is about to change his residence. In our short publishing career we have found this to be invariably the case.

Mr. A. C. MESSICK has removed the Express Office to the Store Room of Mr. Geo. Weaver, a few doors above the STAR OFFICE. Mr. Messick designs, in connection with the Express business, retailing flour and feed, and asks a liberal patronage from the public. With these to his branches combined he may be able to realize a good livelihood.

In the Senatorial proceedings of the 10th inst. we read the following: "On motion of Hon. R. Keller, Senate Bill No. 627, 'An Act to widen the eastern extension of Third Street, Bloomsburg, Columbia County. On the final passage of the bill the yeas and nays resulted in sixteen affirmative and seven negative. So the question was determined in the affirmative.

Young married men should not frequent places of bad repute and worthless spend all their small change and then go home in the still hours of the night and harass their wives because they have nothing in the house to eat.

For a rod in some strong man's hand, To lash the rascals through the land.

We are enjoying most splendid weather at present writing, and it is hoped will continue. The time of year is fast approaching when we should have fine weather, and the plough shear buried 4 or 5 inches in the soil in preparing it for the reception of the seed grain. The farmer's winter recess is about gone. The song will soon be, "hold the plow or drive."

DANVILLE HOTEL.—This well conducted house of public accommodation under the superintendency of the proprietor, JOHN DEKENS, JR., is daily gaining golden opinions, and fast approaching the height of popularity on the catalogue of good and well-managed houses. The accommodations at this hotel are excellent, and well calculated to court public favor. With the many advantages to the traveling public, the charges are moderate.

MR. DAVID LOWENBERG, the only man in Columbia county, who keeps a good and full supply of Ready-made Clothing, has just returned from New York and Philadelphia, with his spring supply. One of the principal advantages in dealing with Mr. LOWENBERG is, that you are sure of not being deceived. An honest man and a gentleman himself, you will certainly be treated with fairness and courtesy in dealing with him.

A BAPTIST Church is under contract for its erection in this place on Third Street. We learn that it will be a frame building of ordinary size. The site for this edifice is rather a good one, and if the citizens succeed in getting Third Street widened at the eastern extension, with a splendid church-building upon it, much will be added to the appearance of that part of the town.

ANOTHER NEW M.D.—At the close of the winter session of the Pennsylvania Medical College, in Philadelphia, a few weeks since, MR. JOSEPH R. EVANS, from Columbia county, graduated with the highest honors and received the regular degree for the practice of medicine. Mr. Evans is a very worthy and studious young man; he has labored faithfully and hard to attain his new position. He has received a thorough training in the medical science, at the hands of one of the best faculties in the State, and is now fully prepared for the practice of medicine. May success attend him wherever he may launch his bark.

Columbia county is pretty well provided for in the way of physicians; she can boast both of their good qualities and number.

WAGON MAKING.—This is a branch of business which is more extensive than is thought to be, because the work, when turned out, is at once put to common use, until the saying, "common as a wagon," has attained much use. Still it is a branch of business that is just as essential as any carried on—indeed to the farmer, it is as indispensable as his horse. Being indispensable, it is at once made the necessity great for having one that will all the strength with combined lightness, necessary to make it last. To make it last. To this end much improvement has been made in the manufacturing and style of the article. In this place are several shops, among which we are particularly directing our mind to those of SLOAN & SON and S. A. WILSON, on Main and Market Streets, who turn out a great number of wagons each year, all of which will pass muster anywhere, and as evidence of which those wishing to purchase a wagon, will do well to call and examine their specimens on hand.

Holloway's Ointment and Pills—Spurious preparations—Counterfeits of these celebrated remedies may be instantly detected. Unless the words "Holloway, New York and London" are distinguishable as a water-mark on each leaf of the book of directions accompanying the preparations, the articles are fraudulent. Erysipelas, or St. Anthony's fire, scalp rheum, neuralgia, and acute chronic inflammation, are among the external diseases for which the Ointment is an absolute and powerful; and indigestion, with all its painful concomitants, is effectually disposed of by the use of the Pills. They are at once cathartic, disintegrator, alterative, and restorative.

