

STAR OF THE NORTH. WEDNESDAY, SEPT. 28, 1859.

We would call attention of our readers to the new advertisements in to-day's paper.

FOR SALE AT THIS OFFICE.—A certificate of Scholarship in Stratton & Bryant's Commercial College at Philadelphia.

The prospectus of the Great Republic Monthly will be seen in another column. Patrons, read it, and then subscribe.

Imlay & Bicknell's Bank Note Reporter of the 15th inst., announces sixty new counterfeiters since the first of September.

We would announce that there will be preaching by the Rev. J. R. Shanafelt in the Baptist Church at this place on next Sabbath, at 2 o'clock, p. m., and evening.

WANTED at this office all kinds of produce on subscription and job-work. It would be natural for those in arrears to not have any to spare. We'll wait awhile and see.

MARTZ JUNOR GOTZ has our thanks for that fine pumpkin. It made most excellent pies. Long may his patch continue to produce such vegetable.

We would direct the attention of our numerous readers to the dissolution notice in another part of our paper of the firm of Hayhurst & Noble in Catawissa. The remaining partner, Mr. Noble, still continues the business, and holds the accounts for collection.

Our excellent Brass Band, enlivened the occasion on last Saturday; discoursed most eloquent music, which was duly appreciated. A great institution is Hower's Cornet Band! To its gentlemanly members our citizens and the community are indebted for the pleasant entertainment. Long may it wave.

We learn that a family residing in Port Noble, had, a few evenings since, a lot of clothing stolen from off the lines, while hanging out to dry. A chap who would commit such a theft, should have justice done him.—receive a berth of from 18 to 24 calendar months in the eastern penitentiary at hard labor.

FRESH ARRIVAL.—Hartman Bro's have just received a new stock of merchandise at their cheap store. They have an excellent assortment; and are determined to not be undersold. Small profits and quick sales is the motto they have adopted. If you doubt the Star, call 'round and try them.

It will be seen by reference to our advertising columns, that the next meeting of the Teachers' Association of this county will be held at Millville, on Saturday, the 8th day of October. Teachers and friends of education should bear this in mind and be sure and attend.

WE were shown by JUDGE KLINE, of Locust Gap, at Estler Furnace, a few days ago, the largest pumpkins we ever saw raised in this county. They beat everything in that line that has been exhibited at our County Fairs, so far. Andy and Daniel, good growers, will be compelled to stand to one side this season. Your stock can't quite come up.

On last Monday two Policemen from Baltimore, arrested a man by the name of JAMES SNYDER, in Catawissa, Columbia co., on the charge of having stabbed a man in the former place, which proved fatal, a few days since. He attempted to make his escape when the officers came near, but the sight of one of Col's revolvers caused him to stop. He was taken back to Baltimore by railroad. It was supposed that the prisoner came to Catawissa by boat.

A SECOND EDITION.—Last week we had a second edition of the equinoctial storm, revised and corrected. The wind was higher, the clouds darker, the rain drops larger and more plenty than during the latter part of the previous week. These are glorious days for the husbandman, and delightfully luxuriant for raising ducks. A week or two of fine weather now would find an excellent market and bring first-class quotations. The ubiquitous old "clever," had never a better opportunity of engaging in a profitable speculation.

Great Feat of Wire Walking.

Last Saturday was a big day in Bloomsburg. People came to town from all directions. The cause of all this grew out of the announcement, that Prof. THORPAC M'D. PAUCE designed walking a wire, stretched from the third story window of the Exchange Hotel to the Cupola of the Court House, which he did with good success. He traversed the wire forward and backward, sewed and ate a plate of oysters upon it, and performed some very difficult gymnastic feats, such as leaving himself hang by one hand under the wire, sitting on the wire with one foot placed before the other, and then raising up bodily without the assistance of anything more than the strength and firmness of his legs. PAUCE is a good gymnastic performer. He executes his feats with much ease and ability.

A very respectable number of people gathered in town upon that day to see this performance. We should judge there were about twenty-four hundred people present. At 2 o'clock, P. M., Prof. Paunce stepped upon the wire and commenced his hazardous feat, and remained upon it, in this perilous situation, about 30 minutes. The distance, which was one hundred and sixty feet, did not occupy more than about eight minutes of this time in walking the wire forward and backward. The wire was elevated between forty and fifty feet.

Prof. Paunce has given several exhibitions in this county and all with marked success. He has, since his last exhibition, started upon a performing tour through the eastern part of this State. He is, indeed, a good wire walker; second to none on record.

Hower's Cornet Band dispensed music on the occasion. This Band executes most excellent music. They are gaining golden opinions in this section.

