A Magazine devoted entirely to the elevation of American authorship, wholly national, in no wise sectional or sectarian; having for its motto the words of the great statesman:

"NO NORTH, NO SOUTH, NO EAST, NO WEST;"

having nothing to do with politics, aiming only at the highest in ART, LITERATURE and SCIENCE, and employing the best writers in every branch, is again before the American public, seeking their support.

This Magazine is now finishing the first year, and drawing near the close of the SECOND VOLUME, and has met with unparalleled success.

THE SLAVER OF THE COAST;
OR, THE AFRICAN TRADER.
By Calhoun McKenzie.

THE GREAT REPUBLIC MONTHLY is the largest Magazine published in this country. Over $40,000 has been already expended to bring it to its present high degree of merit. The publishers are determined to give it the LARGEST CIRCULATION IN THE WORLD. With this view they make the following

MAGNIFICENT OFFERS.

Young gentlemen and young ladies, all over the country, are invited to get up Clubs upon the above terms.

Some of these Engravings are of *three* times the value of those offered by the *Old Art Union*, and all of them are better and of more intrinsic worth than any engravings ever offered by any "Gift Enterprise" or "Art Association."

"The Last Supper," and "The City of the Great King," should adorn the walls of every Clergyman and Scholar in the country.

No such offers as these were ever made before—there is no "*change*" in the matter, no "*lottery*," no gift enterprise, no humbug. We call upon Clergymen, Postmasters, travelers, scholars, and all who are interested in the success of American Literature and Art, to avail themselves of these generously liberal offers. In addition to all of the above, any one sending one dollar and a half extra, ($1 50,) shall receive the twelve back numbers of the Magazine from January, 1859, forming a *perfect set* of the "GREAT REPUBLIC" MONTHLY from its commencement.

A MEDICAL REVOLUTION,
The World Unanimous!

HOLLOWAY'S OINTMENT.

THE GREAT COUNTER IRRITANT!!

The virus of disease often makes its way to the internal organs through the pores of the skin. This penetrating Ointment, melting under the hand as it is rubbed in, is absorbed through the same channels, and, reaching the seat of inflamation, promptly and invariably subdues it, whe her located in the kidneys the liver, the lungs, or any other important organ. It penetrates the surface to the interior, through the countless tubes that communicate with the skin, as summer rain passes into the fevered earth, diffusing its cool and regenerating influence.

SKIN DISEASES AND GLANDULAR SWELLINGS.

Every species of exterior irritation is quickly reduced by the anti inflammatory action of this Ointment. Angry *Eruptions*, such as salt Rheum, Erysipelas, Tetter, Ringworm, Scald Head, Nettle Rash, Scabies, (or Itch) &c., die out, to return no more, under this application. Hospital experience in all parts of the World proves its infallibility in diseases of the skin, the muscles, the joints and the glands.

ULCERS, SORES, AND TUMORS.

The effect of this unrivalled external remedy upon Scrofula, and other virulent ulcers and sores, almost maraculous. It first discharges the poison which produces suppuration and proud flesh, and thus the cures which its healing properties afterwards complete are safe as well as permanent.

WOUNS, BRUISES, BURNS, AND, SCALDS

In cases of the fracture of the bones, injuries caused by steam explosions, Bruises, Burns, Scalds, Rheumatism, Stiffness of the Joints, and contraction of the sinews, it is employed and warmly recommended by the faculty. This marvellous remedy has been introduced by its inventor in persons into all the leading Hospitals of Europe, and no private household should be without it.

UNDEFINABLE TESTIMONY.

The Medical Staff of the French and English Armies in the Crimea officially signed their approval of HOLLOWAY'S Ointment, as the most reliable dressing for sabre cuts, stabs, and gun-shot wounds. It is also used by the surgeons of the Allied Navies.

Both the Ointment and Pills should be used in the following cases:

Bunions,	Mercurial Eruptions,
Burns,	Piles,
Chapped Hands,	Rheumatism,
Chilblains,	Salt Rheum,
Fistula,	Scalds.
Lumbago,	Skin Diseases,
Swelled Glands	Sprains,
Sore Legs,	Stiff Joints,
Sore Breasts,	Tetter,
Sore Heads,	Ulcers,
Sore Throats,	Veneral Sores,
Sore of all kinds,	Wounds of all kinds,

☞ CAUTION!—None are genuine unless the world "*Holloway, New York and London,*" are discernible as a *water-mark* in every leaf of the book of directions around each pot or box; the same may be plainly seen by *holding the leaf to the light.* A hand some reward will be given to any one rendering such information as may lead to the detection of any party or parties counterfeiting the medicies or vending the same, knowing them to be spurious.

