STAR OF THE NORTH.

WEDNESDAY, APRIL 20, 1859.

THE TIME TABLE of the Lackawanna and Bloomsburg Railroad is published in to-day's STAR. We would direct attention to it as a slight change has been made in the running of the Trains.

ADVERTISEMENTS, intended to be published the same week they are handed in, should be received by us not later than Tuesday morning, as our publication day is Wednesday.

LAND SALE.—We invite attention to the advertisement in another column of the sale of valuable real estate of John Kline of Benton township, deceased. A fine chance of investing a small amount of capital to great advantage is offered. For full particulars as to terms &c., inquire of W. Wirt Esq.

WE WOULD direct attention of our patrons to an article in our agricultural department, of this paper, prepared by us, upon the subject of *Hungarian Grass*. We should like to see those who are engaged in tilling the soil introduce this grass upon their farms. We have no doubt but what they would profit largely by it.

WE WOULD announce that a Select School has been commenced in this place by Mr. N. S. LOWRIE, of Jefferson College, Pa., in the School Room formerly occupied by Mr. Bradley. As a Select School was much needed in this place, Mr. Lowrie's success is inevitable. His terms are reasonably low, and sessions of eleven weeks duration.

IN another column will be found Miss Mary Barkley's advertisement of her new good, which she has just opened out at her shop on Main Street, this place. Her assortment is complete, and comprises some of the most fashionable bonnets of the season, all of which she will sell cheap for cash. For gaiety and neatness her stock is hard to be surpassed. See adv't.

IN SOME part of our town, during the past week, a few more shade trees have been added to those which were already planted. This is a move in the right direction—this is what affords pleasantness and beauty to a place and makes everything around it look in a prosperous condition. Shade trees and pavements are both very essential and indispensible to promote wealth and health in a town, and make it a desirable one.—Of late our citizens have been paying special attention to this improvement, but to no very great extent has the good work been carried on. There is plenty of room for a few more trees.

OUR farmers throughout the county have been busily engaged in sowing their oats during the past week or two. The fall crops look very promising in this neighborhood; taking the open winter into consideration, we never saw the crops look better this time of the year. The grass looks favorable, and from present appearance a large quantity of hay will be made. It is a pretty sure crop in this section, and of considerable value. Corn ground is being prepared by some of our farmers; but the earth is too cold to do any great amount of work in it at present. A few warm days would make vegetation snap and crack.

OUR READERS never object to hearing the latest news. The Forney Convention was a fizzle. James Buchanan is still President of these United States. The Sickles trial is progressing slowly. Henry C. Carey, Simon Cameron, E. Joy Morris, Col. Scranton, and other gentlemen of distinction, are expected in Bloomsburg to-day. The Bloomsburg Brass Band is engaged to execute music on the reception of these illustrious men, and Mrs. A. JENKINS has just returned from the eastern cities with a lot of splendid bonnets. Ladies who wish something neat, a perfect beau-catcher, should go, *instanter*, and purchase of Mrs. A. Jenkins. Her shop is in rooms formerly occupied by Mrs. Rupert & Miss Bell Robison, nearly opposite the widow Leacock's confectionary.

THE RISING SUN HOTEL.—While on a business tour a few days since, we had occasion to spend a short time with our friend, Maj N. SEELY, of the Rising Sun Hotel, in Berwick. This house is being conducted in good style, and in a manner calculated to do an encouraging business. It has undergone a thorough renovating, and will, while under charge of the present proprietor, always be found neat and tidy, so as to afford comfort and pleasure to all those who may favor him with their patronage. Major S. is well adapted to the hotel business; he is courteous and affable in his manners, and knows well the wants of the traveling public. His *eatables* and *drinkables* will always be found of the first order; and it is only necessary for a guest to stop but once with the Major to become fully convinced of the fact that he keeps a first-class house and accommodations of the highest order.

BOROUGH ELECTION.—At an election held in the Borough of Berwick, on Saturday, the 9th inst., the following gentlemen were duly elected to fill the various offices for the ensuing year:—

Chief Burgess—Frank Stewart.

Assistant Burgess—Michael Frantz.

Town Council—Hudson Owen, Jonathan Cooper, E. B. Hull, Warren Vanderhoven, Joseph Pickering.

School Directors—J. W. Deiterick, 3 years; D. C. McHenry, 3 years; Thomas Baucher, 1 year.

Overseers of Poor—H. C. Freas, Jesse Bowman.

Borough Constable—Freas Fowler.

High Constable—[illegible] W. Boon.

