Execution of Four Insurrectionists.

Cook, Coppee, Copeland and Green, the four convicted accomplices of Capt. Brown, who figured in the Harper's Ferry Tragedy, were all executed on last Friday, at the appointed time, in Charlestown, Virginia.

Resolved, That the recent abortive attempt to create a servile insurrection at Harper's Ferry was a natural consequence of the teachings of the Republican party, and that the country should hold them responsible for it.

Resolved, That in the opinion of this meeting the Union of these States has been and is now more imperiled by the recent insurrectionary attempt at Harper's Ferry, and the teachings which brought it about, and the sympathies which followed it, than by any other act or series of acts which have ever happened from the formation of our government to the present time.

Resolved, That we deeply deplore the bitter agitation occasioned by the Harper's Ferry troubles, and that we turn with confidence of the Democratic party as the only party that can calm the violent passions which now threaten the perpetuity of the Union.

Resolved, That we utterly condemn the expressions of sympathy in the Republican party for the traitor and murderer, John Brown, and his confederates, and consider such sentiments as countenancing treason as the worst of crimes, and as repugnant to that comity, and inconsistent with that good faith due among citizens of a common confederacy.

The Schuylkill Democracy.

The Democratic Committee of Schuylkill county had a full meeting at Pottsville on the 5th inst., to take into consideration matters connected with the campaign of 1860.

Execution of Copeland and Green.

At half-past 10 o'clock, Gen. Taliaferro, with his staff, numbering about twenty-five officers, having given orders to prepare the two negro prisoners, Shields Green and John Copeland, for execution, took their departure, to join the main body of troops on the field.