*** Sold at the Manufactory of Professor HOLLOWAY, 80 Maiden Lane, New York, and by all respectable Druggists and Dealers in Medicine throughout the United States and the civilized world, in pots at 25 cents, 62½ cents, and $1 each.

☞ There is a considerable saving by taking the larger sizes.

N. B—Directions for the guidance of patients in every disorder are affixed to each pot. August 17, 1859.

PROSPECTUS
OF THE
SCIENTIFIC ARTISAN.

This paper is devoted to the advocacy and promulgation of all information which is more particularly of a practically scientific character. It embraces within its scope discussion upon every thing in Science and Art, but eschews whatever is either political, religious, or personal.

It is profusely illustrated with original engravings, done in the highest style of art.

It contains a weekly list of all patents issued, together with the claims thereon.

It contains notices of the latest inventions and improvements.

It contains a correspondence department, in which many novel inquiries are answered.

It is, in a word, just such a paper as ought to be taken by every Farmer and Mechanic, since it is devoted more particularly to their interest.

The Artisan also contains a weekly review of patent operations in Europe, and such oreign matter as may be of interest to inventors.

This paper is published by the American Patent Company, and is, in every sense, a perfectly reliable source of information.

CLUBS.

It is always a saving of much labor, when a number of papers can be sent to one Post Office under cover of a single wrapper.—The expense of mailing is less, and as the paper does not cost quite as much under such circumstances as when mailed in single numbers, we beg to offer the following Scale of Prices:

Single paper per annum,	$2 00
5 papers to one address, each,	$1 85
10 " " " " "	$1 75
20 " " " " "	$1 50
40 " " " " "	$1 40
Over 40 " " " " "	$1 30

In every case the subscription must be paid in advance.

HOWARD ASSOCIATION,
PHILADELPHIA.

A Benevolent Institution established by special Endownment, for the Relief of the Sick and Distressed, afflicted with Virulent and Epidemic Diseases.

THE HOWARD ASSOCIATION, in view of the awful destruction of human life caused by Sexual diseases, and the deceptions practiced upon the unfortunate victims of such diseases by Quacks, several years ago directed their Consulting Surgeon, as a CHARITABLE ACT worthy of their name, to open a Dispensary for the treatment of this class of diseases in all their forms, and to give MEDICAL ADVICE GRATIS to all who apply by letter, with a description of their condition, (age, occupation, habits of life, &c.) and in case of extreme poverty, to FURNISH MEDICINES FREE OF CHARGE. It is needless to add that the Association commands the highest Medical skill of the age, and will furnish the most approved modern treatment.

The Directors of the Association, in their Annual Report upon the treatment of Sexual Diseases, express the highest satisfaction with the success which has attended the labors of their Surgeons in the cure of Spermatorrhœa, Seminal Weakness, Gonorrhœa, Gleet, Syphilis, the vice of Onanism or self-Abuse, Diseases of the Kidneys and Bladder, &c., and order a continuance of the same plan for the ensuing year.

The Directors, on a review of the past, feel assured that their labors in this sphere of benevolent effort have been of great benefit to the afflicted, especially to the young, and they have resolved to devote themselves, with renewed zeal, to this very important and much despised cause.

An admirable Report on Spermatorrhœa or Seminal Weakness, the vice of Onanism, Masturbation, or Self-Abuse, and other diseases of the Sexual organs, by the Consulting Surgeon, will be sent by mail (in a sealed envelope,) FREE OF CHARGE on receipt of TWO STAMPS for postage. Other Reports and Tracts on the nature and treatment of Sexual diseases, diet, &c., are constantly being published for gratuitous distribution, and will be sent to the afflicted. Some of the new remedies and methods of treatment discovered during the last year, are of great value.

Address, for Report or treatment, DR J. SKILLIN HOUGHTON, Acting Surgeon, Howard Association, No. 2 South Ninth Street, Philadelphia, Pa.

By order of the Directors.

PUBLISHED monthly by MARIE LOUISE HANKINS & FANNIE LUCELE, under the immediate superintendance of *Col. C. Ashton Hankins*, and sent by mail for only 50 cents a year! To agents (and clubs of 10 or more,) only 30 cents a year. Postage only six cents a year, when paid quarterly in advance. The cheapest Family Paper in the world.