Judge of Election—Richard Thompson.

Inspectors—Robert W. Gil Roi, Isaiah Bower.

Assessor—S. B. Bowman.

Auditor—Wm. H. Woodin.

THE GOOD heart, the tender feelings, and the pleasant disposition, makes smiles, love and sunshine everywhere.

Ayer's Sarsaparilla

A compound remedy, in which we have labored to produce the most effectual alterative that can be made. It is a concentrated extract of Para Sarsaparilla, so combined with other substances of still greater alterative power as to afford an effective antidote for the diseases Sarsaparilla is reputed to cure. It is believed that such a remedy is wanted by those who suffer from Strumous complaints, and that one which will accomplish their cure must prove of immense service to this large class of our afflicted fellow-citizens. How completely this compound will do it has been proven by experiment on many of the worst cases to be found of the following complaints:—

SCROFULA AND SCROFULOUS COMPLAINTS, ERUPTIONS AND ERUPTIVE DISEASES, ULCERS, PIMPLES, BLOTCHES, TUMORS, SALT RHEUM, SCALD HEAD, SYPHILIS AND SYPHILITIC AFFECTIONS, MERCURIAL DISEASE, DROPSY, NEURALGIA OR TIC DOULOUREUX, DEBILITY, DYSPEPSIA AND INDIGESTION, ERYSIPELAS, ROSE OR ST. ANTHONY'S FIRE, and indeed the whole class of complaints arising from IMPURITY OF THE BLOOD.

This compound will be found a great promoter of health, when taken in the spring, to expel the foul humors which fester in the blood at that season of the year. By the timely expulsion of them many rankling disorders are nipped in the bud. Multitudes can, by the aid of this remedy, spare themselves from the endurance of foul eruptions and ulcerous sores, through which the system will strive to rid itself of corruptions, if not assisted to do this through the natural channels of the body by an alterative medicine. Cleanse out the vitiated blood whenever you find its impurities bursting through the skin in pimples, eruptions, or sores; cleanse it when you find it is obstructed and sluggish in the veins; cleanse it whenever it is foul, and your feelings will tell you when. Even where no particular disorder is felt, people enjoy better health, and live longer, for cleansing the blood. Keep the blood healthy, and all is well; but with this pabulum of life disordered, there can be no lasting health. Sooner or later something must go wrong, and the great machinery of life is disordered or overthrown.

Sarsaparilla has, and deserves much, the reputation, of accomplishing these ends. But the world has been egregiously deceived by preparations of it, partly because the drug alone has not all the virtue that is claimed for it, but more because many preparations, pretending to be concentrated extracts of it, contain but little of the virtue of Sarsaparilla, or any thing else.

During late years the public have been misled by large bottles, pretending to give a quart of Extract of Sarsaparilla for one dollar. Most of these have been frauds upon the sick, for they not only contain little, if any, Sarsaparilla, but often no curative properties whatever. Hence, bitter and painful disappointment has followed the use of the various extracts of Sarsaparilla which flood the market, until the name itself is justly despised, and has become synonymous with imposition and cheat. Still we call this compound Sarsaparilla, and intend to supply such a remedy as shall rescue the name from the load of obloquy which rests upon it. And we think we have ground for believing it has virtues which are irresistible by the ordinary run of the diseases it is intended to cure. In order to secure their complete eradication from the system, the remedy should be judiciously taken according to directions on the bottle.

PREPARED BY

DR. J. C. AYER & CO.

LOWELL, MASS.

Price, $1 per Bottle; Six Bottles for $5.

Ayer's Cherry Pectoral,

has won for itself such a renown for the cure of every variety of Throat and Lung Complaint, that it is entirely unnecessary for us to recount the evidence of its virtues, wherever it has been employed. As it has long been in constant use throughout this section, we need not do more than assure the people its quality is kept up to the best it ever has been, and that it may be relied on to do for their relief all it has ever been found to do.

Ayer's Cathartic Pills,

FOR THE CURE OF

Costiveness, Jaundice, Dyspepsia, Indigestion, Dysentery, Foul Stomach, Erysipelas, Headache, Piles, Rheumatism, Eruptions and Skin Diseases, Liver Complaint, Dropsy, Tetter, Tumors and Salt Rheum, Worms, Gout, Neuralgia, as a Dinner Pill, and for Purifying the Blood.

They are sugar-coated, so that the most sensitive can take them pleasantly, and they are the best purgient in the world for all the purposes of a family physic.

Price 25 cents per Box; Five boxes for $1.00.

