

To the brave and faithful nothing is difficult.

The public sale of valuable real estate of John Kline, deceased, which is advertised in another column, has been adjourned to April 23d, 1859.

We would direct the attention of our readers to the new advertisements in this number.

Shoemakers and milkmen make good sailors—they are both used to working at the pumps.

A Bill has passed the House of Representatives of our Legislature, making the Streets and Alleys in Robert's addition to the town of Catawissa, public highways.

We would announce that the Rev. J. R. SHAWFELT will preach in the Court house, of this place, on next Sabbath at 3 o'clock in the afternoon.

We are printing the Star on paper manufactured at the Catawissa Mills, by C. W. McKelvy & Co., which is some of the best made in the State. They have introduced new machinery into their Mills at a heavy cost.

The Merchants in his place have pretty generally received their spring and summer goods. Their shelves are well filled and the way to empty them will be to advertise, and let the people know what they have.

Is another column will be found a prospectus of the Knickerbocker Magazine published in New York. It is in its fifty-third volume. This magazine is all it purports to be. Grand inducements are offered to new subscribers. See advertisement.

We would direct attention to the advertisement in another column of today's paper of "The Rocky Mountain Horse Tamer," a work just published, at Albion, New York, giving a full and complete explanation of the best known system of horse taming.—Read it.

April has crowded March off the track, entirely, and taken her place. We did expect milder weather in April than we are at present enjoying. March was, as might be expected, a rough blistering month, and April is following suit. If things continue on in this way long steps should be taken to appoint a new clerk of the weather.

GEORGE D. JACKSON, Member of the Legislature, will please accept our sincere thanks for the "Second annual report of the Farmers' High School of Pennsylvania." It is interesting to peruse, as it contains all the operations in detail of this school for the year ending December 1st, 1858. Two thousand copies have been ordered to be printed for the House of Representatives.

The business affairs of this place are beginning to look up. The store keepers are getting in their Spring supplies of goods. New stores are occasionally being fitted up, and more will be commenced ere long. The railroad companies are doing a driving business, and shortly we will hear the melodious notes of the loat horn; in fact everything around us gives promise of a busy season.

The tide of returning prosperity effects with equal favor all branches of industry. The building season is about to commence with most favorable prospects. Mechanics of all kinds—carpenters, bricklayers, masons, painters and others—will thus find ready employment at fair wages, and from week to week large sums of money will leave the pocket of the capitalist and go into the hands of workmen, and thus by general circulation find its way to all classes of small dealers. Fresh life and vitality will thus be diffused throughout all classes of persons engaged in trade, commerce, manufactures and labor of whatever description.

WYOMING HOTEL.—We would announce to the public in general that J. R. LAYCOCK, of Bloomsburg, has lately become proprietor of this popular house of entertainment, located in the pleasant village of Wyoming, Luzerne county, Pa. Mr. L. has had considerable experience in this line of business, and you may rest assured that he will leave nothing undone to render general satisfaction to all who may give him a call. He is an obliging and clever young man, and possesses excellent business capacities. As far as we can learn the stand is a good one and by strict attention to the wants of the public the proprietor may be able to do a handsome business. We ask for him a liberal share of patronage from the public.—His house is situated near the Wyoming Depot, on the Lackawanna and Bloomsburg Railroad, and those traveling in that direction, wishing to refresh the inner-man, will do well to give him a call. See card in today's paper.

Mr. N. Henson, late of the Franklin House, Light Street, has taken charge of the Hotel formerly kept by H. B. W. Vanecker in this town, where he will be found at his post, ready to accommodate all who may give him with their presence. He has had considerable experience in hotel keeping, and knows well the wants of the public, and nothing will be left undone to entertain his transient and permanent visitors in a suitable manner. The proprietor assures the public that a call is only needed to prove that his satisfaction is given. His table will be kept with the best market affords, and his supplied with the purest liquors that can be obtained. A share of patronage of the local and traveling community is most respectfully solicited.

The public will please accept the sincere thanks of the proprietor for the very generous patronage he received during the past year he lived in Light Street.

Ayer's Sarsaparilla

A compound remedy, in which we have labored to produce the most effectual alternative that can be made. It is a concentrated extract of Para Sarsaparilla, so combined with other substances of still greater alternative power as to afford an efficient antidote for the disease Sarsaparilla is reputed to cure. It is believed that such a remedy is wanted by those who suffer from Strumous complaints, and that one which will accomplish their cure must prove itself an antidote to this large class of our afflicted fellow-citizens. How completely this compound will do it has been proven by experiment on many of the worst cases to be found of the following complaints:

SCHROFULA AND SCHROFULOUS COMPLAINTS, Eruptions and Eruptive Diseases, ULCERS, PIMPLES, BLOTCHES, TUBERCLES, SALT RHEUM, SCALD HEAD, SPITHEADS AND SPITHEADS AFFECTIONS, MERCURIAL DISEASE, DROPPY, NEURALGIA OR THE DOUGLASS' DISEASE, DYSPEPSIA AND INDIGESTION, ERYSIPELAS, ROSE OR ST. ANTHONY'S FIRE, and indeed the whole class of complaints arising from IMPURITY OF THE BLOOD.