The latest reliable Fashion Plates, Dress Patterns, useful & ornamental Needle work, Diagrams, and Embroidery Designs in every number.

THE BEST WRITERS, THE BEST STORIES, AND MOST ENGRANINGS.

☞ Specimen copies sent free of postage on receipt of a stamp; but stamps will not be received for subscriptions. Subscribers and agents must inclose the money—CASH; and write names, post offices, counties and States, plain and distinct.

☞ Canvassing Agents (Particularly Females) wanted everywhere. Agents are allowed to retain 20 cents out of each 50 cent subscription they obtain, and some are now clearing as high as $25 a week profit for themselves. Postmasters and Teachers can act as agents, on the same terms.

☞ Persons receiving specimen copies of the Literary Gazette are requested to act as agents, or to show it to those who will, and they shall be sent a copy of the paper one year gratis, as compensation for their trouble. This is an easy way to pay for a year's subscription, and the effort will put money in the pockets of those who need it, and extend our circulation. Instead of earning 50 to 75 cents a day with her needle, or by teaching school, a smart woman can procure from 10 to 20 subscriptions every fair day in the week, and clear for herself $2 to $4, while she would have made only 75 cents at her old occupation.

☞ All persons extending the circulation of the paper continually get a copy gratis.

☞ Applicants for Agencies are requested to send the names and post-office address of all the leading people they know of, who would be likely to subscribe, and a specimen copy for inspection will be mailed to each of them free of postage. Agents find this plan very profitable to them, as they obtain subscriptions much easier.

☞ Inclose an extra three cent stamp when a written answer is wanted.

EVANS & WATSON'S
Phil'a Manufactured
SALMANDER SAFES;
No. 26 South Fourth Street
PHILADELPHIA.

From the Village Record,
WEST CHESTER, Pa.
Saturday, Feb. 5, 1859.

ROBBERY.—The office of the old Railroad, in West Chester, was broken into last Thursday night, and robbed of a small amount of money. The thieves entered the building in the rear, broke the doors, and locks off the desks, and attempted to get into the large iron safe, but did not succeed.

The Safe was manufactured by EVANS & WATSON, No. 26 South FOURTH Streets, Philadelphia.

STILL ANOTHER ATTEMPT.

OCTOBER 18th, 1858.—Three theives entered the flouring-mill of Messrs. Dorrace & Doron, Bristol, Pa., and tried all night to blow open their Safe, with powder, which had $250 in cash, but did not succeed in getting it open. Their Salamander Safe was manufactured by

EVANS & WATSON.

GREAT SAFE ROBBERY AT NORRISTOWN, DECEMBER 1st, 1858—Some time last night, the flouring-mill of Mr. Joseph Fezone, in Norristown, Pa., was entered and one of Farrel, Herring, & Co's best patent Powder proof Lock and Safe

WAS BLOWN OPEN WITH POWDER,

and $1,600 in cash taken out and carried away. This Safe is now in Evans & Watson's store, No. 26 South Fourth Street, where we most respectfully invite the public to call and examine it.

N. B.—We find in *The Press*, December 4th, the following: "All our Safes are warranted to give perfect satisfaction, or the money will be returned.

FARREL, HERRING & CO."

We, EVANS & WATSON, would ask all parties having Farrel, Herring & Co's Patent Champion Safes, to take advantage of the above offer, and return them and get their money, as they will find that, in a few years, the Composition with which the Safes are filled (a large portion being oil of vitriol) will eat out all the iron. A specimen of their Champion Safes may be seen in front of our store, which is eaten full of holes now. EVANS & WATSON,
No. 26 South FOURTH Street.

[From The Press of the 4th ult.]

Farrel, Herring & Co's Patent Champion Safes, the only Safes made in the city which have never been robbed by burglars, or had their contents destroyed by accidental fires. Evans & Watson's Philadelphia answer to a New York Humbug.

We, the undersigned citizens of St. Joseph, Mo., do hereby certify that the iron Safe belonging to C. E. Baldwin, made by Farrel & Co., No. 34 Walnut Street, Philadelphia, which was in the fire that occurred here, is not fire-proof, and is useless as a fire-proof Safe; that the books, papers, jewelry, &c., which were in the Safe at the time, were much injured; also, that the building which it was in was of frame and only one story high, and that a fire so trifling as the one which burned over the said Safe was not sufficient to have injured any Safe purporting to be fire-proof.