HUMPHREYS' SPECIFIC HOMOEOPATHIC REMEDIES NO. 562, BROADWAY. THE GREAT FEATURE

Of this series of Domestic Remedies is that each particular medicine is a Specific for the particular disease or class of diseases whose name it bears, and may be relied upon for the cure of that particular affection. Hence, possessed of a cure from a chronic disease or long standing ailment, in buying a case of Humphreys' Specifics, obtain the particular one desired in their case, and thus themselves make a cure which otherwise would cost them many dollars, and no small amount of time and medicine. If, indeed, it should be obtained at all.

This multitude suffer from Diarrhea, Biliousness, Costiveness, Bad Taste, Coated Tongue, and Debility, which is perfectly controlled and cured by the SPECIFIC. There is scarcely a phase or form of this disease which is not promptly controlled and ultimately cured by the use of this Specific.

Thousands who have suffered for years with this "Bilious Condition" having purchased a case of these Specifics have obtained a perfect cure and immunity from their old complaint. COUGHS, COLDS, AND SORE THROAT which so frequently lead to BRONCHITIS AND CONSUMPTION, are all in their early stage cured by the COUGH PILLS.

Many cases of long standing Bronchitis and irritating Coughs have been perfectly cured by this Specific. But more! many persons have a specific liability to colds and take them from the least exposure. This will be entirely relieved by the use of the Cough Pills, as soon as they are taken in experience. So CATARRH is one of our most common and most troublesome diseases, against which the Old School Medicines and even Homoeopathic prescriptions, are of little use.— Yet hundreds of persons have been cured of not only colds, but even long standing and obstinate cases of Catarrh by the use of this Specific.

One aged lady in Syracuse was thus perfectly cured of a Catarrh, which had annoyed her all her life. And a young lady at one of our first class boarding schools, who was afflicted with this disease as to require more than forty handkerchiefs a week, was entirely cured in a single week by this Specific. PILES, bleeding and blind, is one of those common and obstinate forms of disease which are so difficult to cure by the ordinary methods, but which find an entire fundamental cure in the Piles Specific. True, time is required; but the Specific is pleasant to take, requires neither diet nor restraint, and being followed up a perfect cure is the result.— Hundreds of persons, in purchasing a cure for piles, have obtained a cure for the most trying and obstinate form of disease, which has been worth to them ten times the cost of the entire set.

The case contains the best FEVER AND AGUE SPECIFIC known. A remedy without any deleterious or poisonous substance, which not only cures the ague, and miasmatic agues, but may be relied upon as a preventive when persons are residing in a fever and ague district. It prevents or protects upon the same principle that vaccination prevents small pox or cholera upon the system with the true specific. Hundreds have been thus protected and cured.

THE OPHTHALMIC SPECIFIC has proved a most valuable remedy for Sore Eyes and Eyelids, and for Weak and Blurred Sight. One lady in Indiana, who had been a sufferer from sore eyes for many years, and for two years was entirely blind, was cured perfectly by the Ophthalmic Specific alone.

HEADACHES to which so many are subject, find a curative in the case. There is a specific which relieves at the time of the attack, and also one which corrects the condition of the system upon which it depends, and destroys the disposition to a return.

The Specifics for the various forms of FEMALE COMPLAINTS have proved invaluable. Old Standing Leucorrhoea or Whites, attended with debility of habit, and which other forms of medicine are of little value, are fully controlled and cured by the Female Pills; while the specific for Irregularities control almost every form of Scanty, Painful or Irregular Menstruation.

DIARRHOEA & SUMMER COMPLAINTS in adults or children, controlled like magic by the Diarrhoea Pills, while it may be averted without the possibility of successful contradiction that the Dysentery Pills are the most perfect specific for that disease known.

For the various forms of FEVER, SCARLET FEVER, MEASLES, and other diseases of children, the Fever Pills may be safely and surely relied upon. These Specifics of Prof. Humphreys, used for years in his extensive practice, and to the perfection of which he has devoted the resources of extensive knowledge, experience and study.

The public may rest assured that during the lifetime of Dr. H., no one has been or shall be trusted with the preparation of his Specifics, and he offers the guaranty of his personal life and reputation, that they shall be just as he represents them. They have now been before the public for five years, and have everywhere won golden opinions from the many thousands who have used them.

Simple in their efficacy, technically, or danger, they have become the ready recourse and aid of the parent, traveler, nurse, or invalid, and have become the family physician and medical adviser of thousands of families. Nowhere have they been tried without having been approved, and their highest appreciation is among those who have known them the longest, and most intimately.

Every Family will find these Specifics all they have been recommended; From Reliable, Simple and Efficient; a Friend In need and often a Friend indeed.