FOR FEMALES.—It is a lamentable fact that so large a number of Females are afflicted with Irregularities, either relaxed or suppressed, which rapidly and surely endanger their health, shorten their lives, and oftentimes render them unfit for their duties in life for which an all-wise Creator has formed them. This state of things need not exist when Dr. WHEATING'S FEMALE REGULATING PILLS are so sure to bring relief. They are composed of the most valuable and most delicate ingredients, put together to the most delicate constitution, put together in the highest degree in eradicating that train of diseases incident to the sex, originating from irregularities. They are the best and most certain in their effects, and result from the use of those most valued remedies prescribed by the highest medical authority, Ancient or Modern. Many Females give way to despondency, imagining themselves in a confirmed state. A few of these Pills, however, will command these PILLS, believe that there is a power in any remedy to effect a permanent cure, that blessing will ensue from their use. They are manufactured only by J. E. BOWEN, Cor. 2d & Race streets, Philadelphia. Beware of cheap imitations; see his signature upon each box. Price \$1 00.

**HOWARD ASSOCIATION.**  
PHILADELPHIA.  
A Benevolent Institution established by special Endowment, for the Relief of the Sick and Distressed, afflicted with Virulent and Epidemic Diseases.

THE HOWARD ASSOCIATION, in view of the awful destruction of human life caused by Sexual diseases, and the deceptions practiced upon the unfortunate victims of such diseases by Quacks, several years ago directed their Consulting Surgeon, as a CHARITABLE ACT worthy of their name, to open a Dispensary for the treatment of this class of diseases in all their forms, and to give MEDICAL ADVICE GRATIS to all who apply by letter, with a description of their condition, (age, occupation, habits of life, &c.) and in case of extreme poverty, to FURNISH MEDICINE FREE OF CHARGE. It is needless to add that the Association commands the highest Medical skill of the age, and will furnish the most approved modern treatment.  
The Directors of the Association, in their Annual Report upon the treatment of Sexual Diseases, express the highest satisfaction with the success which has attended the labors of their Surgeons in the cure of Spermatorrhea, Seminal Weakness, Gonorrhoea, Gleet, Syphilis, the vice of Onanism or Abuse, Diseases of the Testes, Bladder, &c., and order a continuance of the same plan for the ensuing year.  
The Directors, on a review of the past, feel assured that their labors in this sphere of benevolent effort have been of great benefit to the afflicted, especially to the young, and they have resolved to devote themselves, with renewed zeal, to this very important and much despised cause.  
An admirable Report on Spermatorrhea, or Seminal Weakness, the vice of Onanism, Masturbation, or Self-abuse, and other cases of the Sexual organs, by the Consulting Surgeon, will be sent by mail (in a sealed envelope) FREE OF CHARGE, on receipt of TWO STAMPS for postage. Other Reports and Tracts on the nature and treatment of Sexual diseases, and also, constantly being published for gratuitous distribution, and will be sent to the afflicted. Some of the new remedies and methods of treatment discovered during the last year, are of great value.  
For Report or treatment, DR. J. SKILLIN HOUGHTON, Acting Surgeon, Howard Association, No. 2 South Ninth Street, Philadelphia, Pa.  
By order of the Directors,

**SALAMANDER SAFES;**  
No. 26 South Fourth Street PHILADELPHIA.  
From the Village Record.  
WEST CHESTER, Pa.  
Saturday, Feb. 1859.  
Romey.—The office of the old Railroad, in West Chester, was broken into last Thursday night, and robbed of a small amount of money. The thieves entered the building in the rear, broke through the window, and attempted to get up to the large iron safe, but did not succeed. The safe was manufactured by EVANS & WATSON, No. 26 South Fourth Street, Philadelphia.  
STILL ANOTHER ATTEMPT.  
OCTOBER 18th, 1858.—Three thieves entered the flooring-mill of Messrs. Dorrae & Doron, Bristol, Pa., and tried all night to blow open their safe, with powder, which had \$250 in cash, but did not succeed in getting it open. Their Salamander safe was manufactured by EVANS & WATSON.  
GREAT SAFE ROBBERY AT NORRISTOWN, DECEMBER 1st, 1858.—Some time last night the flooring-mill of Mr. Joseph Fezzone, in Norristown, Pa., was entered and one of Farrell, Herring, & Co's best patented Powder Proof Lock and Safe WAS BLOWN OPEN WITH POWDER, and \$1,000 in cash taken out and carried away. This safe is now Evans & Watson's safe, No. 26 South Fourth Street, where we most respectfully invite the public to call and examine it.  
N. B.—We find in The Press, December 4th, the following: "All our Safes are warranted to give perfect satisfaction, or the money will be returned."  
FARRELL, HERRING & CO.  
We, EVANS & WATSON, would ask all parties having Farrell, Herring, & Co's Patent Champion Safes, to take advantage of the above offer, and return them and get their money, as they will find that, in a few years, the Composition with which the Safes are filled (a large portion being oil of vitriol) will eat out all the iron. A specimen of their Champion Safes may be seen in front of our store, which is even full of holes now.