THE undersigned having just received the latest Paris and New York Fashions, would again beg leave to inform his numerous friends and all the world about Bloomsburg, that he is now better prepared than ever to accommodate any one with the neatest easiest and best fitting suits of Clothes that have been turned out lately; and not only that, but he will also do them up in the best order, upon the lowest terms.

His shop is at the old stand, (too well known to need further notice) where he may at all times be found, seated upon the *bench of repentance*, steadily drawing out the *thread* of affliction, hoping it may in the *end* prove advantageous to him and his customers. He would also advise his friends to bear in mine that poor, afflicted tailors must live, or they can't be expected to work. Therefore Wheat Rye, Corn, Oats, Potatoes, and with all now and then a little CASH will come mighty handy from those who are back-standing on the books.

Remember, gentlemen, that in all cases "the laborer is worthy of his hire."

Ayer's Sarsaparilla

A compound remedy, in which we have labored to produce the most effectual alterative that can be made. It is a concentrated extract of Para Sarsaparilla, so combined with other substances of still greater alterative power as to afford an effective antidote for the diseases Sarsaparilla is reputed to cure. It is believed that such a remedy is wanted by those who suffer from Strumous complaints, and that one which will accomplish their cure must prove of immense service to this large class of our afflicted fellow-citizens. How completely this compound will do it has been proven by experiment on many of the worst cases to be found of the following complaints:—

SCROFULA AND SCROFULOUS COMPLAINTS, ERUPTIONS AND ERUPTIVE DISEASES, ULCERS, PIMPLES, BLOTCHES, TUMORS, SALT RHEUM, SCALD HEAD, SYPHILIS AND SYPHILITIC AFFECTIONS, MERCURIAL DISEASE, DROPSY, NEURALGIA OR TIC DOULOUREUX, DEBILITY, DYSPEPSIA AND INDIGESTION, ERYSIPELAS, ROSE OR ST. ANTHONY'S FIRE, and indeed the whole class of complaints arising from IMPURITY OF THE BLOOD.

This compound will be found a great promoter of health, when taken in the spring, to expel the foul humors which fester in the blood at that season of the year. By the timely expulsion of them many rankling disorders are nipped in the bud. Multitudes can, by the aid of this remedy, spare themselves from the endurance of foul eruptions and ulcerous sores, through which the system will strive to rid itself of corruptions, if not assisted to do this through the natural channels of the body by an alterative medicine. Cleanse out the vitiated blood whenever you find its impurities bursting through the skin in pimples, eruptions, or sores; cleanse it when you find it is obstructed and sluggish in the veins; cleanse it whenever it is foul, and your feelings will tell you when. Even where no particular disorder is felt, people enjoy better health, and live longer, for cleansing the blood. Keep the blood healthy, and all is well; but with this pabulum of life disordered, there can be no lasting health. Sooner or later something must go wrong, and the great machinery of life is disordered or overthrown.

Sarsaparilla has, and deserves much, the reputation, of accomplishing these ends. But the world has been egregiously deceived by preparations of it, partly because the drug alone has not all the virtue that is claimed for it, but more because many preparations, pretending to be concentrated extracts of it, contain but little of the virtue of Sarsaparilla, or any thing else.

During late years the public have been misled by large bottles, pretending to give a quart of Extract of Sarsaparilla for one dollar. Most of these have been frauds upon the sick, for they not only contain little, if any, Sarsaparilla, but often no curative properties whatever. Hence, bitter and painful disappointment has followed the use of the various extracts of Sarsaparilla which flood the market, until the name itself is justly despised, and has become synonymous with imposition and cheat. Still we call this compound Sarsaparilla, and intend to supply such a remedy as shall rescue the name from the load of obloquy which rests upon it. And we think we have ground for believing it has virtues which are irresistible by the ordinary run of the diseases it is intended to cure. In order to secure their complete eradication from the system, the remedy should be judiciously taken according to directions on the bottle.

Ayer's Cherry Pectoral,

has won for itself such a renown for the cure of every variety of Throat and Lung Complaint, that it is entirely unnecessary for us to recount the evidence of its virtues, wherever it has been employed. As it has long been in constant use throughout this section, we need not do more than assure the people its quality is kept up to the best it ever has been, and that it may be relied on to do for their relief all it has ever been found to do.