Great numbers of Clergymen, Physicians, Statesmen, and eminent personages, have lent their names to certify the unparalleled usefulness of these remedies, but our space here will not permit the insertion of them. The Agents below named furnish gratis our AMERICAN ALMANAC in which they are given; with also full descriptions of the above complaints, and the treatment that should be followed for their cure.

Do not be put off by unprincipled dealers with other preparations they make more profit on. Demand AYER'S, and take no others. The sick want the best aid there is for them, and they should have it.

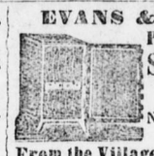
EVANS & WATSON'S



Phil'a Manufactured

SALMANDER SAFES;

No. 26 South Fourth Street

PHILADELPHIA.

From the Village Record,

WEST CHESTER, Pa.

Saturday, Feb. 5, 1859.

ROBBERY.—The office of the old Railroad, in West Chester, was broken into last Thursday night, and robbed of a small amount of money. The thieves entered the building in the rear, broke the doors, and locks off the desks, and attempted to get into the large iron safe, but did not succeed.

The Safe was manufactured by EVANS & WATSON, No. 26 South FOURTH Streets, Philadelphia.

STILL ANOTHER ATTEMPT.

OCTOBER 15th, 1858.—Three theives entered the flouring-mill of Messrs. Dorrace & Doron, Bristol, Pa., and tried all night to blow open their Safe, with powder, which had $250 in cash, but did not succeed in getting it open. Their Salamander Safe was manufactured by

EVANS & WATSON.

GREAT SAFE ROBBERY AT NORRISTOWN, DECEMBER 1st, 1858—Some time last night, the flouring-mill of Mr. Joseph Fezone, in Norristown, Pa., was entered and one of Farrel, Herring, & Co's best patent Powder proof Lock and Safe WAS BLOWN OPEN WITH POWDER, and $1,600 in cash taken out and carried away. This Safe is now in Evans & Watson's store, No. 26 South Fourth Street, where we most respectfully invite the public to call and examine it.

N. B.—We find in *The Press*, December 4th, the following: "All our Safes are warranted to give perfect satisfaction, or the money will be returned.

FARREL, HERRING & CO."

We, EVANS & WATSON, would ask all parties having Farrel, Herring & Co's Patent Champion Safes, to take advantage of the above offer, and return them and get their money, as they will find that, in a few years, the Composition with which the Safes are filled (a large portion being oil of vitriol) will eat out all the iron. A specimen of their Champion Safes may be seen in front of our store, which is eaten full of holes now. EVANS & WATSON,

No. 26 South FOURTH Street.

[From The Press of the 4th ult.]

Farrel, Herring & Co's Patent Champion Safes, the only Safes made in the city which have never been robbed by burglars, or had their contents destroyed by accidental fires. Evans & Watson's Philadelphia answer to a New York Humbug.

We, the undersigned citizens of St. Joseph, Mo., do hereby certify that the iron Safe belonging to C. E. Baldwin, made by Farrel & Co., No. 34 Walnut Street, Philadelphia, which was in the fire that occurred here, is not fire-proof, and is useless as a fire proof Safe; that the books, papers, jewelry, &c., which were in the Safe at the time, were much injured; also, that the building which it was in was of frame and only one story high, and that a fire so trifling as the one which burned over the said Safe was not sufficient to have injured any Safe purporting to be fire-proof.

ROXBURY MASS.

Dear Madam—The reputation of the Medical discovery, in curing all kind of humors, is so well established by the unanimous voice of all who have ever used it, that I need not say any thing on the subject, as the most skilful physicians and the most careful Druggist in the country are unanimous in its praise.

In presenting the Medical Discovery to your notice, I do it with a full knowledge of its curative power, in relieving all, and curing most of those diseases to which you are unfortunately so liable. The most excruciating disease to an affectionate mother,

NURSING SORE MOUTH,

Is cured as if by a miracle; your own temper is restored to its natural sweetness, and your babe from short and fretful naps to calm and sweet slumbers; and the medical discovery becomes a fountain of blessing to your husband and household,

In the advanced stages of

CANKER

it extends to the stomach, causing

DYSPEPSIA,

which is nothing but canker on the stomach then to the intestines and

Kidneys,

creating a sinking, gone feeling, and an indifference even to the cares of your family.

Your stomach is

RAW AND INFLAMED,

your food distresses you, and you can only take certain kinds, and even of that your system does not get half the nourishment it contains as the acrimonous fluid of the canker eats it up; then your complexion loses its bloom and becomes sallow and greenish, and your best day is gone