Farrell, Herring & Co's Patent Champion Safes, the only Safes made in the city which have never been robbed by burglars, or had their contents destroyed by accidental fires. Evans & Watson's Philadelphia answer to a New York Huzar.  
We, the undersigned citizens of St. Joseph, Mo., do hereby certify that the iron safe belonging to C. E. Baldwin, made by Farrell & Co., No. 34 Walnut Street, Philadelphia, which was in the fire that occurred here, is not fire-proof, and is useless as a fire-proof safe; that the books, papers, jewelry, &c., which were in the safe at the time, were much injured; and that the building which it was in was of frame and only one story high, and that a fire so trifling as the one which burned over the said safe was not sufficient to have injured any safe purporting to be fire-proof.

**SALAMANDER SAFES;**  
No. 26 South Fourth Street PHILADELPHIA.  
From the Village Record.  
WEST CHESTER, Pa.  
Saturday, Feb. 1859.  
Romey.—The office of the old Railroad, in West Chester, was broken into last Thursday night, and robbed of a small amount of money. The thieves entered the building in the rear, broke through the window, and attempted to get up to the large iron safe, but did not succeed. The safe was manufactured by EVANS & WATSON, No. 26 South Fourth Street, Philadelphia.  
STILL ANOTHER ATTEMPT.  
OCTOBER 18th, 1858.—Three thieves entered the flooring-mill of Messrs. Dorrae & Doron, Bristol, Pa., and tried all night to blow open their safe, with powder, which had \$250 in cash, but did not succeed in getting it open. Their Salamander safe was manufactured by EVANS & WATSON.  
GREAT SAFE ROBBERY AT NORRISTOWN, DECEMBER 1st, 1858.—Some time last night the flooring-mill of Mr. Joseph Fezzone, in Norristown, Pa., was entered and one of Farrell, Herring, & Co's best patented Powder Proof Lock and Safe WAS BLOWN OPEN WITH POWDER, and \$1,000 in cash taken out and carried away. This safe is now Evans & Watson's safe, No. 26 South Fourth Street, where we most respectfully invite the public to call and examine it.  
N. B.—We find in The Press, December 4th, the following: "All our Safes are warranted to give perfect satisfaction, or the money will be returned."  
FARRELL, HERRING & CO.  
We, EVANS & WATSON, would ask all parties having Farrell, Herring, & Co's Patent Champion Safes, to take advantage of the above offer, and return them and get their money, as they will find that, in a few years, the Composition with which the Safes are filled (a large portion being oil of vitriol) will eat out all the iron. A specimen of their Champion Safes may be seen in front of our store, which is even full of holes now.

[From The Press of the 4th ult.]  
Farrell, Herring & Co's Patent Champion Safes, the only Safes made in the city which have never been robbed by burglars, or had their contents destroyed by accidental fires. Evans & Watson's Philadelphia answer to a New York Huzar.  
We, the undersigned citizens of St. Joseph, Mo., do hereby certify that the iron safe belonging to C. E. Baldwin, made by Farrell & Co., No. 34 Walnut Street, Philadelphia, which was in the fire that occurred here, is not fire-proof, and is useless as a fire-proof safe; that the books, papers, jewelry, &c., which were in the safe at the time, were much injured; and that the building which it was in was of frame and only one story high, and that a fire so trifling as the one which burned over the said safe was not sufficient to have injured any safe purporting to be fire-proof.