This compound will be found a great promoter of health, when taken in the spring, to expel the four humors which festinate in the blood at that season of the year. By the timely expulsion of them many mauling disorders are nipped in the bud. Multitudes can, by the aid of this remedy, spare themselves from the endurance of foul eruptions and ulcers, sores, through which the system will strive to rid itself of corruptions, if not assisted to do this through the natural channels of the body by an alternative medicine. Cleanse out the impurities of blood whenever you find its impurities bursting through the skin in pimples, eruptions, or sores; cleanse it when you find it is obstructed and sluggish in the veins; cleanse it when it is foul, and your feelings will tell you when. Even where no peculiar disorder is felt, people enjoy better health, and live longer, for cleansing the blood. Keep the system healthy, and you will never be troubled with the eruptions and ulcers, sores, through which the system will strive to rid itself of corruptions, if not assisted to do this through the natural channels of the body by an alternative medicine.

During late years the public have been misled by large bottles, pretending to give a quart of Extract of Sarsaparilla for one dollar. Most of these have been frauds upon the sick, for they not only contain little, if any, Sarsaparilla, but offer no curative properties whatever. Hence, bitter and painful disappointment has followed the use of the various extracts of Sarsaparilla, and the public are now seeking for a name itself is justly despised, and has become synonymous with imposition and cheat. Still we call this compound Sarsaparilla, and intend to supply such a remedy as that which bears the name from the load of obloquy which rests upon it. And we think we have ground for believing it has virtues which are irresistible by the ordinary run of the diseases it is intended to cure. It is a simple and safe remedy, and its efficacy is proven by its long and successful use.

Prepared by DR. J. C. AYER & CO., LOWELL, MASS. Price, 50¢ per Bottle; Six Bottles for \$5.

Ayer's Cherry Pectoral,

has won for itself such a renown for the cure of whooping Cough, Sore Throat, and Lung Complaint, that it is entirely unnecessary for us to recount the evidence of its virtues, wherever it has been employed. In the present season, when we need more than ever to assure the people its quality is kept up to the best standard, we have had the honor to receive from its friends a testimonial which we feel it our duty to give to their relief all it has ever been found to do.

Ayer's Cathartic Pills,

FOR THE CURE OF Costiveness, Jaundice, Dyspepsia, Indigestion, Headache, Piles, Hemorrhoids, Eruptions and Skin Diseases, Liver Complaint, Dropsy, Tetters, Tumors and Salt Rheum, Worms, Gout, Neuralgia, and a Diarrhoeal, and for Purifying the Blood. They are so prepared, that the most sensitive can take them pleasantly, and they are the best aperient in the world for all the purposes of a Purgative. Price 25 cents per Box; Five boxes for \$1.00.

EVANS & WATSON'S

Phil'a Manufactured SALMANDER SAFES;

No. 26 South Fourth Street PHILADELPHIA.

From the Village Record, WEST CHESTER, Pa. Saturday, Feb. 5, 1859.

ROBBERY.—The office of the old Railroad, in West Chester, was broken into last Thursday night, and robbed of a small amount of money. The thieves entered the building in the rear, broke the doors, and locks of the desks, and attempted to get in to the large iron safe, but did not succeed.

The safe was manufactured by EVANS & WATSON, No. 26 South FOURTH Street, Philadelphia.

STILL ANOTHER ATTEMPT. OCTOBER 18th, 1858.—Three thieves entered the flouring-mill of Messrs. Dorrace & Doron, Bristol, Pa., and tried all night to blow open their safe, with powder, which had \$250 in cash, but did not succeed in getting it open. Their Salmander Safe was manufactured by EVANS & WATSON.

GREAT SAFE ROBBERY AT NORRISTOWN, December 1st, 1858.—Some time last night, the flouring-mill of Mr. Joseph Fozzone, in Norristown, Pa., was entered and one of Farrell, Herring, & Co's best Patent Powder Lock and Safe was blown open with POWDER, and \$1,600 in cash, with powder, which had never been used, was taken out. This safe is now in Evans & Watson's store, No. 26 South Fourth Street, where we most respectfully invite the public to call and examine it.

N. B.—We find in "The Press," December 1st, the following: "All our safes are warranted to give perfect satisfaction, or the money will be returned. FARRELL, HERRING & CO."

We, EVANS & WATSON, would ask all parties having Farrell, Herring, & Co's Patent Champion Safes, to take advantage of the above offer, and return them and get their money as they will find that, in a few years, the composition with which the Safes are filled (a large portion being oil of vitriol) will eat out all the iron. A specimen of their Champion Safes may be seen in front of our store, which is even full of holes now. EVANS & WATSON, No. 26 South FOURTH Street.

[From The Press of the 4th ult.] Farrell, Herring & Co's Patent Champion Safes, the only Safes made in the city which have never been robbed by burglars, or had their contents destroyed by accidental fires. Evans & Watson's Philadelphia answer to a New York Humberg.

We, the undersigned citizens of St. Iron, Mo., do hereby certify that the iron safe belonging to C. E. Baldwin, made by Farrell & Co., No. 34 Walnut Street, Philadelphia, which was in the fire that occurred here, is not fire-proof, and is useless as a fire-proof safe; that the books, papers, jewelry, &c., which were in the safe at the time, were not injured, and that the safe, which it was in was of frame and only one story high, and that a fire so trifling as the one which burned over said safe was not sufficient to have injured any safe purporting to be fire-proof.
